Lord, we chose today, to pay close attention to wisdom and listen intently to understanding. By doing so, we exercise discretion and what we do and say will be by wisdom and good instruction. Guide us throughout this week. May we accomplish what is good in Your sight and beneficial for all concerned.

Now, may You, Heavenly Father, who has loved us and given us eternal encouragement and good hope by grace, encourage our hearts and strengthen us in every good work and word.

In the name of Your Son, I pray. Amen.

AMEND House Committee Substitute No. 2 for House Bill No. 1472, Page 19, Section 195.017, Line 645, by inserting after all of said line the following:

"195.600. 1. A qualifying patient who has in his or her possession written certification shall not be subject to arrest, prosecution, or penalty in any manner for the medical use of marijuana, provided the quantity of marijuana does not exceed an adequate supply.

2. As used in this section "written certification" means the qualifying patient's medical records or a statement signed by a physician stating that in the physician's professional opinion, after having completed a full assessment of the qualifying patient's medical history and current medical condition made in the course of a bona fide physician-patient relationship, the qualifying patient has a debilitating medical condition and the potential benefits of the medical use of marijuana would likely outweigh the health risks for the qualifying patient.

195.602. 1. The authorization for the medical use of marijuana in sections 195.600 to 195.604 shall not apply to:

(1) The medical use of marijuana that compromises the health or well-being of another person, such as:
(a) In a school bus, public bus, or other public vehicle;
(b) In the areas of one's employment not designated for medical marijuana use;
(c) On any school grounds other than areas designated for medical marijuana use;
(d) In any correctional facility other than areas designated for medical marijuana use; or
(e) At any public park, public beach, public recreation center, or youth center other than areas designated for medical marijuana use; and

(2) The use of marijuana by a qualifying patient, primary caregiver, or any other person for purposes other than medical use permitted by sections 195.600 to 195.604.

2. Notwithstanding any law to the contrary, fraudulent representation to a law enforcement official of any fact or circumstance relating to the medical use of marijuana to avoid arrest or prosecution shall be a petty misdemeanor and subject to a fine of five hundred dollars. Such penalty shall be in addition to any other penalties that may apply for the nonmedical use of marijuana.

195.604. A person and a person's primary caregivers may assert the medical use of marijuana as a defense to any prosecution involving marijuana, and such defense shall be presumed valid where the evidence shows that:

(1) The person's medical records indicate or a physician has stated that, in the physician's professional opinion after having completed a full assessment of the person's medical history and current medical condition made in the course of a bona fide physician-patient relationship, the potential benefits of the medical use of marijuana would likely outweigh the health risks for the person; and

(2) The person and the person's primary caregivers were collectively in possession of a quantity of marijuana that was not more than was reasonably necessary to ensure the uninterrupted availability of marijuana for the purpose of alleviating the symptoms or effects of the person's medical condition."; and

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

THIRTY-FIFTH DAY, TUESDAY, MARCH 16, 2010

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Msgr. Donald W. Lammers.

Almighty God, our attention and our support are sought through hearings, proposals, bills, debate and communication of every sort. May the wisdom of Jesus be fulfilled in us: "He (and she) who has ears to hear, let him hear," (*Matthew 11:15*).

Yes, Lord, give us ears to hear and assimilate all that is brought before us. Grant us the ability to hear fully, that we might comprehend the various dimensions of truth. Bless us with the wisdom and understanding to recognize Your Word when it is spoken in the human voice or in the written word.

We ask for the gift of good judgment that we might give the right priority to the various issues. May the outcome of our work be an equity and justice that is in harmony with Your will. To You, Almighty God, be glory and honor forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

On motion of Representative Stevenson, **House Amendment No. 1** was adopted.

Representative Stevenson offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute No. 2 for House Bill Nos. 1692, 1209, 1405, 1499, 1535 & 1811, Page 57, Section 542.286, Line 11, by inserting after all of said line the following:

“563.011. As used in this chapter the following terms shall mean:

(1) "Deadly force", physical force which the actor uses with the purpose of causing or which he or she knows to create a substantial risk of causing death or serious physical injury;

(2) "Dwelling", any building, inhabitable structure, or conveyance of any kind, whether the building, inhabitable structure, or conveyance is temporary or permanent, mobile or immobile, which has a roof over it, including a tent, and is designed to be occupied by people lodging therein at night;

(3) "Forcible felony", any felony involving the use or threat of physical force or violence against any individual, including but not limited to murder, robbery, burglary, arson, kidnapping, assault, and any forcible sexual offense;

(4) "Premises", includes any building, inhabitable structure and any real property;

(5) "Private person", any person other than a law enforcement officer;

(6) "**Private property**", **any real property in this state that is privately owned or leased**;

(7) "Remain after unlawfully entering", to remain in or upon premises after unlawfully entering as defined in this section;

[(7)] (8) "Residence", a dwelling in which a person resides either temporarily or permanently or is visiting as an invited guest;

[(8)] (9) "Unlawfully enter", a person unlawfully enters in or upon premises **or private property** when he or she enters such premises **or private property** and is not licensed or privileged to do so. A person who, regardless of his or her purpose, enters in or upon **private property** or premises that are at the time open to the public does so with license unless he or she defies a lawful order not to enter, personally communicated to him or her by the owner of such premises or by another authorized person. A license to enter in a building that is only partly open to the public is not a license to enter in that part of the building that is not open to the public.

563.031. 1. A person may, subject to the provisions of subsection 2 of this section, use physical force upon another person when and to the extent he or she reasonably believes such force to be necessary to defend himself or herself or a third person from what he or she reasonably believes to be the use or imminent use of unlawful force by such other person, unless:

(1) The actor was the initial aggressor; except that in such case his or her use of force is nevertheless justifiable provided:

(a) He or she has withdrawn from the encounter and effectively communicated such withdrawal to such other person but the latter persists in continuing the incident by the use or threatened use of unlawful force; or

(b) He or she is a law enforcement officer and as such is an aggressor pursuant to section 563.046; or

(c) The aggressor is justified under some other provision of this chapter or other provision of law;

(2) Under the circumstances as the actor reasonably believes them to be, the person whom he or she seeks to protect would not be justified in using such protective force;

(3) The actor was attempting to commit, committing, or escaping after the commission of a forcible felony.

2. A person may not use deadly force upon another person under the circumstances specified in subsection 1 of this section unless:

(1) He or she reasonably believes that such deadly force is necessary to protect himself or herself or another against death, serious physical injury, or any forcible felony; [or]

(2) Such force is used against a person who unlawfully enters, remains after unlawfully entering, or attempts to unlawfully enter a dwelling, residence, or vehicle lawfully occupied by such person; **or**

(3) Such force is used against a person who unlawfully enters, remains after unlawfully entering, or attempts to unlawfully enter private property that is owned or leased by an individual claiming a justification of using protective force under this section.

3. A person does not have a duty to retreat from a dwelling, residence, or vehicle where the person is not unlawfully entering or unlawfully remaining. **A person does not have a duty to retreat from private property that is owned or leased by such individual.**

4. The justification afforded by this section extends to the use of physical restraint as protective force provided that the actor takes all reasonable measures to terminate the restraint as soon as it is reasonable to do so.

5. The defendant shall have the burden of injecting the issue of justification under this section.”; and

Further amend said bill, Section 571.030, Page 60, Line 132, by inserting after all of said line the following:

“571.070. 1. A person commits the crime of unlawful possession of a firearm if such person knowingly has any firearm in his or her possession and:

(1) Such person has been convicted of a felony under the laws of this state, or of a crime under the laws of any state or of the United States which, if committed within this state, would be a felony; or

(2) Such person is a fugitive from justice, is habitually in an intoxicated or drugged condition, or is currently adjudged mentally incompetent.

2. Unlawful possession of a firearm is a class C felony.

3. The provisions of subdivision (1) of subsection 1 of this section shall not apply to the possession of an antique firearm.

(5) An affirmation that the applicant has not been convicted of, pled guilty to, or entered a plea of nolo contendere to one or more misdemeanor offenses involving crimes of violence within a five-year period immediately preceding application for a certificate of qualification to obtain a concealed carry endorsement or if the applicant has not been convicted of two or more misdemeanor offenses involving driving while under the influence of intoxicating liquor or drugs or the possession or abuse of a controlled substance within a five-year period immediately preceding application for a certificate of qualification to obtain a concealed carry endorsement;

(11) A conspicuous warning that false statements made by the applicant will result in prosecution for perjury pursuant to the laws of the state of Missouri.

4. An application for a certificate of qualification for a concealed carry endorsement shall be made to the sheriff of the county or any city not within a county in which the applicant resides. An application shall be filed in writing, signed under oath and under the penalties of perjury, and shall state whether the applicant complies with each of the requirements specified in subsection 2 of this section. In addition to the completed application, the applicant for a certificate of qualification for a concealed carry endorsement must also submit the following:

(1) A photocopy of a firearms safety training certificate of completion or other evidence of completion of a firearms safety training course that meets the standards established in subsection 1 or 2 of section 571.111; and

(2) A nonrefundable certificate of qualification fee as provided by subsection 10 or 11 of this section.

5. Before an application for a certificate of qualification for a concealed carry endorsement is approved, the sheriff shall make only such inquiries as he or she deems necessary into the accuracy of the statements made in the application. The sheriff may require that the applicant display a Missouri driver's license or nondriver's license or military identification and orders showing the person being stationed in Missouri. In order to determine the applicant's suitability for a certificate of qualification for a concealed carry endorsement, the applicant shall be fingerprinted. The

sheriff shall request a criminal background check through the appropriate law enforcement agency within three working days after submission of the properly completed application for a certificate of qualification for a concealed carry endorsement. If no disqualifying record is identified by the fingerprint check at the state level, the fingerprints shall be forwarded to the Federal Bureau of Investigation for a national criminal history record check. Upon receipt of the completed background check, the sheriff shall issue a certificate of qualification for a concealed carry endorsement within three working days. The sheriff shall issue the certificate within forty-five calendar days if the criminal background check has not been received, provided that the sheriff shall revoke any such certificate and endorsement within twenty-four hours of receipt of any background check that results in a disqualifying record, and shall notify the department of revenue.

6. The sheriff may refuse to approve an application for a certificate of qualification for a concealed carry endorsement if he or she determines that any of the requirements specified in subsection 2 of this section have not been met, or if he or she has a substantial and demonstrable reason to believe that the applicant has rendered a false statement regarding any of the provisions of sections 571.101 to 571.121. If the applicant is found to be ineligible, the sheriff is required to deny the application, and notify the applicant in writing, stating the grounds for denial and informing the applicant of the right to submit, within thirty days, any additional documentation relating to the grounds of the denial. Upon receiving any additional documentation, the sheriff shall reconsider his or her decision and inform the applicant within thirty days of the result of the reconsideration. The applicant shall further be informed in writing of the right to appeal the denial pursuant to subsections 2, 3, 4, and 5 of section 571.114. After two additional reviews and denials by the sheriff, the person submitting the application shall appeal the denial pursuant to subsections 2, 3, 4, and 5 of section 571.114.

7. If the application is approved, the sheriff shall issue a certificate of qualification for a concealed carry endorsement to the applicant within a period not to exceed three working days after his or her approval of the application. The applicant shall sign the certificate of qualification in the presence of the sheriff or his or her designee and shall within seven days of receipt of the certificate of qualification take the certificate of qualification to the department of revenue. Upon verification of the certificate of qualification and completion of a driver's license or nondriver's license application pursuant to chapter 302, RSMo, the director of revenue shall issue a new driver's license or nondriver's license with an endorsement which identifies that the applicant has received a certificate of qualification to carry concealed weapons issued pursuant to sections 571.101 to 571.121 if the applicant is otherwise qualified to receive such driver's license or nondriver's license. The requirements for the director of revenue to issue a concealed carry endorsement pursuant to this subsection shall not be effective until July 1, 2004, and the certificate of qualification issued by a county sheriff pursuant to subsection 1 of this section shall allow the person issued such certificate to carry a concealed weapon pursuant to the requirements of subsection 1 of section 571.107 in lieu of the concealed carry endorsement issued by the director of revenue from October 11, 2003, until the concealed carry endorsement is issued by the director of revenue on or after July 1, 2004, unless such certificate of qualification has been suspended or revoked for cause.

8. The sheriff shall keep a record of all applications for a certificate of qualification for a concealed carry endorsement and his or her action thereon. The sheriff shall report the issuance of a certificate of qualification to the Missouri uniform law enforcement system. All information on any such certificate that is protected information on any driver's or nondriver's license shall have the same personal protection for purposes of sections 571.101 to 571.121. An applicant's status as a holder of a certificate of qualification or a concealed carry endorsement shall not be public information and shall be considered personal protected information. Any person who violates the provisions of this subsection by disclosing protected information shall be guilty of a class A misdemeanor.

9. Information regarding any holder of a certificate of qualification or a concealed carry endorsement is a closed record.

10. For processing an application for a certificate of qualification for a concealed carry endorsement pursuant to sections 571.101 to 571.121, the sheriff in each county shall charge a nonrefundable fee not to exceed one hundred dollars which shall be paid to the treasury of the county to the credit of the sheriff's revolving fund.

11. For processing a renewal for a certificate of qualification for a concealed carry endorsement pursuant to sections 571.101 to 571.121, the sheriff in each county shall charge a nonrefundable fee not to exceed fifty dollars which shall be paid to the treasury of the county to the credit of the sheriff's revolving fund.

12. For the purposes of sections 571.101 to 571.121, the term "sheriff" shall include the sheriff of any county or city not within a county or his or her designee and in counties of the first classification the sheriff may designate the chief of police of any city, town, or municipality within such county.

571.104. 1. (1) A concealed carry endorsement issued pursuant to sections 571.101 to 571.121 shall be suspended or revoked if the concealed carry endorsement holder becomes ineligible for such concealed carry

endorsement under the criteria established in subdivisions (2), (3), (4), (5), and (7) of subsection 2 of section 571.101 or upon the issuance of a valid full order of protection.

(2) When a valid full order of protection, or any arrest warrant, discharge, or commitment for the reasons listed in subdivision (2), (3), (4), (5), or (7) of subsection 2 of section 571.101, is issued against a person holding a concealed carry endorsement issued pursuant to sections 571.101 to 571.121 upon notification of said order, warrant, discharge or commitment or upon an order of a court of competent jurisdiction in a criminal proceeding, a commitment proceeding or a full order of protection proceeding ruling that a person holding a concealed carry endorsement presents a risk of harm to themselves or others, then upon notification of such order, the holder of the concealed carry endorsement shall surrender the driver's license or nondriver's license containing the concealed carry endorsement to the court, to the officer, or other official serving the order, warrant, discharge, or commitment.

(3) The official to whom the driver's license or nondriver's license containing the concealed carry endorsement is surrendered shall issue a receipt to the licensee for the license upon a form, approved by the director of revenue, that serves as a driver's license or a nondriver's license and clearly states the concealed carry endorsement has been suspended. The official shall then transmit the driver's license or a nondriver's license containing the concealed carry endorsement to the circuit court of the county issuing the order, warrant, discharge, or commitment. The concealed carry endorsement issued pursuant to sections 571.101 to 571.121 shall be suspended until the order is terminated or until the arrest results in a dismissal of all charges. Upon dismissal, the court holding the driver's license or nondriver's license containing the concealed carry endorsement shall return it to the individual.

(4) Any conviction, discharge, or commitment specified in sections 571.101 to 571.121 shall result in a revocation. Upon conviction, the court shall forward a notice of conviction or action and the driver's license or nondriver's license with the concealed carry endorsement to the department of revenue. The department of revenue shall notify the sheriff of the county which issued the certificate of qualification for a concealed carry endorsement and shall report the change in status of the concealed carry endorsement to the Missouri uniform law enforcement system. The director of revenue shall immediately remove the endorsement issued pursuant to sections 571.101 to 571.121 from the individual's driving record within three days of the receipt of the notice from the court. The director of revenue shall notify the licensee that he or she must apply for a new license pursuant to chapter 302, RSMo, which does not contain such endorsement. This requirement does not affect the driving privileges of the licensee. The notice issued by the department of revenue shall be mailed to the last known address shown on the individual's driving record. The notice is deemed received three days after mailing.

2. A concealed carry endorsement shall be renewed for a qualified applicant upon receipt of the properly completed renewal application and the required renewal fee by the sheriff of the county of the applicant's residence. The renewal application shall contain the same required information as set forth in subsection 3 of section 571.101, except that in lieu of the fingerprint requirement of subsection 5 of section 571.101 and the firearms safety training, the applicant need only display his or her current driver's license or nondriver's license containing a concealed carry endorsement. Upon successful completion of all renewal requirements, the sheriff shall issue a certificate of qualification which contains the date such certificate was renewed.

3. A person who has been issued a certificate of qualification for a concealed carry endorsement who fails to file a renewal application on or before its expiration date must pay an additional late fee of ten dollars per month for each month it is expired for up to six months. After six months, the sheriff who issued the expired certificate shall notify the director of revenue that such certificate is expired. The director of revenue shall immediately cancel the concealed carry endorsement and remove such endorsement from the individual's driving record and notify the individual of such cancellation. The notice of cancellation of the endorsement shall be conducted in the same manner as described in subsection 1 of this section. Any person who has been issued a certificate of qualification for a concealed carry endorsement pursuant to sections 571.101 to 571.121 who fails to renew his or her application within the six-month period must reapply for a new certificate of qualification for a concealed carry endorsement and pay the fee for a new application. The director of revenue shall not issue an endorsement on a renewed driver's license or renewed nondriver's license unless the applicant for such license provides evidence that he or she has renewed the certification of qualification for a concealed carry endorsement in the manner provided for such renewal pursuant to sections 571.101 to 571.121. If an applicant for renewal of a driver's license or nondriver's license containing a concealed carry endorsement does not want to maintain the concealed carry endorsement, the applicant shall inform the director at the time of license renewal of his or her desire to remove the endorsement. When a driver's or nondriver's license applicant informs the director of his or her desire to remove the concealed carry endorsement, the director shall renew the driver's license or nondriver's license without the endorsement appearing on the license if the applicant is otherwise qualified for such renewal.

4. Any person issued a concealed carry endorsement pursuant to sections 571.101 to 571.121 shall notify the department of revenue and the sheriffs of both the old and new jurisdictions of the endorsement holder's change of residence within thirty days after the changing of a permanent residence. The endorsement holder shall furnish proof

to the department of revenue and the sheriff in the new jurisdiction that the endorsement holder has changed his or her residence. **The sheriff of the new jurisdiction may charge a processing fee of not more than ten dollars for any costs associated with notification of a change in residence.** The change of residence shall be made by the department of revenue onto the individual's driving record and the new address shall be accessible by the Missouri uniform law enforcement system within three days of receipt of the information.

5. Any person issued a driver's license or nondriver's license containing a concealed carry endorsement pursuant to sections 571.101 to 571.121 shall notify the sheriff or his or her designee of the endorsement holder's county or city of residence within seven days after actual knowledge of the loss or destruction of his or her driver's license or nondriver's license containing a concealed carry endorsement. The endorsement holder shall furnish a statement to the sheriff that the driver's license or nondriver's license containing the concealed carry endorsement has been lost or destroyed. After notification of the loss or destruction of a driver's license or nondriver's license containing a concealed carry endorsement, the sheriff shall reissue a new certificate of qualification within three working days of being notified by the concealed carry endorsement holder of its loss or destruction. The reissued certificate of qualification shall contain the same personal information, including expiration date, as the original certificate of qualification. The applicant shall then take the certificate to the department of revenue, and the department of revenue shall proceed on the certificate in the same manner as provided in subsection 7 section 571.101. Upon application for a license pursuant to chapter 302, RSMo, the director of revenue shall issue a driver's license or nondriver's license containing a concealed carry endorsement if the applicant is otherwise eligible to receive such license.

6. If a person issued a concealed carry endorsement changes his or her name, the person to whom the endorsement was issued shall obtain a corrected certificate of qualification for a concealed carry endorsement with a change of name from the sheriff who issued such certificate upon the sheriff's verification of the name change. **The sheriff may charge a processing fee of not more than ten dollars for any costs associated with obtaining a corrected certificate of qualification.** The endorsement holder shall furnish proof of the name change to the department of revenue and the sheriff within thirty days of changing his or her name and display his or her current driver's license or nondriver's license containing a concealed carry endorsement. The endorsement holder shall apply for a new driver's license or nondriver's license containing his or her new name. Such application for a driver's license or nondriver's license shall be made pursuant to chapter 302, RSMo. The director of revenue shall issue a driver's license or nondriver's license with concealed carry endorsement with the endorsement holder's new name if the applicant is otherwise eligible for such license. The director of revenue shall take custody of the old driver's license or nondriver's license. The name change shall be made by the department of revenue onto the individual's driving record and the new name shall be accessible by the Missouri uniform law enforcement system within three days of receipt of the information.

7. A concealed carry endorsement shall be automatically invalid after thirty days if the endorsement holder has changed his or her name or changed his or her residence and not notified the department of revenue and sheriff of a change of name or residence as required in subsections 4 and 6 of this section.

571.107. 1. A concealed carry endorsement issued pursuant to sections 571.101 to 571.121 or a concealed carry endorsement or permit issued by another state or political subdivision of another state shall authorize the person in whose name the permit or endorsement is issued to carry concealed firearms on or about his or her person or vehicle throughout the state. No driver's license or nondriver's license containing a concealed carry endorsement issued pursuant to sections 571.101 to 571.121 or a concealed carry endorsement or permit issued by another state or political subdivision of another state shall authorize any person to carry concealed firearms into:

(1) Any police, sheriff, or highway patrol office or station without the consent of the chief law enforcement officer in charge of that office or station. Possession of a firearm in a vehicle on the premises of the office or station shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(2) Within twenty-five feet of any polling place on any election day. Possession of a firearm in a vehicle on the premises of the polling place shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(3) The facility of any adult or juvenile detention or correctional institution, prison or jail. Possession of a firearm in a vehicle on the premises of any adult, juvenile detention, or correctional institution, prison or jail shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(4) Any courthouse solely occupied by the circuit, appellate or supreme court, or any courtrooms, administrative offices, libraries or other rooms of any such court whether or not such court solely occupies the building in question. This subdivision shall also include, but not be limited to, any juvenile, family, drug, or other court offices, any room or office wherein any of the courts or offices listed in this subdivision are temporarily conducting any business

within the jurisdiction of such courts or offices, and such other locations in such manner as may be specified by supreme court rule pursuant to subdivision (6) of this subsection. Nothing in this subdivision shall preclude those persons listed in subdivision (1) of subsection 2 of section 571.030 while within their jurisdiction and on duty, those persons listed in subdivisions (2) [and], (4), **and (10)** of subsection 2 of section 571.030, or such other persons who serve in a law enforcement capacity for a court as may be specified by supreme court rule pursuant to subdivision (6) of this subsection from carrying a concealed firearm within any of the areas described in this subdivision. Possession of a firearm in a vehicle on the premises of any of the areas listed in this subdivision shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(5) Any meeting of the governing body of a unit of local government; or any meeting of the general assembly or a committee of the general assembly, except that nothing in this subdivision shall preclude a member of the body holding a valid concealed carry endorsement from carrying a concealed firearm at a meeting of the body which he or she is a member. Possession of a firearm in a vehicle on the premises shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(6) The general assembly, supreme court, county or municipality may by rule, administrative regulation, or ordinance prohibit or limit the carrying of concealed firearms by endorsement holders in that portion of a building owned, leased or controlled by that unit of government. Any portion of a building in which the carrying of concealed firearms is prohibited or limited shall be clearly identified by signs posted at the entrance to the restricted area. The statute, rule or ordinance shall exempt any building used for public housing by private persons, highways or rest areas, firing ranges, and private dwellings owned, leased, or controlled by that unit of government from any restriction on the carrying or possession of a firearm. The statute, rule or ordinance shall not specify any criminal penalty for its violation but may specify that persons violating the statute, rule or ordinance may be denied entrance to the building, ordered to leave the building and if employees of the unit of government, be subjected to disciplinary measures for violation of the provisions of the statute, rule or ordinance. The provisions of this subdivision shall not apply to any other unit of government;

(7) Any establishment licensed to dispense intoxicating liquor for consumption on the premises, which portion is primarily devoted to that purpose, without the consent of the owner or manager. The provisions of this subdivision shall not apply to the licensee of said establishment. The provisions of this subdivision shall not apply to any bona fide restaurant open to the general public having dining facilities for not less than fifty persons and that receives at least fifty-one percent of its gross annual income from the dining facilities by the sale of food. This subdivision does not prohibit the possession of a firearm in a vehicle on the premises of the establishment and shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises. Nothing in this subdivision authorizes any individual who has been issued a concealed carry endorsement to possess any firearm while intoxicated;

(8) Any area of an airport to which access is controlled by the inspection of persons and property. (10) Any higher education institution or elementary or secondary school facility without the consent of the governing body of the higher education institution or a school official or the district school board. (11) Any portion of a building used as a child-care facility without the consent of the manager. Nothing in this subdivision shall prevent the operator of a child-care facility in a family home from owning or possessing a firearm or a driver's license or nondriver's license containing a concealed carry endorsement;

(12) Any riverboat gambling operation accessible by the public without the consent of the owner or manager pursuant to rules promulgated by the gaming commission. Possession of a firearm in a vehicle on the premises of a riverboat gambling operation shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(13) Any gated area of an amusement park. Possession of a firearm in a vehicle on the premises of the amusement park shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(14) Any church or other place of religious worship without the consent of the minister or person or persons representing the religious organization that exercises control over the place of religious worship. Possession of a firearm in a vehicle on the premises shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(15) Any private property whose owner has posted the premises as being off-limits to concealed firearms by means of one or more signs displayed in a conspicuous place of a minimum size of eleven inches by fourteen inches with the writing thereon in letters of not less than one inch. The owner, business or commercial lessee, manager of a private business enterprise, or any other organization, entity, or person may prohibit persons holding a concealed carry endorsement from carrying concealed firearms on the premises and may prohibit employees, not authorized by the employer, holding a concealed carry endorsement from carrying concealed firearms on the property of the employer. If the building or the premises are open to the public, the employer of the business enterprise shall post signs on or about the premises if carrying a concealed firearm is prohibited. Possession of a firearm in a vehicle on the premises shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises. An employer may prohibit employees or other persons holding a concealed carry endorsement from carrying a concealed firearm in vehicles owned by the employer;

(16) Any sports arena or stadium with a seating capacity of five thousand or more. Possession of a firearm in a vehicle on the premises shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(17) Any hospital accessible by the public. Possession of a firearm in a vehicle on the premises of a hospital shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises.

2. Carrying of a concealed firearm in a location specified in subdivisions (1) to (17) of subsection 1 of this section by any individual who holds a concealed carry endorsement issued pursuant to sections 571.101 to 571.121 shall not be a criminal act but may subject the person to denial to the premises or removal from the premises. If such person refuses to leave the premises and a peace officer is summoned, such person may be issued a citation for an amount not to exceed one hundred dollars for the first offense. If a second citation for a similar violation occurs within a six-month period, such person shall be fined an amount not to exceed two hundred dollars and his or her endorsement to carry concealed firearms shall be suspended for a period of one year. If a third citation for a similar violation is issued within one year of the first citation, such person shall be fined an amount not to exceed five hundred dollars and shall have his or her concealed carry endorsement revoked and such person shall not be eligible for a concealed carry endorsement for a period of three years. Upon conviction of charges arising from a citation issued pursuant to this subsection, the court shall notify the sheriff of the county which issued the certificate of qualification for a concealed carry endorsement and the department of revenue. The sheriff shall suspend or revoke the certificate of qualification for a concealed carry endorsement and the department of revenue shall issue a notice of such suspension or revocation of the concealed carry endorsement and take action to remove the concealed carry endorsement from the individual's driving record. The director of revenue shall notify the licensee that he or she must apply for a new license pursuant to chapter 302, RSMo, which does not contain such endorsement. A concealed carry endorsement suspension pursuant to sections 571.101 to 571.121 shall be reinstated at the time of the renewal of his or her driver's license. The notice issued by the department of revenue shall be mailed to the last known address shown on the individual's driving record. The notice is deemed received three days after mailing.”; and

House Amendment No. 3

AMEND House Committee Substitute No. 2 for House Committee Substitute for House Bill Nos. 1692, 1209, 1405, 1499, 1535 & 1811, Page 49, Section 441.645, Line 4, by inserting after all of said line the following:

“452.340. 1. In a proceeding for dissolution of marriage, legal separation or child support, the court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable or necessary for the support of the child, including an award retroactive to the date of filing the petition, without regard to marital misconduct, after considering all relevant factors including:

- (1) The financial needs and resources of the child;
- (2) The financial resources and needs of the parents;
- (3) The standard of living the child would have enjoyed had the marriage not been dissolved;
- (4) The physical and emotional condition of the child, and the child's educational needs;
- (5) The child's physical and legal custody arrangements, including the amount of time the child spends with each parent and the reasonable expenses associated with the custody or visitation arrangements; and

(6) The reasonable work-related child care expenses of each parent.

2. The obligation of the parent ordered to make support payments shall abate, in whole or in part, for such periods of time in excess of thirty consecutive days that the other parent has voluntarily relinquished physical custody of a child to the parent ordered to pay child support, notwithstanding any periods of visitation or temporary physical and legal or physical or legal custody pursuant to a judgment of dissolution or legal separation or any modification thereof. In a IV-D case, the family support division may determine the amount of the abatement pursuant to this subsection for any child support order and shall record the amount of abatement in the automated child support system record established pursuant to chapter 454, RSMo. If the case is not a IV-D case and upon court order, the circuit clerk shall record the amount of abatement in the automated child support system record established in chapter 454, RSMo.

3. Unless the circumstances of the child manifestly dictate otherwise and the court specifically so provides, the obligation of a parent to make child support payments shall terminate when the child:

(1) Dies;

(2) Marries;

(3) Enters active duty in the military;

(4) Becomes self-supporting, provided that the custodial parent has relinquished the child from parental control by express or implied consent;

(5) Reaches age eighteen, unless the provisions of subsection 4 or 5 of this section apply; or

(6) Reaches age twenty-one, unless the provisions of the child support order specifically extend the parental support order past the child's twenty-first birthday for reasons provided by subsection 4 of this section.

4. If the child is physically or mentally incapacitated from supporting himself and insolvent and unmarried, the court may extend the parental support obligation past the child's eighteenth birthday.

5. If when a child reaches age eighteen, the child is enrolled in and attending a secondary school program of instruction, the parental support obligation shall continue, if the child continues to attend and progresses toward completion of said program, until the child completes such program or reaches age twenty-one, whichever first occurs. If the child is enrolled in an institution of vocational or higher education not later than October first following graduation from a secondary school or completion of a graduation equivalence degree program and so long as the child enrolls for and completes at least twelve hours of credit each semester, not including the summer semester, at an institution of vocational or higher education and achieves grades sufficient to reenroll at such institution, the parental support obligation shall continue until the child completes his or her education, or until the child reaches the age of twenty-one, whichever first occurs. To remain eligible for such continued parental support, at the beginning of each semester the child shall submit to each parent a transcript or similar official document provided by the institution of vocational or higher education which includes the courses the child is enrolled in and has completed for each term, the grades and credits received for each such course, and an official document from the institution listing the courses which the child is enrolled in for the upcoming term and the number of credits for each such course. When enrolled in at least twelve credit hours, if the child receives failing grades in half or more of his or her courseload in any one semester, payment of child support may be terminated and shall not be eligible for reinstatement. Upon request for notification of the child's grades by the noncustodial parent, the child shall produce the required documents to the noncustodial parent within thirty days of receipt of grades from the education institution. If the child fails to produce the required documents, payment of child support may terminate without the accrual of any child support arrearage and shall not be eligible for reinstatement. If the circumstances of the child manifestly dictate, the court may waive the October first deadline for enrollment required by this subsection. If the child is enrolled in such an institution, the child or parent obligated to pay support may petition the court to amend the order to direct the obligated parent to make the payments directly to the child. As used in this section, an "institution of vocational education" means any postsecondary training or schooling for which the student is assessed a fee and attends classes regularly. "Higher education" means any community college, college, or university at which the child attends classes regularly. A child who has been diagnosed with a developmental disability, as defined in section 630.005, RSMo, or whose physical disability or diagnosed health problem limits the child's ability to carry the number of credit hours prescribed in this subsection, shall remain eligible for child support so long as such child is enrolled in and attending an institution of vocational or higher education, and the child continues to meet the other requirements of this subsection. A child who is employed at least fifteen hours per week during the semester may take as few as nine credit hours per semester and remain eligible for child support so long as all other requirements of this subsection are complied with.

6. The court shall consider ordering a parent to waive the right to claim the tax dependency exemption for a child enrolled in an institution of vocational or higher education in favor of the other parent if the application of state and federal tax laws and eligibility for financial aid will make an award of the exemption to the other parent appropriate.

7. The general assembly finds and declares that it is the public policy of this state that frequent, continuing and meaningful contact with both parents after the parents have separated or dissolved their marriage is in the best interest of the child except for cases where the court specifically finds that such contact is not in the best interest of the child. In order to effectuate this public policy, a court with jurisdiction shall enforce visitation, custody and child support orders in the same manner. A court with jurisdiction may abate, in whole or in part, any past or future obligation of support and may transfer the physical and legal or physical or legal custody of one or more children if it finds that a parent has, without good cause, failed to provide visitation or physical and legal or physical or legal custody to the other parent pursuant to the terms of a judgment of dissolution, legal separation or modifications thereof. The court shall also award, if requested and for good cause shown, reasonable expenses, attorney's fees and court costs incurred by the prevailing party.

8. The Missouri supreme court shall have in effect a rule establishing guidelines by which any award of child support shall be made in any judicial or administrative proceeding. Said guidelines shall contain specific, descriptive and numeric criteria which will result in a computation of the support obligation. The guidelines shall address how the amount of child support shall be calculated when an award of joint physical custody results in the child or children spending substantially equal time with both parents. The Missouri supreme court shall publish child support guidelines and specifically list and explain the relevant factors and assumptions that were used to calculate the child support guidelines. Any rule made pursuant to this subsection shall be reviewed by the promulgating body not less than once every four years to ensure that its application results in the determination of appropriate child support award amounts.

9. There shall be a rebuttable presumption, in any judicial or administrative proceeding for the award of child support, that the amount of the award which would result from the application of the guidelines established pursuant to subsection 8 of this section is the correct amount of child support to be awarded. A written finding or specific finding on the record in a judicial or administrative proceeding that the application of the guidelines would be unjust or inappropriate in a particular case, after considering all relevant factors, including the factors set out in subsection 1 of this section, is required if requested by a party and shall be sufficient to rebut the presumption in the case. The written finding or specific finding on the record shall detail the specific relevant factors that required a deviation from the application of the guidelines.

10. Pursuant to this or any other chapter, when a court determines the amount owed by a parent for support provided to a child by another person, other than a parent, prior to the date of filing of a petition requesting support, or when the director of the family support division establishes the amount of state debt due pursuant to subdivision (2) of subsection 1 of section 454.465, RSMo, the court or director shall use the guidelines established pursuant to subsection 8 of this section. The amount of child support resulting from the application of the guidelines shall be applied retroactively for a period prior to the establishment of a support order and the length of the period of retroactivity shall be left to the discretion of the court or director. There shall be a rebuttable presumption that the amount resulting from application of the guidelines under subsection 8 of this section constitutes the amount owed by the parent for the period prior to the date of the filing of the petition for support or the period for which state debt is being established. In applying the guidelines to determine a retroactive support amount, when information as to average monthly income is available, the court or director may use the average monthly income of the noncustodial parent, as averaged over the period of retroactivity, in determining the amount of presumed child support owed for the period of retroactivity. The court or director may enter a different amount in a particular case upon finding, after consideration of all relevant factors, including the factors set out in subsection 1 of this section, that there is sufficient cause to rebut the presumed amount.

11. The obligation of a parent to make child support payments may be terminated as follows:

(1) Provided that the **state case registry** or child support order contains the child's date of birth, the obligation shall be deemed terminated without further judicial or administrative process when the child reaches age twenty-one if the child support order does not specifically require payment of child support beyond age twenty-one for reasons provided by subsection 4 of this section;

(2) The obligation shall be deemed terminated without further judicial or administrative process when the parent receiving child support furnishes a sworn statement or affidavit notifying the obligor parent of the child's emancipation in accordance with the requirements of subsection 4 of section 452.370, and a copy of such sworn statement or affidavit is filed with the court which entered the order establishing the child support obligation, or the **family support division [of child support enforcement] for an order entered pursuant to section 454.470;**

(3) The obligation shall be deemed terminated without further judicial or administrative process when the parent paying child support files a sworn statement or affidavit with the court which entered the order establishing the child support obligation, or the family support division **for an order entered pursuant to section 454.470**, stating that the child is emancipated and reciting the factual basis for such statement; which statement or affidavit is served by the court or division, **as applicable**, on the child support obligee; and which is either acknowledged and affirmed by the

child support obligee in writing, or which is not responded to in writing within thirty days of receipt by the child support obligee;

(4) The obligation shall be terminated as provided by this subdivision by the court which entered the order establishing the child support obligation, or the family support division **for an order entered pursuant to section 454.470**, when the parent paying child support files a sworn statement or affidavit with the court which entered the order establishing the child support obligation, or the family support division, **as applicable**, stating that the child is emancipated and reciting the factual basis for such statement; and which statement or affidavit is served by the court or division, **as applicable**, on the child support obligee. If the obligee denies the statement or affidavit, the court or division shall thereupon treat the sworn statement or affidavit as a [motion to modify the support obligation pursuant to section 452.370 or section 454.496, RSMo,] **request for hearing** and shall proceed to hear and adjudicate such [motion] **request for hearing** as provided by law; provided that the court may require the payment of a deposit as security for court costs and any accrued court costs, as provided by law, in relation to such [motion to modify.] **request for hearing. When the division receives a request for hearing, the hearing shall be held in the manner provided by section 454.475.**

12. The court may enter a judgment terminating child support pursuant to subdivisions (1) to (3) of subsection 11 of this section without necessity of a court appearance by either party. The clerk of the court shall mail a copy of a judgment terminating child support entered pursuant to subsection 11 of this section on both the obligor and obligee parents. The supreme court may promulgate uniform forms for sworn statements and affidavits to terminate orders of child support obligations for use pursuant to subsection 11 of this section and subsection 4 of section 452.370.”; and

Further amend said bill, Page 54, Section 454.425, Line 57, by inserting after all of said line the following:

“454.475. 1. Hearings provided for in this section shall be conducted pursuant to chapter 536, RSMo, by administrative hearing officers designated by the Missouri department of social services. The hearing officer shall provide the parents, the person having custody of the child, or other appropriate agencies or their attorneys with notice of any proceeding in which support obligations may be established or modified. The department shall not be stayed from enforcing and collecting upon the administrative order during the hearing process and during any appeal to the courts of this state, unless specifically enjoined by court order.

2. If no factual issue has been raised by the application for hearing, or the issues raised have been previously litigated or do not constitute a defense to the action, the director may enter an order without an evidentiary hearing, which order shall be a final decision entitled to judicial review as provided in sections 536.100 to 536.140, RSMo.

3. After full and fair hearing, the hearing officer shall make specific findings regarding the liability and responsibility, if any, of the alleged responsible parent for the support of the dependent child, and for repayment of accrued state debt or arrearages, and the costs of collection, and shall enter an order consistent therewith. In making the determination of the amount the parent shall contribute toward the future support of a dependent child, the hearing officer shall [use the scale and formula for minimum support obligations established by the department pursuant to section 454.480] **consider the factors set forth in section 452.340.**

4. If the person who requests the hearing fails to appear at the time and place set for the hearing, upon a showing of proper notice to that parent, the hearing officer shall enter findings and order in accordance with the provisions of the notice and finding of support responsibility unless the hearing officer determines that no good cause therefor exists.

5. In contested cases, the findings and order of the hearing officer shall be the decision of the director. Any parent or person having custody of the child adversely affected by such decision may obtain judicial review pursuant to sections 536.100 to 536.140, RSMo, by filing a petition for review in the circuit court of proper venue within thirty days of mailing of the decision. Copies of the decision or order of the hearing officer shall be mailed to any parent, person having custody of the child and the division within fourteen days of issuance.

6. If a hearing has been requested, and upon request of a parent, a person having custody of the child, the division or a IV-D agency, the director shall enter a temporary order requiring the provision of child support pending the final decision or order pursuant to this section if there is clear and convincing evidence establishing a presumption of paternity pursuant to section 210.822, RSMo. In determining the amount of child support, the director shall consider the factors set forth in section 452.340, RSMo. The temporary order, effective upon filing pursuant to section 454.490, is not subject to a hearing pursuant to this section. The temporary order may be stayed by a court of competent jurisdiction only after a hearing and a finding by the court that the order fails to comply with rule 88.01.”; and

Further amend said bill, Page 54, Section 454.515, Line 21, by inserting after all of said line the following:

“454.517. 1. The director, IV-D agency or the obligee may cause a lien for unpaid and delinquent child or spousal support to be placed upon any workers' compensation benefits payable to an obligor delinquent in child or spousal support payments.

2. No such lien shall be effective unless and until a written notice is filed with the director of the division of workers' compensation. The notice shall contain the name and address of the delinquent obligor, the Social Security number of the obligor, if known, the name of the obligee, and the amount of delinquent child or spousal support.

3. Notice of lien shall not be filed unless the delinquent child or spousal support obligation exceeds one hundred dollars.

4. Any person or persons, firm or firms, corporation or corporations, including an insurance carrier, making any payment of workers' compensation benefits to such obligor or to such obligor's attorneys, heirs or legal representative, after receipt of such notice, as defined in subsection 5 of this section, shall be liable to the obligee or, if support has been assigned pursuant to subsection 2 of section 208.040, RSMo, to the state or IV-D agency in an amount equal to the lesser of the workers' compensation benefits paid or delinquent child or spousal support. In such event, the lien may be enforced by a suit at law against any person or persons, firm or firms, corporation or corporations making the workers' compensation benefit payment.

5. Upon the filing of a notice pursuant to this section, the director of the division of workers' compensation shall mail to the obligor and to all attorneys and insurance carriers of record, a copy of the notice. The obligor, attorneys and insurance carriers shall be deemed to have received the notice within five days of the mailing of the notice by the director of the division of workers' compensation. The lien described in this section shall attach to all workers' compensation benefits which are thereafter payable.

6. A notice issued by the IV-D agency of this state shall advise the obligor of the procedures to contest the lien pursuant to section 454.475 on the grounds that such lien is improper due to a mistake of fact by requesting a hearing within thirty days of the mailing date of the notice. At such a hearing the certified copy of the court order and the sworn or certified statement of arrearages shall constitute prima facie evidence that the director's order is valid and enforceable. If a prima facie case is established, the obligor may only assert mistake of fact as a defense. For purposes of this section, "mistake of fact" means an error in the amount of the overdue support or an error as to the identity of the obligor. The obligor shall have the burden of proof on such issues.

[6.] 7. In cases which are not IV-D cases, to cause a lien pursuant to the provisions of this section the obligee or the obligor's attorney shall file notice of the lien with the lienholder or payor. This notice shall have attached a certified copy of the court order with all modifications and a sworn statement by the obligee or a certified statement from the court attesting to or certifying the amount of arrearages.”; and

Further amend said bill, Page 54, Section 454.548, Line 5, by inserting after all of said line the following:

“454.557. 1. A current support obligation shall not be recorded in the records maintained in the automated child support system in the following cases:

(1) In a IV-D case with a support order pursuant to section 454.465 or 454.470 when the division determines that payments for current support are no longer due and should no longer be made to the payment center. The division shall notify by first class mail the obligor and obligee under the support orders that payments shall no longer be made to the payment center, and any withholding of income shall be terminated unless it is subsequently determined by the division or court having jurisdiction that payments will continue. The division's determination shall terminate the division's support order, but shall not terminate any obligation of support established by court order. The obligor and obligee may contest the decision of the division to terminate the division's support order by requesting a hearing within thirty days of the mailing of the notice provided pursuant to this section. The hearing shall comply with the provisions of section 454.475;

(2) In [a] **all [IV-D case] cases** with a support order entered by a court when the court that issued the support order terminates such order [and notifies the division]. The division shall also cease enforcing the order if no past support is due; or

(3) In all cases when the [child is twenty-two years of age, unless a court orders support to continue. The obligor or obligee may contest the decision of the division to terminate accruing support orders by requesting a hearing within thirty days of the mailing of notice by the division. The hearing shall comply with the provisions of section 454.475. The issue at the hearing, if any, shall be limited to a mistake of fact as to the age of the child or the existence of a court order requiring support after the age of twenty-two] **obligation of a parent to make child support payments is deemed terminated pursuant to subdivisions (1) to (4) of subsection 11 of section 452.340.**

2. Nothing in this section shall affect or terminate the amount due for unpaid past support.

454.1003. 1. A court or the director of the division of child support enforcement may issue an order, or in the case of a business, professional or occupational license, only a court may issue an order, suspending an obligor's license and ordering the obligor to refrain from engaging in a licensed activity in the following cases:

(1) When the obligor is not making child support payments in accordance with a [court] **support** order and owes an arrearage in an amount greater than or equal to three months support payments or two thousand five hundred dollars, whichever is less, as of the date of service of a notice of intent to suspend such license; or

(2) When the obligor or any other person, after receiving appropriate notice, fails to comply with a subpoena of a court or the director concerning actions relating to the establishment of paternity, or to the establishment, modification or enforcement of support orders, or order of the director for genetic testing.

2. In any case but a IV-D case, upon the petition of an obligee alleging the existence of an arrearage, a court with jurisdiction over the support order may issue a notice of intent to suspend a license. In a IV-D case, the director, or a court at the request of the director, may issue a notice of intent to suspend.

3. The notice of intent to suspend a license shall be served on the obligor personally or by certified mail. If the proposed suspension of license is based on the obligor's support arrearage, the notice shall state that the obligor's license shall be suspended sixty days after service unless, within such time, the obligor:

(1) Pays the entire arrearage stated in the notice;

(2) Enters into and complies with a payment plan approved by the court or the division; or

(3) Requests a hearing before the court or the director.

4. In a IV-D case, the notice shall advise the obligor that hearings are subject to the contested case provisions of chapter 536, RSMo.

5. If the proposed suspension of license is based on the alleged failure to comply with a subpoena relating to paternity or a child support proceeding, or order of the director for genetic testing, the notice of intent to suspend shall inform the person that such person's license shall be suspended sixty days after service, unless the person complies with the subpoena or order.

6. If the obligor fails to comply with the terms of repayment agreement, a court or the division may issue a notice of intent to suspend the obligor's license.

7. In addition to the actions to suspend or withhold licenses pursuant to this chapter, a court or the director of the division of child support enforcement may restrict such licenses in accordance with the provisions of this chapter.”; and

“537.528. 1. Any action [seeking money damages] against a person for conduct or speech undertaken or made in connection with a public hearing or public meeting, in a quasi-judicial proceeding before a tribunal or decision-making body of the state or any political subdivision of the state is subject to a special motion to dismiss, motion for judgment on the pleadings, or motion for summary judgment that shall be considered by the court on a priority or expedited basis to ensure the early consideration of the issues raised by the motion and to prevent the unnecessary expense of litigation. Upon the filing of any special motion described in this subsection, all discovery shall be suspended pending a decision on the motion by the court and the exhaustion of all appeals regarding the special motion.

2. If the rights afforded by this section are raised as an affirmative defense and if a court grants a motion to dismiss, a motion for judgment on the pleadings or a motion for summary judgment filed within ninety days of the filing of the moving party's answer, the court shall award reasonable attorney fees and costs incurred by the moving party in defending the action. If the court finds that a special motion to dismiss or motion for summary judgment is frivolous

or solely intended to cause unnecessary delay, the court shall award costs and reasonable attorney fees to the party prevailing on the motion.

3. Any party shall have the right to an expedited appeal from a trial court order on the special motions described in subsection 2 of this section or from a trial court's failure to rule on the motion on an expedited basis.

4. As used in this section, a "public meeting in a quasi-judicial proceeding" means and includes any meeting established and held by a state or local governmental entity, including without limitations meetings or presentations before state, county, city, town or village councils, planning commissions, review boards or commissions.

5. Nothing in this section limits or prohibits the exercise of a right or remedy of a party granted pursuant to another constitutional, statutory, common law or administrative provision, including civil actions for defamation.

6. If any provision of this section or the application of any provision of this section to a person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

7. The provisions of this section shall apply to all causes of actions.”; and

“66.010. 1. Any county framing and adopting a charter for its own government under the provisions of section 18, article VI of the constitution of this state, may prosecute and punish violations of its county ordinances in the circuit court of such counties in the manner and to the extent herein provided or in a county municipal court. In addition, the county may prosecute and punish municipal ordinance violations in the county municipal court pursuant to a contract with any municipality within the county. Any county municipal court established pursuant to the provisions of this section shall have jurisdiction over violations of that county's ordinances and the ordinances of municipalities with which the county has a contract to prosecute and punish violations of municipal ordinances of the city. Costs and procedures in any such county municipal court shall be governed by the provisions of law relating to municipal ordinance violations in municipal divisions of circuit courts.

2. In any county which has elected to establish a county municipal court pursuant to this section, the judges for such court shall be appointed by the county executive of such county, subject to confirmation by the legislative body of such county in the same manner as confirmation for other county appointed officers. The number of judges appointed, and qualifications for their appointment, shall be established by ordinance of the county.

3. The number of divisions of such county municipal court and its term shall be established by ordinance of the county.

4. Except in any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, the ordinance of the county shall provide for regular sessions of court in the evening hours after 6:00 p.m. and at locations outside the county seat. In any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, the ordinance of the county may provide for regular sessions of court in the evening hours after 6:00 p.m. and at locations outside the county seat.

5. Judges of the county municipal court shall be licensed to practice law in this state and shall be residents of the county in which they serve. Municipal court judges shall not accept or handle cases in their practice of law which are inconsistent with their duties as a municipal court judge and **full-time municipal judges** shall not be a judge or prosecutor for any other court.

6. **Whenever any judge of the county municipal court shall become temporarily ill or otherwise unavailable, any county municipal court judge may appoint an acting county municipal court judge to take his or her place on a temporary basis. The acting county municipal court judge appointed shall be a person who already serves as a municipal court judge within the same judicial circuit. The provisions of subsection 5 of this section shall not apply to acting county municipal court judges.**

7. In establishing the county municipal court, provisions shall be made for appropriate circumstances whereby defendants may enter not guilty pleas and obtain trial dates by telephone or written communication without personal appearance, or to plead guilty and deliver by mail or electronic transfer or other approved method the specified amount of the fine and costs as otherwise provided by law, within a specified period of time.

[7.] 8. In a county municipal court established pursuant to this section, the county may provide by ordinance for court costs not to exceed the sum which may be provided by municipalities for municipal violations before municipal courts. The county municipal judge may assess costs against a defendant who pleads guilty or is found guilty except in those cases where the defendant is found by the judge to be indigent and unable to pay the costs. The costs authorized in this subsection are in addition to service costs, witness fees and jail costs that may otherwise be authorized to be assessed, but are in lieu of other court or judge costs or fees. Such costs shall be collected by the authorized clerk and deposited into the county treasury.

[8.] 9. Provisions shall be made for recording of proceedings, except that if such proceedings are not recorded, then, in that event, a person aggrieved by a judgment of a traffic judge or commissioner shall have the right of a trial de novo. The procedures for perfecting the right of a trial de novo shall be the same as that provided under sections 512.180 to 512.320, RSMo, except that the provisions of subsection 2 of section 512.180, RSMo, shall not apply to such cases. In the event that such proceedings are recorded, all final decisions of the county municipal court shall be appealable on such record to the appellate court with appropriate jurisdiction.

[9.] 10. Any person charged with the violation of a county ordinance in a county which has established a county municipal court under the provisions of this section shall, upon request, be entitled to a trial by jury before a county municipal court judge. Any jury trial shall be heard with a record being made.

[10.] 11. In the event that a court is established pursuant to this section, the circuit judges of the judicial circuit with jurisdiction within that county may authorize the judges of the county municipal court to act as commissioners to hear in the first instance nonfelony violations of state law involving motor vehicles as provided by local rule.”; and

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

THIRTY-SIXTH DAY, WEDNESDAY, MARCH 17, 2010

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

O Lord, O Lord, how excellent is Your name in all the earth. Lord God, we give thanks for the way You have provided for our spiritual, material and emotional needs.

Lord, lead us, daily, so that we can be wise in our financial discussions and decisions. Keep us away from unwise thoughts, counsel or emotion-based considerations. Help us to consider well the work of our hand and the words of our mouth.

We understand that at times, our options are limited and state of affairs seems dismal, but we look to You, seeking Your wisdom and insight. Our hope is in You.

It was once said, "Tough times never last, but tough people do!" Give us strength to endure and overcome the tough times and open our eyes to see the obvious.

Now may You, God of peace, make us complete in every good work to do Your will, working in us what is well pleasing in Your sight. To You be glory forever and ever.

In the name of Your Son, I pray. Amen.

(Excerpts from "Proverb Prayers")

MESSAGE FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 34**.

SENATE CONCURRENT RESOLUTION NO. 34

WHEREAS, in the American system, sovereignty is defined as final authority, and the people, not government, are sovereign; and

WHEREAS, the people of the state of Missouri are not united with the people of the other forty-nine states that comprise the United States of America on a principle of unlimited submission to their federal government; and

WHEREAS, all power not delegated by the people to government is retained; and

WHEREAS, the people of the several states comprising the United States of America created the federal government to be their agent for certain enumerated purposes only; and

WHEREAS, the Tenth Amendment to the Constitution of the United States reads as follows: "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people"; and

WHEREAS, the Tenth Amendment defines the total scope of federal power as being that which has been delegated by the people to the federal government in the Constitution of the United States, and also that which is necessary and proper to advancing those enumerated powers; with the rest being left to state governments or the people themselves; and

WHEREAS, powers, too numerous to list for the purposes of this resolution, have been exercised, past and present, by federal administrations, under the leadership of both Democrats and Republicans, which infringe on the sovereignty of the people of this state, and may further violate the Constitution of the United States; and

WHEREAS, when powers are assumed by the federal government which have not been delegated to it by the people, a nullification of the act is the rightful remedy; that without this remedy, the people of Missouri would be under the dominion, absolute and unlimited, of whoever might exercise this right of judgment for them:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby affirm the sovereignty of the people of Missouri under the Tenth Amendment to the Constitution of the United States over all powers not otherwise delegated to the federal government by the Constitution of the United States; and

BE IT FURTHER RESOLVED that this resolution shall serve as a notice and demand to the federal government to cease and desist any and all activities outside the scope of their constitutionally-delegated powers; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare a properly inscribed copy of this resolution for the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and each member of the Missouri congressional delegation.

In which the concurrence of the House is respectfully requested.

HOUSE CONCURRENT RESOLUTION NO. 63

WHEREAS, baseball players called him "Skip" because John Jordan "Buck" O'Neil was the captain of the ship that sent more Negro League veterans ashore to the white Majors than any man in baseball history; and

WHEREAS, Buck O'Neil played briefly in 1937 with the Memphis Red Sox and debuted as a first baseman for the Kansas City Monarchs in 1938. In 1942, O'Neil led the Monarchs to a Negro American League title, hitting .353 during the Negro World Series in the Monarchs four-game sweep of the Homestead Grays; and

WHEREAS, O'Neil's achievements included being named to the East-West All-Star Classic in 1942, 1943, and 1949, managing the West squad in 1950, 1953, 1954, and 1955, and playing for the 1946 Satchel Paige All Stars; and

WHEREAS, in 1944, O'Neil enlisted for a two-year stint with the United States Navy, briefly interrupted his playing career. He returned to the Monarchs in 1946, admitting that he regretted the fact that he was not a member of the Monarchs in 1945 when the great Jackie Robinson played in Kansas City before signing with the Brooklyn Dodgers; and

WHEREAS, in 1948, O'Neil succeeded Frank Duncan as manager of the Kansas City Monarchs, continuing to manage the team until 1955. He guided the Monarchs to league titles in 1948, 1950, 1951, and 1953; and

WHEREAS, in 1956, O'Neil was hired by the Chicago Cubs as a scout, helping the team sign future Hall of Famer Lou Brock, and superstars Oscar Gamble, Lee Smith, and Joe Carter;

WHEREAS, O'Neil's greatest achievement came in 1962 when he became the first African-American coach in the Major Leagues with the Cubs. After 33 years as a Cubbie, he returned home in 1988 to scout for the Kansas City Royals; and

WHEREAS, in 1990, O'Neil began raising money for a museum to preserve and celebrate the history of the Negro Leagues. His efforts led to the opening of the Negro League Baseball Museum in Kansas City, serving as Chair of the Board of Directors from 1990 until his death in 2006. O'Neil also served on the Veterans' Committee of the National Baseball Hall of Fame, was posthumously awarded the Presidential Medal of Freedom, and is a member of the Missouri Sports Hall of Fame; and

WHEREAS, O'Neil gained national prominence with his compelling descriptions of the Negro Leagues as part of Ken Burns' 1994 PBS documentary on baseball; and

WHEREAS, on April 2, 2007, the Kansas City Royals honored O'Neil by placing a fan in the Buck O'Neil Legacy Seat in Kauffman Stadium each game who best exemplifies O'Neil's spirit. The seat is a red seat amidst the all-blue seats behind home plate in Section 127, Seat 9, Row C. The first person to sit in "Buck's seat" was Buck O'Neil's brother, Warren; and

WHEREAS, Buck O'Neil will be remembered as the first African-American coach in Major League Baseball and as one of the finest players in the Negro Leagues. Through his willingness to share his memories of the Negro Leagues, fans everywhere have a greater understanding and deeper appreciation for a significant period in baseball history:

NOW, THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-fifth General Assembly, Second Regular Session, the Senate concurring therein, hereby designate November 13, 2010, as "Buck O'Neil Day" in Missouri and recommends to the people of the state that the day be appropriately observed with activities, events, and ceremonies in honor of the first African-American coach in Major League Baseball; and

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

THIRTY-NINTH DAY, MONDAY, MARCH 22, 2010

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

God, You're our refuge and strength, a very present help in trouble. As a result, we take comfort in You and will not fear, even though we hear daily of earthquakes, wars, raging waters and faltering monetary systems.

You have instructed us in Your Word, to "Call to Me and I will answer you. I'll tell you marvelous and inexplicable things that you could never figure out on your own."

LORD, we cry out to You; Make haste to us! Give ear to our voice when we cry out to You. Let our prayer be set before You as incense, the lifting up of our hands as the evening sacrifice. Set a guard, O LORD, over our mouth; keep watch over the door of our lips.

And when we hear, help us to obey without hesitation or compromise. Guide us through this week and the coming weeks as we seek solutions to tough problems.

Now, may You, Heavenly Father, Who has loved us and given us eternal encouragement and good hope by grace, encourage our hearts and strengthen us in every good work and word.

In the name of Your Son, I pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Isabella Elaine Wilson, Lillianna Marie Wilson, Nelson McCracken, Will McCracken and Yvonne (Punkin) Foreman.

The Journal of the thirty-seventh day was approved as corrected.

FORTIETH DAY, TUESDAY, MARCH 23, 2010

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Msgr. Donald W. Lammers.

Almighty God, we thank You for springtime, with its steady increase of daylight. We thank You for the warm sunshine, nurturing the greening of lawns and landscapes, fields and forests.

We pray for our nation, as the health care legislation passed on Sunday is signed into law today. May Your divine power guide those who continue to be passionately concerned about this legislation and those responsible for its implementation, so that it leads to good outcomes for our people and for our nation as a whole.

Lord God, inspire us who are responsible in any way for human law to bow always before Your divine law.

To You be glory and praise forever. Amen.

FORTY-FIRST DAY, WEDNESDAY, MARCH 24, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Reverend James Earl Jackson.

Lord, God, You are highly exalted, glorious beyond our understanding. Often our words fall woefully short and betray our ignorance of Who You are and Your explicit intentions for us.

Heavenly Father, we thank You for Your kindness and mercy which You have graciously showered upon us. We humbly approach You with reverence and awe. May not a day pass that we do not welcome Your grace, mercy, compassion and love.

It has been rightfully said that the kingdom of self is heavily defended territory. If we have, in the past, vigorously defended self, forgive us and help us now to passionately consider and defend the rights and purposes of this state and our constituents.

When asked to do the difficult, the tendency is to shrink back and look for easy paths. May we instead, by Your grace, rise to the challenge and with patience, together, find solutions to the challenges we face. We very much need Your help.

Now may the Lord, our God, who has loved us and given us everlasting consolation and good hope by grace, comfort our hearts and establish us in every good word and work.

In the name of Your Son, I pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Devyn Miller, Joshua Carr, Lauren Faulkner, Colin Carter, Neha Jayan, Josh Simelbauer and Ashley Cook.

The Journal of the fortieth day was approved as corrected.

MESSAGE FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 33**.

SENATE CONCURRENT RESOLUTION NO. 33

WHEREAS, a strong national economy and the financial well-being of millions of citizens in Missouri and across America are dependent upon the continued financial vitality of our small businesses and family farms; and

WHEREAS, the economic viability of our small businesses and family farms is directly tied to the ability of our state and the nation's community depository financial institutions to provide needed credit and to permit their borrowers to restructure existing debt in a responsible and reasonable manner; and

WHEREAS, problems which now pervade our economy but are expected to be transitory in nature have placed severe financial pressure on a number of small businesses and family farms and have, in turn, resulted in escalating levels of loan defaults and depressed property values; and

WHEREAS, these economic difficulties combined with a harsher examination environment and increases in required capitalization levels by regulators have made it extremely difficult, and often impossible, for community depository institutions to maintain their capital at levels currently mandated by their regulators without severely limiting the ability of many of these community depository institutions to continue to make the same levels of credit available as prior to this period of economic distress; and

WHEREAS, the foregoing have had and are continuing to have spiraling downward effects on the ability of many small businesses and family farms to remain viable employers and strong components of our state's and the nation's economies; and

WHEREAS, under difficult economic conditions which occurred in the late 1980's, federal and state agencies that regulate community depository institutions developed appropriate capital forbearance, trouble debt restructuring accounting practices, and other policies to assist those institutions that were well-managed; and

WHEREAS, these measures were undertaken to ensure that these community depository institutions remained viable sources of financial strength for their communities and to assist them in providing borrowers reasonable and responsible allocations of credit so as to enable deserving borrowers to weather temporary economic pressures, maintain access to reliable sources of credit, and remain as important sources of employment and economic strength, and

WHEREAS, members of Congress are increasingly recognizing the need for regulatory forbearance to support community depository institution lending throughout our country, as well as to support the small business and family farm customers of community depository institutions. To date, this recognition has been in the form of numerous Congressional hearings and meetings with community depository institutions and their federal depository institution regulators, as well as in the form of the recent House Resolution introduced by Representative Coffman (CO-R); and originally co-sponsored by Representatives Perlmutter (CO-D) and Luetkemeyer (MO-R); the letter to the federal depository institution regulators from Representatives Frank (MA-D) and Minnick (ID-D); and the letter to the federal depository institution regulators from Representative Skelton (MO-D) all calling for regulatory forbearance, temperance, and measured oversight of community depository institutions so as to not unduly restrict access to credit:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby encourage the Congress of the United States to urge the Office of the Comptroller of the Currency, the Federal Deposit Insurance Corporation, the Federal Reserve Board, and all other agencies, state and federal, that regulate the conduct and affairs of community depository institutions, to develop appropriate policies that will:

(1) Permit well-managed community depository institutions to temporarily maintain capital at levels less than that currently required, conditioned upon the submission and regulatory approval of an appropriate plan to restore capital levels by a date certain as determined by the appropriate agencies; and

(2) Permit well-managed community depository institutions to temporarily account for troubled debt restructuring in a manner which allows a loan to continue to be carried on the institution's books without loss recognition if the loan is formally restructured in a manner so that it is probable that the borrower can repay the loan under the new terms and that the total future cash payments at least equal the loan amount on the institution's books; and

(3) Ensure that field examiners are not inappropriately classifying loans based on judgments about, or relationship of, various types of loans, to currently stressed sectors of the economy apart from the ability of the loans to show likelihood of repayment based on positive cash flows, ample amounts of collateral, and other mitigating factors; and

(4) Include such additional temporary accommodations for well-managed community depository institutions as the agencies determine are appropriate, including regulatory forbearance similar to that provided in the 1980's, to assist those institutions in remaining vital sources of financial strength for their communities, while maintaining needed standards to assure the continued financial integrity of those institutions and communities.

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the Office of the Comptroller of the Currency, the Federal Deposit Insurance Corporation, the Federal Reserve Board, and the members of the Missouri congressional delegation.

In which the concurrence of the House is respectfully requested.

HOUSE CONCURRENT RESOLUTIONS

HCS HCRs 25, 29 & 39, (3-4-10, Pages 459-460) - Guest

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FORTY-SECOND DAY, THURSDAY, MARCH 25, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Msgr. Donald W. Lammers.

Give thanks to the Lord for He is good; His mercy endures forever.

Almighty God, we thank You for inspiring us to care deeply about the well-being of others. You teach us that by serving them, we serve You. We thank You for all the people who deliver direct services to those in need, work hard and contribute so much to the lives of others.

We ask, for ourselves, the gifts of wisdom and right judgment, that we might do our part in distributing the resources of our State in justice and equity through a healthy budget.

We pray that after this day's work we might receive the blessing of a restful weekend, strengthening us to continue the work of this body in the coming week.

To You be honor and thanksgiving forever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Anneka Lewis, Jeremiah Parker, Rebecca Sweaney, Taylor Sayre, Seth Faulkner, Chandler Trowbridge, Tanner Cobb and John Robert Young.

The Journal of the forty-first day was approved as corrected.

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FORTY-THIRD DAY, MONDAY, MARCH 29, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Reverend James Earl Jackson.

Lord God, You are our shield, our glory, and our only hope. You alone can lift our head, now bowed in humiliation and disgust.

You have instructed us in Your Word to, "Call to Me and I will answer you. I'll tell you marvelous and inexplicable things that you could never figure out on your own."

LORD, we cry out to You. We recognize that our vision is clouded and we must have clarity to bring solutions to our economic crisis. We are a people without a voice looking for an acceptable mouthpiece to help articulate our thoughts. We are a people without hearing, unable to receive the suggestions of others. We are a people without mobility, hindered from reaching our desired destinations. Have mercy on us. Be our eyes, ears, and mouth. We look expectantly to You.

Help us to pause, to take a breath and to calmly proceed with the business at hand. May we consider one another and the needs of others before ourselves. May we hold one another in high regard and honor.

Heavenly Father, if we, as individuals, are a stumbling block to finding smart solutions to the current issues before us, reveal this and help us to step aside to allow for a free flow of thought, respectful disagreement and debate.

Now, may You, Heavenly Father, who has loved us and given us eternal encouragement and good hope by grace, encourage our hearts and strengthen us in every good work and word.

In the name of Your Son, I pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-second day was approved as corrected.

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FORTY-FOURTH DAY, TUESDAY, MARCH 30, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Msgr. Donald W. Lammers.

Let us pray, in harmony with those who, yesterday, began the 40 Days of Prayer and Fasting for our lawmakers, who are dealing with difficult decisions regarding the State budget.

Holy Lord, our God, we believe that You are the one God, the Almighty God, Lord of Heaven and Earth. May this faith in You unite us, hold us together as one, help us to think together, and fill us with zeal for the common good.

Keep us united enough to hear each other, to respect each other, to learn from each other, to think together, to grow in wisdom together, and finally to make correct - even if difficult - decisions together.

May Your Holy Spirit inspire us individually to pray before we speak and before we decide.

To You be glory and honor forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Abigail Laws, Hannah Laws, T. J. Campbell, Tanner Streiff, Drew Streiff, Blake Molendorp, Tyler Molendorp, Dalton Buschjost, Macey Stockman, Andrea Baker, Anya Stokan, Adair Stokan and Bridget Skaggs.

“160.400. 1. A charter school is an independent public school.

2. Charter schools may be operated only in a metropolitan school district or in an urban school district containing most or all of a city with a population greater than three hundred fifty thousand inhabitants and may be sponsored by any of the following:

(1) The school board of the district;

(2) A public four-year college or university with its primary campus in the school district or in a county adjacent to the county in which the district is located, with an approved teacher education program that meets regional or national standards of accreditation;

(3) A community college located in the district; or

(4) Any private four-year college or university located in a city not within a county with an enrollment of at least one thousand students, and with an approved teacher preparation program.

3. The mayor of a city not within a county may request a sponsor under subdivision (2), (3), or (4) of subsection 2 of this section to consider sponsoring a "workplace charter school", which is defined for purposes of sections 160.400 to 160.420 as a charter school with the ability to target prospective students whose parent or parents are employed in a business district, as defined in the charter, which is located in the city.

4. No sponsor shall receive from an applicant for a charter school any fee of any type for the consideration of a charter, nor may a sponsor condition its consideration of a charter on the promise of future payment of any kind.

5. The charter school shall be a Missouri nonprofit corporation incorporated pursuant to chapter 355, RSMo. The charter provided for herein shall constitute a contract between the sponsor and the charter school.

6. As a nonprofit corporation incorporated pursuant to chapter 355, RSMo, the charter school shall select the method for election of officers pursuant to section 355.326, RSMo, based on the class of corporation selected. Meetings of the governing board of the charter school shall be subject to the provisions of sections 610.010 to 610.030, RSMo, the open meetings law.

7. 8. A charter school may affiliate with a four-year college or university, including a private college or university, or a community college as otherwise specified in subsection 2 of this section when its charter is granted by a sponsor other than such college, university or community college. Affiliation status recognizes a relationship between the charter school and the college or university for purposes of teacher training and staff development, curriculum and assessment development, use of physical facilities owned by or rented on behalf of the college or university, and other similar purposes. The primary campus of the college or university must be located within the county in which the school district lies wherein the charter school is located or in a county adjacent to the county in which the district is located. A university, college or community college may not charge or accept a fee for affiliation status.

9. The expenses associated with sponsorship of charter schools shall be defrayed by the department of elementary and secondary education retaining one and five-tenths percent of the amount of state and local funding allocated to the charter school under section 160.415, not to exceed one hundred twenty-five thousand dollars, adjusted for inflation. Such amount shall not be withheld when the sponsor is a school district or the state board of education. The department of elementary and secondary education shall remit the retained funds for each charter school to the school's sponsor, provided the sponsor remains in good standing by fulfilling its sponsorship obligations under sections 160.400 to 160.420 and 167.349, RSMo, with regard to each charter school it sponsors, including appropriate demonstration of the following:

(1) Expends no less than ninety percent of its charter school sponsorship funds in support of its charter school sponsorship program, or as a direct investment in the sponsored schools;

(2) Maintains a comprehensive application process that follows fair procedures and rigorous criteria and grants charters only to those developers who demonstrate strong capacity for establishing and operating a quality charter school;

(3) Negotiates contracts with charter schools that clearly articulate the rights and responsibilities of each party regarding school autonomy, expected outcomes, measures for evaluating success or failure, performance consequences, and other material terms;

(4) Conducts contract oversight that evaluates performance, monitors compliance, informs intervention and renewal decisions, and ensures autonomy provided under applicable law; and

(5) Designs and implements a transparent and rigorous process that uses comprehensive data to make merit-based renewal decisions.

10. No university, college or community college shall grant a charter to a nonprofit corporation if an employee of the university, college or community college is a member of the corporation's board of directors.

11. No sponsor shall grant a charter under sections 160.400 to 160.420 and 167.349, RSMo, without ensuring that a criminal background check and child abuse registry check are conducted for all members of the governing board of the charter schools or the incorporators of the charter school if initial directors are not named in the articles of incorporation, nor shall a sponsor renew a charter without ensuring a criminal background check and child abuse registry check are conducted for each member of the governing board of the charter school.

12. No member of the governing board of a charter school shall hold any office or employment from the board or the charter school while serving as a member, nor shall the member have any substantial interest, as defined in section 105.450, RSMo, in any entity employed by or contracting with the board. No board member shall be an employee of a company that provides substantial services to the charter school. All members of the governing board of the charter

school shall be considered decision-making public servants as defined in section 105.450, RSMo, for the purposes of the financial disclosure requirements contained in sections 105.483, 105.485, 105.487, and 105.489, RSMo.

13. A sponsor shall provide timely submission to the state board of education of all data necessary to demonstrate that the sponsor is in material compliance with all requirements of sections 160.400 to 160.420 and 167.349, RSMo.

14. The state board of education shall ensure each sponsor is in compliance with all requirements under sections 160.400 to 160.420 and 167.349, RSMo, for each charter school sponsored by any sponsor. The state board shall notify each sponsor of the standards for sponsorship of charter schools, delineating both what is mandated by statute and what best practices dictate. The state board, after a public hearing, may require remedial action for a sponsor that it finds has not fulfilled its obligations of sponsorship, such remedial actions including withholding the sponsor's funding and suspending for a period of up to one year the sponsor's authority to sponsor a school that it currently sponsors or to sponsor any additional school. If the state board removes the authority to sponsor a currently operating charter school, the state board shall become the interim sponsor of the school for a period of up to three years until the school finds a new sponsor or until the charter contract period lapses.

15. In the event that a charter school loses its sponsor or has its charter revoked or rescinded or the charter otherwise expires, the governing board of the charter school and the local school district where the charter school is located may enter into a contract to continue operations of the charter school as a school site of the local school district.

160.420. 1. Any school district in which charter schools may be established under sections 160.400 to 160.420 shall establish a uniform policy which provides that if a charter school offers to retain the services of an employee of a school district, and the employee accepts a position at the charter school, an employee at the employee's option may remain an employee of the district and the charter school shall pay to the district the district's full costs of salary and benefits provided to the employee. The district's policy shall provide that any teacher who accepts a position at a charter school and opts to remain an employee of the district retains such teacher's permanent teacher status and retains such teacher's seniority rights in the district for three years. The school district shall not be liable for any such employee's acts while an employee of the charter school.

2. A charter school may employ noncertificated instructional personnel; provided that no more than twenty percent of the full-time equivalent instructional staff positions at the school are filled by noncertificated personnel. All noncertificated instructional personnel shall be supervised by certificated instructional personnel. A charter school that has a foreign language immersion experience as its chief educational mission, as stated in its charter, shall not be subject to the twenty-percent requirement of this subsection but shall ensure that any teachers whose duties include instruction given in a foreign language have current valid credentials in the country in which such teacher received his or her training and shall remain subject to the remaining requirements of this subsection. The charter school shall ensure that all instructional employees of the charter school have experience, training and skills appropriate to the instructional duties of the employee, and the charter school shall ensure that a criminal background check and child abuse registry check are conducted for each employee of the charter school prior to the hiring of the employee. The charter school may not employ instructional personnel whose certificate of license to teach has been revoked or is currently suspended by the state board of education. Appropriate experience, training and skills of noncertificated instructional personnel shall be determined considering:

- (1) Teaching certificates issued by another state or states;
- (2) Certification by the National Standards Board;
- (3) College degrees in the appropriate field;
- (4) Evidence of technical training and competence when such is appropriate; and
- (5) The level of supervision and coordination with certificated instructional staff.

3. Personnel employed by the charter school shall participate in the retirement system of the school district in which the charter school is located, subject to the same terms, conditions, requirements and other provisions applicable to personnel employed by the school district. For purposes of participating in the retirement system, the charter school shall be considered to be a public school within the school district, and personnel employed by the charter school shall be public school employees. In the event of a lapse of the school district's corporate organization as described in subsections 1 and 4 of section 162.081, RSMo, personnel employed by the charter school shall continue to participate in the retirement system and shall do so on the same terms, conditions, requirements and other provisions as they participated prior to the lapse.

4. [The charter school and a local school board may agree by contract for services to be provided by the school district to the charter school. The charter school may contract with any other entity for services. Such services may include but are not limited to food service, custodial service, maintenance, management assistance, curriculum

assistance, media services and libraries and shall be subject to negotiation between the charter school and the local school board or other entity. Documented actual costs of such services shall be paid for by the charter school.

5. A charter school may enter into contracts with community partnerships and state agencies acting in collaboration with such partnerships that provide services to children and their families linked to the school.

6. A charter school shall be eligible for transportation state aid pursuant to section 163.161, RSMo, and shall be free to contract with the local district, or any other entity, for the provision of transportation to the students of the charter school.

7. (1) The proportionate share of state and federal resources generated by students with disabilities or staff serving them shall be paid in full to charter schools enrolling those students by their school district where such enrollment is through a contract for services described in this section. The proportionate share of money generated under other federal or state categorical aid programs shall be directed to charter schools serving such students eligible for that aid.

(2) A charter school district shall provide the special services provided pursuant to section 162.705, RSMo, and may provide the special services pursuant to a contract with a school district or any provider of such services.

8. A charter school may not charge tuition, nor may it impose fees that a school district is prohibited from imposing.

9. A charter school is authorized to incur debt in anticipation of receipt of funds. A charter school may also borrow to finance facilities and other capital items. A school district may incur bonded indebtedness or take other measures to provide for physical facilities and other capital items for charter schools that it sponsors or contracts with. Upon the dissolution of a charter school, any liabilities of the corporation will be satisfied through the procedures of chapter 355, RSMo.

10. Charter schools shall not have the power to acquire property by eminent domain.

11. The governing body of a charter school is authorized to accept grants, gifts or donations of any kind and to expend or use such grants, gifts or donations. A grant, gift or donation may not be accepted by the governing body if it is subject to any condition contrary to law applicable to the charter school or other public schools, or contrary to the terms of the charter.] **The instructional employees of a charter school in circumstances described in subsection 15 of section 160.400 shall continue to be employees of the governing board of the former charter school and shall not be considered employees of the local school district; however, such instructional employees shall meet all licensure and certification requirements as determined by the department to perform the duties of a public school teacher.”; and**

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FORTY-FIFTH DAY, WEDNESDAY, MARCH 31, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Reverend James Earl Jackson.

We praise You, Lord God, the preeminent One, who reigns supreme over all things in Heaven and on Earth.

Lord God, our agenda may be filled with various bills to consider, but, ultimately, only the wisdom of Your agenda will prevail. You have already been where we are going yet we neglect to ask directions. You have already declared the beginning from the end, yet we move forward with our plans. You have made everything pleasing in its time.

You have also planted eternity in our hearts and minds [a divinely implanted sense of a purpose that only You, alone, can satisfy], yet we often seek to fill that longing in ways that contradict good order, discipline and rational.

Steady our thoughts, actions and words. Desperate, we throw ourselves on You: You are God! Our times and schedules are in Your hand, safe from the outstretched hand of selfishness, pride and fiscal instability.

So teach us to understand and properly access our days, that we may gain a heart of wisdom.

Now may the Lord, our God, who has loved us and given us everlasting consolation and good hope by grace, comfort our hearts and establish us in every good word and work.

In the name of Your Son, I pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Leah Pratt, Benjamin Pratt, Ava Pratt, Alexis Roark, Grace O'Neal Schad, Harry Truman Schad, Thomas Gray, Mason Gray, Katelyn Bird, Karissa Bird, Madison Gayer and Senator Jim Lembke.

The Journal of the forty-fourth day was approved as printed.

SENATE CONCURRENT RESOLUTION NO. 51

WHEREAS, the State of Missouri contains 553 miles of the Missouri River, which borders 23 Missouri counties and over 50 Missouri communities, making it one of the State's greatest natural resources; and

WHEREAS, the General Assembly recognizes that eighteen power plants, which have the capacity to generate over 11,000 megawatts of electricity, draw cooling water from the lower Missouri River basin; and

WHEREAS, over half of Missouri citizens get their drinking water from the Missouri River and its alluvium, and the State of Missouri has constructed infrastructure to support water supply in the lower Missouri River with the understanding that reliable navigation flows would be maintained in the future; and

WHEREAS, Missouri is the origin or destination for over one-half of all commercial tonnage shipments on the Missouri River, with the Port of St. Louis, just downstream from where the Missouri enters the Mississippi River, being one of the largest inland ports in the United States; and

WHEREAS, the Missouri River is a vital link in the State of Missouri's total transportation system and the General Assembly wishes to maximize this valuable asset in order to move freight and to support our state's economy; and

WHEREAS, barge transport allows for significant economic benefits and cost savings, since one barge can transport the same amount of freight as 16 rail cars or 70 trucks; and

WHEREAS, river transportation is the most environmentally friendly form of transporting goods and commodities, creating almost no noise pollution and emitting 35 to 60 percent fewer pollutants than either trucks or trains; and

WHEREAS, barges are also the most fuel efficient method of freight transport; barges can move one ton of cargo 576 miles per gallon of fuel, compared to 413 miles per gallon of fuel for rail cars and only 155 miles per gallon of fuel for trucks; and

WHEREAS, the General Assembly recognizes that the State of Missouri is investing more of its resources to develop and improve public ports as intermodal connectors in the state, including those on the Missouri River; and

WHEREAS, in the Flood Control Act of 1944, as amended, the United States Congress authorized the construction of the Missouri River Mainstem Reservoir System for the federal purposes of flood control and navigation, with other authorized purposes including irrigation, power, water supply, water quality and recreation; and

WHEREAS, the June 4, 2003 and August 16, 2005 decisions of the United States Court of Appeals of the Eighth Circuit confirmed that navigation and flood control are the two dominant functions of the Flood Control Act of 1944; and

WHEREAS, the Missouri River is operated in accordance with the updated Missouri River Master Water Control Manual, which contains the management plan for the River and was adopted by the United States Army Corps of Engineers in 2004; and

WHEREAS, the Missouri General Assembly recognizes that the United States Army Corps of Engineers utilized extensive public processes to complete the 2004 Missouri River Master Water Control Manual and worked to balance the needs and desires of many competing stakeholder groups in establishing the Manual's navigation guidelines; and

WHEREAS, the 2004 Missouri River Master Water Control Manual was finalized after 15 years of debate and litigation and after the expenditure of over \$35 million in federal funds; and

WHEREAS, the 2004 Missouri River Master Water Control Manual reduced the length of the navigation season, shifting a large amount of water away from navigation and other downstream uses of the Missouri River to benefit upstream uses, such as reservoir recreation; and

WHEREAS, despite the opposition of Missouri's congressional delegation, the Omnibus Appropriations Act of 2009 authorized the United States Army Corps of Engineers to conduct the Missouri River Authorized Purposes Study at a total cost of \$25,000,000, which will review the original authorized purposes from the Flood Control Act of 1944 and will determine if changes to those purposes and existing Federal water resources infrastructure may be warranted; and

WHEREAS, the United States Army Corps of Engineers began conducting the Missouri River Authorized Purposes Study in October of 2009; and

WHEREAS, the scope of the Missouri River Authorized Purposes Study, as defined by the United States Army Corps of Engineers, exceeds the scope of the Congressional authority for the study, in that the Corps intends to develop recommendations and alternatives to the authorized purposes that Congress did not request; and

WHEREAS, federal taxpayers' dollars should not be wasted to develop recommendations and alternatives that Congress did not authorize; and

WHEREAS, the Consolidated Appropriations Act of 2010 authorized the United States Department of Transportation to conduct an independent and comprehensive study and analysis at a total cost of \$2,000,000 to supplement the Missouri River Authorized Purposes Study and to develop a comprehensive understanding of the full value of river flow support to users in the Mississippi and Missouri Rivers; and

WHEREAS, the Consolidated Appropriations Act of 2010 also authorized the Missouri Department of Transportation to conduct a Missouri River Freight Corridor Study at a total cost of \$900,000, which will examine how to increase freight tonnage moved on the Missouri River, long-term development opportunities along the Missouri River corridor and ways to better use Missouri waterways to relieve infrastructure stress and congestion; and

WHEREAS, at times the Missouri River provides over sixty percent of the water in the Mississippi River that passes St. Louis; and

WHEREAS, if the navigability of the Mississippi River is negatively impacted between the confluence of the Missouri and Mississippi Rivers and the confluence of the Ohio and Mississippi Rivers, barges would no longer be able to travel from the far northern portions of the Mississippi River to the Gulf of Mexico, which would devastate the barge industry, the agricultural industry and the transportation system as a whole; and

WHEREAS, it is imperative that the Missouri River Authorized Purposes Study consider Mississippi River navigation when evaluating if changes to the authorized purposes are warranted:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby express their continued opposition to the Missouri River Authorized Purposes Study; and

BE IT FURTHER RESOLVED that the members hereby express their opposition to the alteration of the Missouri River's primary purposes of navigation and flood control; and

BE IT FURTHER RESOLVED that the members hereby urge the Missouri's congressional delegation to actively oppose funding the Missouri River Authorized Purposes Study in future fiscal years; and

BE IT FURTHER RESOLVED that the members hereby urge the United States Army Corps of Engineers to narrow the scope of the Missouri River Authorized Purposes Study to make it consistent with Congressional authority; and

BE IT FURTHER RESOLVED that the members hereby urge the United States Army Corps of Engineers to include Mississippi River navigation in any evaluation of the authorized purposes under the Missouri River Authorized Purposes Study; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the United States Army Corps of Engineers and the members of the Missouri congressional delegation.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 54**.

SENATE CONCURRENT RESOLUTION NO. 54

WHEREAS, the governor in his budget plan for 2011 relied on \$300 million in funds from the federal government that have not been approved by Congress and may never come to fruition; and

WHEREAS, revenues in Missouri continue to fall well below estimates prepared by the state, forcing the governor to cut funds already appropriated by the legislature in order to balance the budget; and

WHEREAS, at the same time revenues have declined, state government has grown over the years, producing unnecessary programs and inefficient allocations of funds; and

WHEREAS, the Missouri General Assembly through careful planning must identify inefficient and unnecessary areas of government spending in order to ensure the state's resources are being put to a use that most benefits the citizens of this state:

NOW THEREFORE BE IT RESOLVED by the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby establish a Joint Interim Committee on Reducing the Size of State Government; and

BE IT FURTHER RESOLVED that the Committee shall be charged with the following:

1. Examining each department, and agency within each department, to determine programs or bureaucracies within such department that should be eliminated or reduced; and
2. Developing recommendations, strategies and plans for:
 - (1) Reducing the size of state government;
 - (2) Identifying inefficient and unnecessary uses of state funds;
 - (3) Addressing budget shortfalls; and
 - (4) Other areas that the Committee determines are vital to reducing the size of state government; and
3. Reporting its recommendations to the House Budget Committee and the Senate Appropriations Committee by December 31, 2010; and
4. Such other matters as the Joint Interim Committee may deem necessary in order to determine the proper course of future legislative and budgetary action regarding these issues; and

BE IT FURTHER RESOLVED that the Committee shall be composed of ten members, three majority party members, and two minority party members of the Senate, to be appointed by the President Pro Tem of the Senate, and three majority party members and two minority party members of the House of Representatives, to be appointed by the Speaker of the House of Representatives; and

BE IT FURTHER RESOLVED that the Joint Interim Committee is authorized to function during the legislative interim between the Second Regular Session of the Ninety-fifth General Assembly through December 31, 2010; and

BE IT FURTHER RESOLVED that the Joint Interim Committee may solicit input and information necessary to fulfill its obligations, including, but not limited to, soliciting input and information from any state department or agency the Joint Interim Committee deems relevant, political subdivisions of this State, and the general public; and

BE IT FURTHER RESOLVED that the staffs of Senate Appropriations, Senate Research, House Appropriations, House Research, and the Joint Committee on Legislative Research shall provide such legal, research, clerical, technical, and bill drafting services as the Joint Interim Committee may require in the performance of its duties; and

BE IT FURTHER RESOLVED that the actual and necessary expenses of the Joint Interim Committee, its members, and any staff assigned to the Joint Interim Committee incurred by the Joint Interim Committee shall be paid by the Joint Contingent Fund.

In which the concurrence of the House is respectfully requested.

COMMUNICATION

Mr. D. Adam Crumbliss
Chief Clerk
Missouri House of Representatives
State Capitol
Jefferson City, MO 65101

Dear Mr. Crumbliss:

Pursuant to Section 105.461, RSMo, I am hereby filing a written report of a possible personal interest in legislation on which the House of Representatives voted today.

During the past year, I and my two law partners at the Barnes Law Firm have served as general counsel to the Fraternal Order of Police. The FOP is known to be strongly opposed to and greatly affected by the issue of local control.

Therefore, I voted "present" on all amendments and the final vote for House Committee Substitute for House Bill No. 1601 sponsored by Representative Nasheed and pertaining to local control the St. Louis Police Department.

In compliance with Section 105.461, RSMo, please publish this letter in the Journal of the House. I thank you for your attention to this matter.

Sincerely,

/s/ Jason Kander

Representative Dieckhaus offered **House Amendment No. 7.**

House Amendment No. 7

AMEND House Committee Substitute No. 2 for House Bill No. 1543, Page 11, Section 161.650, Line 30, by inserting immediately after all of said line the following:

- “162.1032. 1. For purposes of this section, the following terms shall mean:**
- (1) "Department", the department of elementary and secondary education;**
 - (2) "Residency", the term as defined under section 167.020;**
 - (3) "School district", a seven director or urban school district, except for an urban school district containing most or all of a city with a population greater than three hundred fifty thousand inhabitants.**
- 2. For the school year commencing July 1, 2011, and for each succeeding school year, a parent or guardian residing in a public school district may enroll his or her child in a public school in another school district in the manner provided in this section.**
- 3. For a parent or guardian to be able to enroll his or her child in a public school in another school district, the following shall be required:**
- (1) The child shall be enrolled in and attending a public school located in Missouri; or**
 - (2) The parent or guardian has registered, or is preparing to register, the child for kindergarten or first grade.**
- 4. By January fifteenth of the preceding school year, the parent shall send notification to the school district of residence and the receiving district, on an application or forms prescribed by the department, that the parent or guardian intends to enroll his or her child in a public school in a school district other than the school district of residence. If a school district does not have sufficient capacity to enroll all pupils who submit a timely application, the school district shall institute an admissions process to ensure all applicants an equal chance of admission, except that a school district may give preference for admission to siblings of children who are already enrolled in the school district under this section.**
- 5. If a parent or guardian fails to send notification by January fifteenth as specified in subsection 4 of this section, the parent or guardian may request transfer until the third Friday in July of that calendar year, on an application or forms prescribed by the department, by sending notification to the school district of residence and the receiving district, provided that good cause exists for the failure to meet the deadline. The board of education for the receiving district shall determine if good cause exists. For purposes of this subsection, good cause shall mean:**
- (1) A change in a child's residence due to a change in family residence, a change in the marital status of the child's parent or guardian, a guardianship or custody proceeding, placement in foster care, adoption, participation in a substance abuse or mental health treatment program; or**
 - (2) A classification of the child's resident school district as unaccredited by the state board of education.**
- 6. Whenever a federal court-ordered desegregation directive exists for a school district, enrollment options under this section are subject to the approval of the court of continuing jurisdiction. The court order shall govern.**

7. An application for open enrollment may be granted at any time with the approval of the receiving district and the school district of residence. If the request is granted, the board of education of the receiving district shall notify the parent or guardian and the school district of residence within five days. The parent or guardian may withdraw the request to enroll his or her child at any time prior to the start of the school year. A request for enrollment under this section shall be valid for at least one year, and, once granted, shall not require another application until the pupil has completed all grades available in the school district.

8. Each school district shall adopt a policy for appropriate class size and teacher-pupil ratios for all grade levels. The policy may allow for a number of spaces to remain open to accommodate potential additional pupils who may reside in the district. No school district shall be required to admit pupils under this section if such admittance would violate its target class size and teacher-pupil ratio under this subsection. If a school district denies enrollment to a pupil under this section, it shall state the grounds for the denial. Each school district shall maintain records on:

- (1) The number of transfers requested into and out of the district;
- (2) The number of pupils accepted into the district; and
- (3) The number of pupils denied enrollment into the district.

9. If, after enrolling his or her child in the receiving district, the parent or guardian is dissatisfied, he or she may return his or her child to the school district of residence upon notification to both the receiving district and the school district of residence. However, the parent or guardian shall not be able to reenroll his or her child in the receiving district at a later time. If the parent or guardian desires to enroll his or her child in a school district other than the school district of residence or the initial receiving district, he or she shall follow the procedures identified in this section.

10. If a request filed under this section is for a child requiring special education under sections 162.670 to 162.999, the request to transfer to the other district shall only be granted if the individualized education program team in the receiving district verifies that:

- (1) The receiving district maintains a special education instructional program that is appropriate to meet the child's educational needs; and
- (2) The enrollment of the child in the receiving district's program would not cause the size of the class in that special education instructional program to exceed the maximum class size established in rules and regulations adopted by the state board of education or federal guidelines for that program.

11. For children requiring special education, a member of the individualized education program team in the school district of residence shall be part of the individualized education program team in the receiving district for the initial planning session or sessions. The board of education of the school district of residence shall pay to the receiving district the actual costs incurred in providing the appropriate special education.

12. The statewide assessment scores of pupils who enroll in another school district under this section shall be treated in the same manner as the scores of resident pupils in that district.

13. If a parent or guardian of a child who is participating in open enrollment under this section moves to a different school district during the course of either district's academic year, the child's first school district of residence shall be responsible for payment of the amount per pupil as calculated under subsection 14 of this section or special education costs to the receiving district for the balance of the school year in which the move occurred. The new district of residence shall be responsible for the payments during subsequent years.

14. For each pupil who enrolls in another school district under this section, the department of elementary and secondary education shall calculate the per pupil cost for the student's school district of residence and the receiving district and provide this information to the student's parent or legal guardian, the student's school district of residence, and the receiving district. If the per pupil cost is greater in the receiving district than in the student's school district of residence, the board of education of the receiving district may determine an amount to be paid by the student's parent or legal guardian, not to exceed twenty-five percent of the difference between the two districts' per pupil costs to the receiving district, or one thousand dollars, whichever is less. If the per pupil cost is greater in the student's school district of residence than in the receiving district, the board of education of the receiving district may determine an amount to be paid by the student's school district of residence to it, not to exceed twenty-five percent of the difference between the two districts' per pupil costs to the receiving district, or one thousand dollars, whichever is less. The district of residence shall also pay to the receiving district any other federal or state aid that the district receives on account of such child.

15. Payments shall be made to the receiving district from the school district of residence for a child participating in open enrollment under this section at least twice a year. If a timely payment is not made, the receiving district shall be entitled to a late charge of up to three percent a month on the amount overdue, not to exceed three months. When a payment is more than three months past due, the department, upon notice from

the receiving district, shall withhold the amount, including interest, from the school district of residence's state school aid and send payment in full to the receiving district.

16. If a request to transfer is due to a change in family residence, or where the child resides as a result of a change in a child's parents' marital status, a guardianship proceeding, placement in foster care, adoption, or participation in a substance abuse or mental health treatment program, and the child who is the subject of the request is not currently using any provision of open enrollment under this section, the parent or guardian shall have the option to keep the child enrolled in the child's original school district of residence with no interruption in the educational program. If a parent or guardian exercises this option, the child's new district of residence is not required to pay the amount calculated in subsection 14 of this section until the start of the first full year of enrollment of the child.

17. In a public school district that qualified for a small schools grant under section 163.044, the addition of up to five percent average daily attendance attributable to open enrollment under this section shall not disqualify the district for the grant. A decrease of less than five percent from the average daily attendance used to determine qualification for the grant that is attributable to open enrollment shall not qualify a school district for the grant.

18. Notwithstanding sections 167.131 and 167.241, the parent or guardian shall be responsible for transporting the pupil to school under this section without reimbursement. A school district may provide transportation for a pupil to and from a point on an existing school bus route provided that the parent or guardian transports the pupil to and from such point. Nothing in this subsection shall be construed to prohibit a school district from voluntarily providing such transportation.

19. Participation in interscholastic athletics for students enrolling in another school district under this section shall be governed by the Missouri State High School Activities Association's requirements and eligibility criteria and standards.

20. The state board of education shall promulgate rules and regulations necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2010, shall be invalid and void.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Aull raised a point of order that **House Amendment No. 7** goes beyond the scope of the bill.

The Chair ruled the point of order not well taken.

HCS#2 HB 1543, as amended, with House Amendment No. 7, pending, was laid over.

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FORTY-EIGHTH DAY, WEDNESDAY, APRIL 7, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Reverend James Earl Jackson.

Lord God, You are merciful and compassionate - not quick to anger, but rich in loving-kindness. You are good to one and all; everything You do is covered with grace.

We cry out to You, LORD, our God, saying, "LORD, it is nothing for You to help, whether with many or with those who have no power; help us, O LORD our God, for we rest on You". We, today, and each day of this Session tackle the various bills and their amendments, making tough decisions that affect us all. Keeping that in mind, may we not find ourselves fighting against You, but instead yielding.

Guide us in our deliberations. We choose to see, know and understand everything from Your perspective. It is written, "Walk with the wise and become wise; associate with the unwise and get in trouble". May we recognize the difference between the two.

We acknowledge Your sovereignty over all. Our time, our finances, our focus, our future and our life is in Your hand.

Now may You, Lord, make us complete in every way. May we be of good comfort and of one mind. May we live in peace and may You, the God of love and peace, be with us each step of the way. The grace of our Lord and the love of God, and the communion of the Holy Spirit be with us all.

In the name of Your Son, I pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Melanie Blase, Paige Cummins, Madison Horn, Abigail Morrall, Abbie Thompson, Alexander Addison, Alex Dowil, Alijah Harrison, Peyton Munch, Tanner Sublette, Emma Foley, Heather Brown, Alex Russo, Megan Weber, Lisa Saville, Pat Powers, Leah Albers, Sarah Morgan, Olivia Rau and Maggie Schlink.

*Sun and moon, bless the Lord;
Praise and exalt him above all forever.
(Daniel 3:61-62)*

Holy Lord, our God, we thank You for the gifts of nature that sustain our very lives and give us joy.

We thank You for the work we are accomplishing this week, and ask Your grace to complete the work of this day.

We pray for the families of our State, especially those with minor children. Help the parents to be strong in love and character, that they might raise children full of health and happiness. Give us the wisdom to know how best to support the parents in the growth and education of their children and youth.

To You, Almighty God, be glory and honor forever. Amen.

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FIFTIETH DAY, MONDAY, APRIL 12, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Reverend James Earl Jackson.

Lord God, we acknowledge Your presence in our lives and in this place. May Your praise be continually in our mouth. May our soul make its boast in You, LORD, and not in ourselves. Hear us as we seek You, this day, and deliver us from all our fears.

Help us to identify and eliminate the distractions of life that could lead to disillusionment and confusion. Show us Your way; the way of truth. Teach us Your path, that we might walk in the way of wisdom and understanding.

As deadlines become imminent and pressures mount, grant us the peace that passes all understanding that would guard our hearts, thoughts, speech and actions. May emotion give way to reflection and offense to rational thought.

Grant us the will to make decisions and take actions that will benefit all those living in Missouri. May we passionately pursue and always do what is right in Your sight.

Now may You Lord bless and protect us in our coming and going. May You be pleased with our work in this place. May You be gracious to us, show us Your favor, and give us Your peace.

In the name of Your Son, I pray. Amen. *(Partially excepted from 40 Days of Revival in Missouri)*

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Jason Miller.

The Journal of the forty-ninth day was approved as printed.

House Resolution No. 1829 through House Resolution No. 1909

SECOND READING OF SENATE BILLS

SCS SB 808, SB 877, SB 971 and SB 976 were read the second time.

PERFECTION OF HOUSE BILL

HCS HB 1994, relating to excursion gambling boats, was taken up by Representative Zerr.

Representative Bringer offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 1994, Section 313.805, Page 3, Line 89, by inserting after all of said line the following:

“313.819. 1. No person who has been found guilty of or has pled guilty to the crime of nonsupport of a spouse or child under section 568.040 shall be admitted on an excursion gambling boat or in a casino in this state until such time as the person has satisfied all arrearages due.

2. The family support division within the department of social services shall provide a list to every excursion gambling boat or casino in this state containing the names of all persons known to the division who are barred from admittance on an excursion gambling boat or casino under subsection 1 of this section. Such list shall be updated by the division on at least a monthly basis and may be provided in an electronic format.

3. The restriction on admittance to excursion gambling boats and casinos in this state contained in this section is intended to operate as a remedial measure only for the sole purpose of protecting the financial support of the spouse and children in this state.

4. Any excursion gambling boat or casino that knowingly permits a person barred from admittance under subsection 1 of this section to gamble on such boat or in such casino shall be subject to a fine of one thousand dollars.

5. Any person who has been barred from admission on an excursion gambling boat under the provisions of this section who then satisfies in full all arrearages may petition the court in the county where he or she was found guilty of or pled guilty to the crime of nonsupport of a spouse or child under section 568.040 to have the court order the family support division within the department of social services to remove such person's name from the list of those who are barred from admittance and further order the family support division to notify all excursion gambling boats and casinos in this state to remove such person's name from their list of persons who are barred. The court shall grant such petition and enter such orders upon proof by the petitioner that all arrearages have been satisfied in full. If the court finds that all arrearages have not been satisfied in full the petition shall be denied.

6. If a person barred from admittance under subsection 1 of this section is admitted to the excursion gambling boat or casino and subsequently wins something of value, the excursion gambling boat or casino shall be prohibited from awarding such a person with his or her winnings or prizes and shall instead remit the full value of such winnings or prizes to the child support enforcement service of the family support division of the department of social services within fifteen calendar days. The amount of such winnings or prizes shall be awarded to the spouse or child to whom the support payment is due by the child support enforcement service of the family support division of the department of social services”; and

Further amend said bill, Section 313.830, Page 6, Line 84, by inserting after all of said line the following:

“568.040. 1. A person commits the crime of nonsupport if such person knowingly fails to provide, without good cause, adequate support for his or her spouse; a parent commits the crime of nonsupport if such parent knowingly fails to provide, without good cause, adequate support which such parent is legally obligated to provide for his or her child or stepchild who is not otherwise emancipated by operation of law.

2. For purposes of this section:

(1) "Child" means any biological or adoptive child, or any child whose paternity has been established under chapter 454, RSMo, or chapter 210, RSMo, or any child whose relationship to the defendant has been determined, by a court of law in a proceeding for dissolution or legal separation, to be that of child to parent;

(2) "Good cause" means any substantial reason why the defendant is unable to provide adequate support. Good cause does not exist if the defendant purposely maintains his or her inability to support;

(3) "Support" means food, clothing, lodging, and medical or surgical attention;

(4) It shall not constitute a failure to provide medical and surgical attention, if nonmedical remedial treatment recognized and permitted under the laws of this state is provided.

3. Inability to provide support for good cause shall be an affirmative defense under this section. A person who raises such affirmative defense has the burden of proving the defense by a preponderance of the evidence.

4. The defendant shall have the burden of injecting the issues raised by subdivisions (2) and (4) of subsection 2 and subsection 3 of this section.

5. Criminal nonsupport is a class A misdemeanor, unless the total arrearage is in excess of an aggregate of twelve monthly payments due under any order of support issued by any court of competent jurisdiction or any authorized administrative agency, in which case it is a class D felony.

6. If at any time a defendant convicted of criminal nonsupport is placed on probation or parole, there may be ordered as a condition of probation or parole that the defendant commence payment of current support as well as satisfy the arrearages. Arrearages may be satisfied first by making such lump sum payment as the defendant is capable of paying, if any, as may be shown after examination of defendant's financial resources or assets, both real, personal, and mixed, and second by making periodic payments. Periodic payments toward satisfaction of arrears when added to current payments due may be in such aggregate sums as is not greater than fifty percent of the defendant's adjusted gross income after deduction of payroll taxes, medical insurance that also covers a dependent spouse or children, and any other court or administrative ordered support, only. If the defendant fails to pay the current support and arrearages as ordered, the court may revoke probation or parole and then impose an appropriate sentence within the range for the class of offense that the defendant was convicted of as provided by law, unless the defendant proves good cause for the failure to pay as required under subsection 3 of this section.

7. During any period that a nonviolent defendant is incarcerated for criminal nonsupport, if the defendant is ready, willing, and able to be gainfully employed during said period of incarceration, the defendant, if he or she meets the criteria established by the department of corrections, may be placed on work release to allow the defendant to satisfy defendant's obligation to pay support. Arrearages shall be satisfied as outlined in the collection agreement.

8. Beginning August 28, 2009, every nonviolent first- and second-time offender then incarcerated for criminal nonsupport, who has not been previously placed on probation or parole for conviction of criminal nonsupport, may be considered for parole, under the conditions set forth in subsection 6 of this section, or work release, under the conditions set forth in subsection 7 of this section.

9. [Beginning January 1, 1991,] Every prosecuting attorney in any county which has entered into a cooperative agreement with the [division of] child support enforcement **service of the family support division of the department of social services** shall report to the division on a quarterly basis the number of charges filed and the number of convictions obtained under this section by the prosecuting attorney's office on all IV-D cases. The division shall consolidate the reported information into a statewide report by county and make the report available to the general public.

10. Persons accused of committing the offense of nonsupport of the child shall be prosecuted:

(1) In any county in which the child resided during the period of time for which the defendant is charged; or

(2) In any county in which the defendant resided during the period of time for which the defendant is charged.

11. Any person who has been found guilty of or has pled guilty to criminal nonsupport of a spouse or a child under this section shall be barred from admittance on an excursion gambling boat or casino in this state until all arrearages due are satisfied in accordance with section 313.819. The restriction on admittance to excursion gambling boats and casinos in this state contained in this subsection and section 313.819 is intended to operate as a remedial measure only for the sole purpose of protecting the financial support of the spouses and children in this state.

12. Any person who has been barred from admission on an excursion gambling boat under the provisions of subsection 11 of this section and in accordance with the provisions of section 313.819 who then satisfies in full all arrearages may petition the court in the county where he or she was found guilty of or pled guilty to the crime of nonsupport of a spouse or child to have the court order the family support division within the department of social services to remove such person's name from the list of those who are barred from admittance and further order the family support division to notify all excursion gambling boats and casinos in this state to remove such person's name from their list of persons who are barred. The court shall grant such petition and enter such orders upon proof by the petitioner that all arrearages have been satisfied in full. If the court finds that all arrearages have not been satisfied in full the petition shall be denied.

13. Any person who violates the provisions of subsection 11 of this section is guilty of a class B misdemeanor.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Nieves raised a point of order that **House Amendment No. 1** goes beyond the scope of the bill.

The Chair ruled the point of order not well taken.

Representative Flook offered **House Amendment No. 1 to House Amendment No. 1.**

MESSAGE FROM THE GOVERNOR

EXECUTIVE OFFICE

April 13, 2010

TO THE CHIEF CLERK OF THE
HOUSE OF REPRESENTATIVES
95TH GENERAL ASSEMBLY
SECOND REGULAR SESSION
STATE OF MISSOURI

Herewith I return to you **Senate Committee Substitute for House Committee Substitute for House Bill No. 2014** entitled:

"AN ACT"

To appropriate money for supplemental purposes for the several departments and offices of state government, and for the purchase of equipment, and for the payment of various claims for refunds, for persons, firms, and corporations, and for other purposes, and to transfer money among certain funds, from the funds designated for the fiscal period ending June 30, 2010.

On April 13, 2010, I approved said **Senate Committee Substitute for House Committee Substitute for House Bill No. 2014**. In approving this bill, I note that Article IX, Section 3(a) of the Missouri Constitution requires that "[a]ll appropriations by the state for the support of free public schools and the income from the public school fund shall be paid at least annually and distributed according to law." (emphasis added). In February, the Department of Elementary and Secondary Education informed public school administrators that available education funding would be distributed proportionally among all public schools pursuant to the foundation formula. This notice from the department reflected appropriate application of Chapter 163, RSMo, and allowed school districts to anticipate the amount of additional funding they could expect to receive this year.

Section 14.005 of **Senate Committee Substitute for House Committee Substitute for House Bill No. 2014** states, in pertinent part, "...provided that, notwithstanding the provisions of Section 163.031, RSMo, to the contrary, the Department of Elementary and Secondary Education shall modify the foundation formula phase-in percentages pursuant to Section 163.031.4(4) to accommodate the total amount of available appropriations in fiscal year 2010...." (emphasis added). The aforementioned language attempts to amend existing law by requiring the department to ignore certain provisions of Section 163.031, RSMo, - to the financial detriment of many public school districts - in violation of Article III, Section 23 of the Missouri Constitution which prohibits legislating through an appropriations bill.

The language in Section 14.005, purporting to deviate from current law, is legal surplusage and beyond the constitutional authority of the General Assembly. Therefore, consistent with the requirements of Article IX, Section 3(a), and in recognition of the limitations imposed by Article III, Section 23, the Department of Elementary and Secondary Education shall distribute the funds appropriated under Section 14.005 of **Senate Committee Substitute for House Committee Substitute for House Bill No. 2014** consistent with existing law.

Respectfully submitted,

/s/ Jeremiah W. (Jay) Nixon
Governor

ADJOURNMENT

On motion of Representative Tilley, the House adjourned until 10:00 a.m., Wednesday, April 14, 2010.

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FIFTY-SECOND DAY, WEDNESDAY, APRIL 14, 2010

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

LORD, Most High, You are awesome. You are the great King of all the Earth. You reign above the nations, sitting on Your holy throne. The powers of Earth are Yours - You soar over all.

LORD God, fine-tune our ears to hear what wisdom and understanding have to say. Help us to understanding, today, that wisdom has important information for us and desires to reveal it to us. Your wisdom helps us to be more informed leaders. Create in us, by Your wisdom, a distaste for pride, arrogance, dishonesty, pretense, immorality and harmful words.

May we experience Your supernatural power to break down walls in communication, walls of bias and walls of self-righteousness. Remove any obstacle that would be a hindrance to experiencing Your glorious answer to our prayers for this legislative process.

We, again, acknowledge Your sovereignty over our time, our finances, our focus, our future and this process.

Now may You, Lord God our Father, Who loved us and by Your grace gave us eternal comfort and a wonderful hope, comfort and strengthen us in every good thing we do and say.

In the name of Your Son, I pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Scott Goldman, Jac Calliot, Holly Essner, Amy Jacobsmeyer, Molly Records, Sarah Liese, Madison Evans, Abigail Fellows, Madeleine Fellows, Nolan Fellows and Madelyn Herrington.

The election authority in whose office an application is filed pursuant to subsection 6 of this section shall immediately send a duplicate of such application to the appropriate official of the state in which the new resident applicant last resided and shall file the original of such application in its office.

8. An application for an absentee ballot by an intrastate new resident, as defined in section 115.275, shall be made in person by the applicant in the office of the election authority in the election jurisdiction in which such applicant resides. The application shall be received by the election authority no later than 7:00 p.m. on the day of the election.  (Residence Address)
 Subscribed and sworn to before me this day of,
 Signed

9. An application for an absentee ballot by an interstate former resident, as defined in section 115.275, shall be received in the office of the election authority where the applicant was formerly registered by 5:00 p.m. on the Wednesday immediately prior to the election, unless the application is made in person by the applicant in the office of the election authority, in which case such application shall be made no later than 7:00 p.m. on the day of the election.

115.281. 1. **Except as provided in subsection 3 of this section**, not later than the sixth Tuesday prior to each election, or within fourteen days after candidates' names or questions are certified pursuant to section 115.125, the election authority shall cause to have printed and made available a sufficient quantity of absentee ballots, ballot envelopes and mailing envelopes. As soon as possible after the proper officer calls a special state or county election, the election authority shall cause to have printed and made available a sufficient quantity of absentee ballots, ballot envelopes and mailing envelopes.

2. All absentee ballots for an election shall be in the same form as the official ballots for the election, except that in lieu of the words "Official Ballot" at the top of the ballot, the words "Official Absentee Ballot" shall appear.

3. Not later than forty-five days before each general, primary, and special election for federal office, the election authority shall cause to have printed and made available a sufficient quantity of absentee ballots, ballot envelopes, and mailing envelopes for absent uniformed services voters and overseas voters.

115.287. 1. Upon receipt of a signed application for an absentee ballot and if satisfied the applicant is entitled to vote by absentee ballot, the election authority shall, within three working days after receiving the application, or if absentee ballots are not available at the time the application is received, within five working days after they become available, deliver to the voter an absentee ballot, ballot envelope and such instructions as are necessary for the applicant to vote. Delivery shall be made to the voter personally in the office of the election authority or by bipartisan teams appointed by the election authority, or by first class, registered, or certified mail at the discretion of the election authority, **or in the case of absent uniformed services voters and overseas voters, by electronic transmission if electronic transmission is requested by the voter.** Where the election authority is a county clerk, the members of bipartisan teams representing the political party other than that of county clerk shall be selected from a list of persons submitted to the county clerk by the county chairman of that party. If no list is provided by the time that absentee ballots are to be made available, the county clerk may select a person or persons from lists provided in accordance with section 115.087. If the election authority is not satisfied that any applicant is entitled to vote by absentee ballot, it shall not deliver an absentee ballot to the applicant. Within three working days of receiving such an application, the election authority shall notify the applicant and state the reason he or she is not entitled to vote by absentee ballot. The applicant may appeal the decision of the election authority to the circuit court in the manner provided in section 115.223.

2. If, after 5:00 p.m. on the Wednesday before an election, any voter from the jurisdiction has become hospitalized, becomes confined due to illness or injury, or is confined in an adult boarding facility, intermediate care facility, residential care facility, or skilled nursing facility, as defined in section 198.006, RSMo, in the county in which the jurisdiction is located or in the jurisdiction or an adjacent election authority within the same county, the election authority shall appoint a team to deliver, witness the signing of and return the voter's application and deliver, witness the voting of and return the voter's absentee ballot. In counties with a charter form of government and in cities not within a county, and in each city which has over three hundred thousand inhabitants, and is situated in more than one county, if the election authority receives ten or more applications for absentee ballots from the same address it may appoint a team to deliver and witness the voting and return of absentee ballots by voters residing at that address, except when such addresses are for an apartment building or other structure wherein individual living units are located, each of which has its own separate cooking facilities. Each team appointed pursuant to this subsection shall consist of two registered voters, one from each major political party. Both members of any team appointed pursuant to this subsection shall be

present during the delivery, signing or voting and return of any application or absentee ballot signed or voted pursuant to this subsection.

3. On the mailing and ballot envelopes for each applicant in federal service, the election authority shall stamp prominently in black the words "FEDERAL BALLOT, STATE OF MISSOURI" and "U.S. Postage Paid, 39 U.S.C. 3406".

4. No information which encourages a vote for or against a candidate or issue shall be provided to any voter with an absentee ballot.

115.291. 1. Upon receiving an absentee ballot **in person or by mail**, the voter shall mark the ballot in secret, place the ballot in the ballot envelope, seal the envelope and fill out the statement on the ballot envelope. The affidavit of each person voting an absentee ballot shall be subscribed and sworn to before the election official receiving the ballot, a notary public or other officer authorized by law to administer oaths, unless the voter is voting absentee due to incapacity or confinement due to the provisions of section 115.284, illness or physical disability, **or the voter is an absent uniformed services voter or an overseas voter**. If the voter is blind, unable to read or write the English language, or physically incapable of voting the ballot, the voter may be assisted by a person of the voter's own choosing. Any person assisting a voter who is not entitled to such assistance, and any person who assists a voter and in any manner coerces or initiates a request or a suggestion that the voter vote for or against or refrain from voting on any question, ticket or candidate, shall be guilty of a class one election offense. If, upon counting, challenge or election contest, it is ascertained that any absentee ballot was voted with unlawful assistance, the ballot shall be rejected.

2. **Except as provided in subsection 4 of this section**, each absentee ballot shall be returned to the election authority in the ballot envelope and shall only be returned by the voter in person, or in person by a relative of the voter who is within the second degree of consanguinity or affinity, by mail or registered carrier or by a team of deputy election authorities; except that persons in federal service, when sent from a location determined by the secretary of state to be inaccessible on election day, shall be allowed to return their absentee ballots cast by use of facsimile transmission or under a program approved by the Department of Defense for electronic transmission of election materials.

3. In cases of an emergency declared by the President of the United States or the governor of this state where the conduct of an election may be affected, the secretary of state may provide for the delivery and return of absentee ballots by use of a facsimile transmission device or system. Any rule promulgated pursuant to this subsection shall apply to a class or classes of voters as provided for by the secretary of state.

4. **No election authority shall refuse to accept and process any otherwise valid marked absentee ballot submitted in any manner by an absent uniformed services voter or overseas voter solely on the basis of restrictions on envelope type.**

5. **As provided in the Military and Overseas Voter Empowerment Act, the secretary of state shall, in coordination with local election authorities, develop a free access system by which an absent uniformed services voter or overseas voter may determine whether the voter's absentee ballot has been received by the appropriate election authority.**

115.292. 1. Notwithstanding any other provision of this chapter, a qualified absentee voter, as described in subsection 3 of this section, may apply for a special write-in absentee ballot within eighty days of a special, primary, or general election for federal office. Such a ballot shall be for voting for all offices being contested at such election.

2. A qualified absentee voter applying for a special write-in absentee ballot pursuant to this section shall apply to the local election authority of the area which contains his last residence in this state for such ballot. The application for a special write-in absentee ballot may be made on the federal postcard application form, by letter, or on a form provided by the local election authority.

3. [In order to qualify for a special write-in absentee ballot, the voter shall state that he is unable to vote by any other means due to requirements of military service or due to living in isolated or extremely remote areas of the world. This statement may be made by federal postcard application, by letter, or on a form prepared by the local election authority.

4.] Upon receipt of the application, the election authority shall issue a special write-in absentee ballot. Such ballot shall permit the voter to cast a ballot by writing in a party preference for each office, the names of specific candidates, or the names of persons whom the voter prefers.

[5.] 4. The election authority shall issue a regular absentee ballot as soon as such ballots are available. If both the regular absentee ballot and the special write-in absentee ballot are returned, the regular absentee ballot shall be counted and the special write-in absentee ballot shall be voided.

5. The special write-in absentee ballot provided for in this section shall be used instead of the federal write-in absentee ballot in general, special, and primary elections for federal office as authorized in Title 42, U.S.C. Section 1973ff-2(e), as amended.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Hoskins (121), **House Amendment No. 3** was adopted.

Representative McNeil offered **House Amendment No. 4**.

House Amendment No. 4

AMEND House Committee Substitute for House Bill No. 1966, Section A, Page 1, Line 2, by inserting after all of said section, page, and line, the following:

“115.079. 1. All election judges in each jurisdiction shall be appointed by the election authority. **If an election authority determines that there is a shortage of election judges, then judges may be selected at random from a cross-section of the voter registrations of the population within the election authority's jurisdiction, in a manner determined by the election authority. In considering individuals for selection as election judges, the election authority shall consider factors to ensure that nondiscrimination in the representation of the community is served to the greatest extent possible, including but not limited to the individual's party affiliation, geographic location, demographics, and relevant skills and experience. The election authority may use the Missouri voter registration system implemented under this chapter to assist in appointing election judges.**

2. All qualified citizens shall have the opportunity to be considered for selection. No citizen shall be excluded from selection as a result of discrimination based on the individual's race, color, religion, sex, national origin, or economic status. No citizen shall be excluded from selection unless excused because of ill health or other good and sufficient reason as determined by the election authority.

3. The election authority shall notify each individual selected as an election judge by a letter mailed at least fifteen days before the required reporting date for the election.

115.085. No person shall be appointed to serve as an election judge who is not a registered voter in this state; provided that, before any election authority may appoint judges who are registered voters of another election authority's jurisdiction, the election authority shall obtain the written consent of the election authority for the jurisdiction where the prospective judges are registered to vote. Each election judge shall be a person of good repute and character who can speak, read, and write the English language. No person shall serve as an election judge at any polling place in which his or her name or the name of a relative within the second degree, by consanguinity or affinity, appears on the ballot. However, no relative of any unopposed candidate shall be disqualified from serving as an election judge in any election jurisdiction of the state. No election judge shall, during his or her term of office, hold any other elective public office, other than as a member of a political party committee or township office, except any person who is elected to a board or commission of a political subdivision or special district may serve as an election judge except at a polling place where such political subdivision or special district has an issue or candidate on the ballot. **Each person selected shall, if qualified and unless excused because of ill health or other good and sufficient reason, serve for the term for which the individual was selected.** In any county having a population of less than two hundred fifty thousand inhabitants, any candidate for the county committee of a political party who is not a candidate for any other office and who is unopposed for election as a member of the committee shall not be disqualified from serving as an election judge.

115.089. Each board of election commissioners shall [have authority to] appoint election judges [for individual elections, or] for a term [coincident with the term of the board and until the judges' successors are appointed and qualified] **of two years, but no election judge shall be selected and appointed for service in more than five elections during the two-year term.** The board may ask the county committee of each major political party to submit a list of persons qualified to serve as election judges and may select and appoint judges from the lists. The board may compile a list of persons who claim no political affiliation and who volunteer to be election judges and may select and appoint judges from the list. **Election judges may be selected and appointed at least fifteen days before an election.**

115.095. **Each person selected and appointed as an election judge shall report to the office of the election authority or any other designated location to complete any necessary informational forms and to receive training for election judge duties at the time indicated in the notice of selection and appointment.** If any judge fails to act or to appear by the time fixed by law for the opening of the polls, the election authority shall be notified immediately by an election judge. The election authority or the election judges present in the polling place shall appoint another judge from the same political party as the judge failing to act or to appear. If the election judges elect a qualified temporary judge, such judge shall have full authority to act as judge for the election, except that such judge may be removed at any time by the election authority and replaced with another qualified judge from the same political party as the removed judge. Any judge selected pursuant to this section shall be selected to ensure that no political party shall have a majority of judges at any polling place and that each major political party has at least one judge serving at the polling place.

115.102. 1. An employer shall not terminate, discipline, threaten or take adverse actions against an employee based on the employee's service as an election judge, **and no person selected and appointed as an election judge shall be subjected to such actions, except that an employer may reduce the pay of an employee for each hour of work missed by an amount equal to the hourly compensation not including expenses paid to the employee for such service.**

2. An employee who is appointed to serve as an election judge may, on election day, be absent from his or her employment for the period of time that the election authority requires the employee to serve as election judge. Employees must notify employers at least seven days prior to an election that they will be absent from work on election day due to service as an election judge, **but such notice shall not be required for any person selected and appointed to fill a vacancy as an election judge on the day of an election. Any such person shall be excused upon request from any shift work for the hours during which the individual is required to serve and, if required to serve eight hours or more, for eight hours before and eight hours after the individual is required to serve.**

3. An employee discharged in violation of this section may bring a civil action against the employer within ninety days of discharge for recovery of lost wages and other damages caused by the violation and for an order directing reinstatement of the employee. If the employee prevails, the employee shall be entitled to receive reasonable attorney's fees and costs.

4. Any person who threatens to terminate, coerces, or attempts to coerce any person in violation of this section is guilty of a class B misdemeanor. Any person who terminates such person's employment, reduces such person's regular pay, overtime pay, sick leave, or vacation time, or penalizes such person in any other way for the person's service as an election judge, is guilty of a class D felony. The election authority shall submit the names of any person violating this section to the county prosecutor with jurisdiction in the election authority's jurisdiction for prosecution under this section.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

WHEREAS, there are currently more than 105,000 people waiting for an organ donation, with the largest waiting group being persons 18 to 49 years of age; and

WHEREAS, more than 7,000 people die each year due to the lack of organs, with an average of 18 people dying each day while on the waiting list for an organ donation; and

WHEREAS, approximately 30,000 people a year have begun new lives thanks to an organ transplant; and

WHEREAS, organs and tissue from a single nonliving donor can be used to benefit more than 50 people. Living donors can donate a kidney and parts of their liver, lung, pancreas, or intestine, and can be evaluated to help a friend, family member, or even donate anonymously to patients of the wait list; and

WHEREAS, raising and promoting awareness and information about the need for organ and tissue donors and encouraging people to become an organ donor and tissue donor is vitally important to increase the number of lives saved and changed for the better through organ donation; and

WHEREAS, the following excerpt is from "To Remember Me - I Will Live Forever", written by American Poet Robert Noel Test (1926 - 1994):

"...And don't call this my deathbed. Let it be called the bed of life, and let my body be taken from it to help others lead fuller lives.

Give my sight to the man who has never seen a sunrise, a baby's face or love in the eyes of a woman.

Give my heart to a person whose own heart has caused nothing but endless days of pain.

Give my blood to the teenager who was pulled from the wreckage of his car, so that he might live to see his grandchildren play.

Give my kidneys to the one who depends on a machine to exist from week to week.

Take my bones, every muscle, every fiber and nerve in my body and find a way to make a crippled child walk. Explore every corner of my brain.

Take my cells, if necessary, and let them grow so that, someday a speechless boy will shout at the crack of a bat and a deaf girl will hear the sound of rain against her window..."; and

WHEREAS, public awareness of the great need for organ donation is the key to increasing the number of organ donors and thereby saving lives and improving the quality of life for recipients of organ donation:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-fifth General Assembly, Second Regular Session, the Senate concurring therein, hereby designate September 2010 as "Organ Donor Awareness Month" in Missouri.

HB 2116 - Still

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FIFTY-FOURTH DAY, MONDAY, APRIL 19, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Reverend James Earl Jackson.

Lord God, we praise You, as the Almighty – no one and no thing is mightier than You are. You measure the waters in the hollow of Your hand. You weigh the mountains on scales. You stretch out the heavens like a curtain. Your immensity is impossible for us to comprehend. You make the impossible possible.

Thank You for the opportunities You provide to work with wise people, today, and for the privilege of gleaning from their wisdom. It's wonderful to know that You bring every kind of understanding into our lives as we pursue the wisdom that only You provide through yielded vessels.

Grant us wisdom in this current process of finding solutions to the legislative log jams we often experience. Help us to identify the problems that inhibit the flow of good thought, judgment and action. Grant us unity of purpose and reveal to us solutions in order that we may serve our constituents well. Give us the strength and stamina necessary for the long hours of work ahead.

Now unto Him who is able to keep us from stumbling and to present us faultless before the presence of His glory with exceeding joy, to God our Savior, Who alone is wise, be glory and majesty, dominion and power, both now and forever.

In the name of Your Son, I pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-third day was approved as printed.

SPECIAL RECOGNITION

Dr. Robert Dever was introduced by Representative Stevenson and recognized as an Outstanding Missourian.

“173.1105. 1. [Beginning with the 2007-08 academic year,] An applicant who is an undergraduate postsecondary student at an approved private or public institution and who meets the other eligibility criteria shall be eligible for financial assistance, with a minimum and maximum award amount as follows:

(1) **For students who first received an Access Missouri award before the 2011-2012 academic year:**

(a) One thousand dollars maximum and three hundred dollars minimum for students attending institutions classified as part of the public two-year sector;

[(2)] (b) Two thousand one hundred fifty dollars maximum and one thousand dollars minimum for students attending institutions classified as part of the public four-year sector, including Linn State Technical College; and

(2) **For students who receive their first Access Missouri award in the 2011-2012 academic year and subsequently:**

(a) **One thousand three hundred dollars maximum and three hundred dollars minimum for students attending institutions classified as part of the public two-year sector; and**

(b) **Two thousand eight hundred fifty dollars maximum and one thousand five hundred dollars minimum for students attending institutions classified as part of the public four-year sector, including Linn State Technical College, or approved private institutions.**

2. All students with an expected family contribution of twelve thousand dollars or less shall receive at least the minimum award amount for his or her institution. Maximum award amounts for an eligible student with an expected family contribution above seven thousand dollars shall be reduced by ten percent of the maximum expected family contribution for his or her increment group. Any award amount shall be reduced by the amount of a student's [reimbursement pursuant to section 160.545, RSMo] **payment from the A+ schools program or any successor program to it**. For purposes of this subsection, the term "increment group" shall mean a group organized by expected family contribution in five hundred dollar increments into which all eligible students shall be placed.

3. If appropriated funds are insufficient to fund the program as described, the maximum award shall be reduced across all sectors by the percentage of the shortfall. If appropriated funds exceed the amount necessary to fund the program, the additional funds shall be used to increase the number of recipients by raising the cutoff for the expected family contribution rather than by increasing the size of the award.

4. Every three years, beginning with academic year 2009-10, the award amount may be adjusted to increase no more than the Consumer Price Index for All Urban Consumers (CPI-U), 1982-1984 = 100, not seasonally adjusted, as defined and officially recorded by the United States Department of Labor, or its successor agency, for the previous academic year. The coordinating board shall prepare a report prior to the legislative session for use of the general assembly and the governor in determining budget requests which shall include the amount of funds necessary to maintain full funding of the program based on the baseline established for the program upon the [passage] **effective date** of sections 173.1101 to 173.1107. Any increase in the award amount shall not become effective unless an increase in the amount of money appropriated to the program necessary to cover the increase in award amount is passed by the general assembly.”; and

Further amend said bill, Page 2, Section B, Line 2, by inserting immediately after the word “section” in both instances on said line the following:

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FIFTY-SIXTH DAY, WEDNESDAY, APRIL 21, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Rabbi Yosef Landa, Regional Director, Chabad of Greater St. Louis

Almighty God, Master of the Universe:

The members of this august body, the Missouri House of Representatives, convene here from across the Great State of Missouri to do the people's business in good faith and with selfless dedication. In so doing, they fulfill a fundamental precept, which, according to sacred Biblical tradition, You first issued to Adam at the time of his creation and to Noah after the Great Flood - the commandment to govern by just laws.

At mankind's beginning and again at Mount Sinai, You issued forth seven universal commandments for all humanity to heed, which came to be known as the "Seven Noahide Laws". The last of those precepts is that every society legislate for itself a system of law, order and social justice, based on the recognition and acknowledgment of You, Almighty God, as the Sovereign ruler of all men and of all nations.

We, the citizens of this blessed country, the United States of America, proudly proclaim this recognition and affirm our commitment to justice in our Pledge of Allegiance, when we describe our union as "one nation under God with liberty and justice for all."

Grant us, Almighty God, that those assembled here to enact laws to govern this blessed State of Missouri be cognizant of Your presence and conduct their deliberations accordingly. Allow them to debate their differences vigorously, but to remember foremost that to legislate for the common good of the people is not only a civic privilege, but also a divinely mandated responsibility.

Be it Your will, O God, that the dedicated men and women of the Missouri legislature be blessed with good health, wisdom, compassion, good cheer and good fellowship. May they contemplate and bear in mind as they engage in the enactment of just and benevolent law and public policy that in doing so they are fulfilling Your Godly will. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Rylee Lorts, Ben Hudson, Kylie Eicholz, Ethan Doskey, Dylan Williams, Joshua Mixon, Kate Walsworth, Addison Rose Doyle, Ava Marie Doyle, Regan Bruns, Dani Myers, Paige Myers, Gabrielle Bickerton, Sam Seiler and David Greek.

The Journal of the fifty-fifth day was approved as printed.

Representative Diehl offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 2058, Pages 3 and 4, Section 429.016, Lines 70 to 94, by deleting all of said lines and inserting in lieu thereof the following:

"11. (1) The owner of residential real property upon which a claimant is to perform or provide work, labor, or materials, or such owner's designated agent, shall provide any claimant with the name of the current record property owner and the deed (which deed shall include the legal description of the subject property) by which such owner of record obtained the subject property, within five calendar days after the owner, or its designated agent, receives a written request for the same from any claimant. The claimant may further request a copy of a survey of the subject property, a copy of the subdivision or other plat of the subject property, or such other information, document, or instrument, as may allow the claimant to identify the subject property with reasonable certainty, but the owner or its agent shall not be required to provide the same.

(2) If any owner, or its designated agent, fails to comply with the requirements of this section, the requesting claimant shall be entitled to receive, as its sole and exclusive remedy for failure to comply with this section, the claimant's actual and reasonable costs (excluding attorney fees) to obtain a legal description of the subject property necessary for the claimant to record its notice of rights. The costs described in this section shall be lienable expenses.

(3) Nothing herein, including, without limitation, the claimant receiving a legal description with an error, omission, or inaccuracy in the content or the owner or its designated agent's failure to otherwise comply with this section, shall relieve any claimant of its obligation to record a notice of rights in full compliance with this section in order to retain its mechanic's lien rights as to any residential real property."; and

Further amend said title, enacting clause and intersectional references accordingly.

HOUSE CONCURRENT RESOLUTION NO. 77

Relating to the filing of a Missouri legal challenge to the constitutionality of federal health care legislation.

WHEREAS, attorneys general from 13 states - Florida, South Dakota, South Carolina, Nebraska, Louisiana, Texas, Alabama, Utah, Colorado, Pennsylvania, Washington, Idaho, and Michigan - sued the federal government on March 23, 2010, claiming the landmark health care overhaul bill is unconstitutional; and

WHEREAS, a 14th state, Virginia, did not join the larger lawsuit, but has filed its own lawsuit challenging the federal legislation; and

WHEREAS, the lawsuit filed by 13 attorneys general includes and asserts:

- (1) A Commerce Clause claim;
- (2) A Tenth Amendment sovereignty violation for forcing states, among other things, to expand Medicaid coverage;
- (3) A direct tax violation for the one-size-fits all penalty if a person fails to purchase health insurance; and

(4) A violation of Article 4, Section 4 of the United States Constitution because "the Act deprives [the States] of ... their right to a republican form of government"; and

WHEREAS, Virginia and Idaho have passed legislation aimed at blocking the legislation's insurance requirement from taking effect; and

WHEREAS, under the federal legislation, beginning in 2014, most Americans will be required to carry health insurance, either through an employer or government program or by purchasing it themselves. Those Americans who refuse to carry such health insurance will face penalties from the Internal Revenue Service; and

WHEREAS, the lawsuit asks the bill be declared unconstitutional because "the Constitution nowhere authorizes the United States to mandate, either directly or under threat of penalty, that all citizens and legal residents have qualifying health care coverage"; and

WHEREAS, the lawsuit also claims the health care legislation violates the Tenth Amendment of the United States Constitution, which says the federal government has no authority beyond the powers granted to it under the Constitution, by forcing the states to carry out its provisions but not reimbursing them for the costs; and

WHEREAS, the lawsuit also asserts that the states cannot afford the new law because the health care legislation will add millions of people to state Medicaid rolls, costing some states more than one billion dollars over the next ten years in increased Medicaid expenditures; and

WHEREAS, according to an attorney representing the 13 attorneys general joining in the lawsuit, those state attorneys general "are convinced that the federal health care legislation is fundamentally flawed as a matter of constitutional law, that it exceeds the scope of proper constitutional authority of the federal government and tramples upon the rights and prerogatives of states and their citizens"; and

WHEREAS, according to the National Conference of State Legislatures, at least 36 states are attempting to limit, alter, or oppose some of the federal legislation's provisions through state constitutional amendments or laws, with many of the proposals seeking to keep health insurance coverage optional for individuals and exempt employers from penalties if they don't offer coverage for workers:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-fifth General Assembly, Second Regular Session, the Senate concurring therein, hereby call on Missouri Attorney General Chris Koster to file an independent lawsuit or join the 13 other state attorneys general from across the nation in challenging the constitutionality and validity of the Patient Protection and Affordable Care Act, the federal health care legislation; and

BE IT FURTHER RESOLVED that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution.

Mr. Speaker: Your Special Standing Committee on General Laws, to which was referred **HB 1445**, begs leave to report it has examined the same and recommends that it **Do Pass with House Committee Substitute**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

Mr. Speaker: Your Special Standing Committee on General Laws, to which was referred **HB 1562**, begs leave to report it has examined the same and recommends that it **Do Pass**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

Mr. Speaker: Your Special Standing Committee on General Laws, to which was referred **SS SB 928**, begs leave to report it has examined the same and recommends that it **Do Pass**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **HB 1662**.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SS SCS HCS HB 2198**, entitled:

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FIFTY-SEVENTH DAY, THURSDAY, APRIL 22, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Msgr. Donald W. Lammers.

(Today is Earth Day)

"The Lord's are the earth and its fullness, the world and those who dwell in it" (*Psalms 24:1*).

Almighty God, we bow before You as Lord of the Earth and its fullness. We pray for ourselves and all the people, that we grow to a healthy respect for the Earth and its resources. May Your Holy Spirit guide us and people everywhere to use the resources of the earth in ways that make it fruitful for all the people. May your Holy Spirit guide us to preserve the resources of the Earth that they might be there to provide for the needs of future generations.

Almighty God, accompany us in all our work of this day. Give us reprieve and leisure that we might enjoy, on this Earth Day, the beauty of Your creation.

To You, Creator and Lord, be glory and honor forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FIFTY-EIGHTH DAY, MONDAY, APRIL 26, 2010

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

You alone are the LORD. You made Heaven, the highest Heaven, with all its hosts. You made the Earth and everything on it, the seas and everything in them. You give life to them all and the hosts of Heaven worship You.

Lord God, forgive us for the hostility and struggles that exist among us; that arise from conflicting passions within ourselves. Help us to subdue the cravings, jealousy and envy that ultimately lead to frustration and striving with one another. May our daily discussions be less about us, individually, and more about what is good for this state.

Help us to find Your divine timing, today, so we can produce the greatest results at the most opportune time. We don't want to miss our hour of opportunity. We want to be in the middle of Your will. Help us to be wise in our dealings throughout the remainder of this Session.

Now may You, Lord God our Father, who loved us and by Your grace gave us eternal comfort and a wonderful hope, comfort us and strengthen us in every good thing we do and say.

In the name of Your Son, I pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Claire Fisher, Andrea Stewart, Ross Thompson, Grace Geiger, Rachael Kearns, Brandon Kearns, Avery Wilson and Hunter Wilson.

The Journal of the fifty-seventh day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

FIFTY-NINTH DAY, TUESDAY, APRIL 27, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Msgr. Donald W. Lammers.

Almighty God, Lord of creation, all that You have made is good. And You have concern for the well-being of every person.

We pray for the ability to include all the people in our vision and to consider the well-being of all the people at once, that through our work we may advance the common good.

We pray for the knowledge to comprehend all the issues on the agendas placed before us. When there are competing values, give us the wisdom to sort them out and place them in proper priority.

When choices must be made, give us the courage to give first priority to the demands of the common good.

To You be glory and honor forever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Viri Lopez, Brendan McBride, Corey Ankelmann, Madelyn Adams, Ashleigh Duncan, Laura Empson, Hannah Beggs, Jacob Bane, Racheal Hawthorne, Austin Cobb, Amy Underwood, Anna Luce, Nick Parrott, Amber Powers and Stephen Wilson.

PERFECTION OF HOUSE BILL

HB 2245, as amended, relating to school funding, was again taken up by Representative Bivins.

Representative Schad offered **House Amendment No. 3.**

House Amendment No. 3

AMEND House Bill No. 2245, Page 6, Section 163.031, Line 183, by inserting immediately after all of said line the following:

“163.036. 1. In computing the amount of state aid a school district is entitled to receive for the minimum school term only under section 163.031, a school district may use an estimate of the weighted average daily attendance for the current year, or the weighted average daily attendance for the immediately preceding year or the weighted average daily attendance for the second preceding school year, whichever is greater. Beginning with the 2006-07 school year, the summer school attendance included in the average daily attendance as defined in subdivision (2) of section 163.011 shall include only the attendance hours of pupils that attend summer school in the current year. **Beginning with the 2010-2011 school year, the summer school attendance included in average daily attendance shall include only the attendance hours of pupils based exclusively on academic areas of study for credit-bearing courses, remedial courses that are necessary for a student to be promoted to the next grade, or core subject areas of the regular instruction program for the relevant grade levels. In order for summer school attendance to be included in the average daily attendance definition, each school district shall verify to the department of elementary and secondary education that the district's summer school program conforms to this subsection. This subsection shall not be construed to disallow a school district from providing a summer school program that offers nonacademic or enrichment activities at such district's expense.** Beginning with the 2004-05 school year, when a district's official calendar for the current year contributes to a more than ten percent reduction in the average daily attendance for kindergarten compared to the immediately preceding year, the payment attributable to kindergarten shall include only the current year kindergarten average daily attendance. Any error made in the apportionment of state aid because of a difference between the actual weighted average daily attendance and the estimated weighted average daily attendance shall be corrected as provided in section 163.091, except that if the amount paid to a district estimating weighted average daily attendance exceeds the amount to which the district was actually entitled by more than five percent, interest at the rate of six percent shall be charged on the excess and shall be added to the amount to be deducted from the district's apportionment the next succeeding year.

2. Notwithstanding the provisions of subsection 1 of this section or any other provision of law, the state board of education shall make an adjustment for the immediately preceding year for any increase in the actual weighted average daily attendance above the number on which the state aid in section 163.031 was calculated. Said adjustment shall be made in the manner providing for correction of errors under subsection 1 of this section.

3. Any error made in the apportionment of state aid because of a difference between the actual equalized assessed valuation for the current year and the estimated equalized assessed valuation for the current year shall be corrected as provided in section 163.091, except that if the amount paid to a district estimating current equalized assessed valuation exceeds the amount to which the district was actually entitled, interest at the rate of six percent shall be charged on the excess and shall be added to the amount to be deducted from the district's apportionment the next succeeding year.

4. For the purposes of distribution of state school aid pursuant to section 163.031, a school district with ten percent or more of its assessed valuation that is owned by one person or corporation as commercial or personal property who is delinquent in a property tax payment may elect, after receiving notice from the county clerk on or before March fifteenth that more than ten percent of its current taxes due the preceding December thirty-first by a single property owner are delinquent, to use in the local effort calculation of the state aid formula the district's equalized assessed valuation for the preceding year or the actual assessed valuation of the year for which the taxes are delinquent less the assessed valuation of property for which the current year's property tax is delinquent. To qualify for use of the actual assessed valuation of the year for which the taxes are delinquent less the assessed valuation of property for which the current year's property tax is delinquent, a district must notify the department of elementary and secondary education on or before April first, except in the year enacted, of the current year amount of delinquent taxes, the assessed valuation of such property for which delinquent taxes are owed and the total assessed valuation of the district for the year in which the taxes were due but not paid. Any district giving such notice to the department of elementary and secondary education

shall present verification of the accuracy of such notice obtained from the clerk of the county levying delinquent taxes. When any of the delinquent taxes identified by such notice are paid during a four-year period following the due date, the county clerk shall give notice to the district and the department of elementary and secondary education, and state aid paid to the district shall be reduced by an amount equal to the delinquent taxes received plus interest. The reduction in state aid shall occur over a period not to exceed five years and the interest rate on excess state aid not refunded shall be six percent annually.

5. If a district receives state aid based on equalized assessed valuation as determined by subsection 4 of this section and if prior to such notice the district was paid state aid pursuant to section 163.031, the amount of state aid paid during the year of such notice and the first year following shall equal the sum of state aid paid pursuant to section 163.031 plus the difference between the state aid amount being paid after such notice minus the amount of state aid the district would have received pursuant to section 163.031 before such notice. To be eligible to receive state aid based on this provision the district must levy during the first year following such notice at least the maximum levy permitted school districts by article X, section 11(b) of the Missouri Constitution and have a voluntary rollback of its tax rate which is no greater than one cent per one hundred dollars assessed valuation.

[163.037. In any school year after the 2009-10 school year, if there is a twenty-five percent decrease in the statewide percentage of average daily attendance attributable to summer school compared to the percentage of average daily attendance attributable to summer school in the 2005-06 school year, then for the subsequent school year, weighted average daily attendance, as such term is defined in section 163.011, shall include the addition of the product of twenty-five hundredth times the average daily attendance for summer school.]”; and

Further amend said bill, Page 6, Section B, Line 5, by inserting after all of said line the following:

“Section C. The emergency clause contained in Section B of this act shall not apply to section 163.037 of Section A of this act.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Loehner offered **House Amendment No. 1 to House Amendment No. 3.**

House Amendment No. 4

AMEND House Bill No. 2245, Page 6, Section 163.031, Line 183, by inserting immediately after all of said line the following:

“168.500. 1. For the purpose of providing career pay, which shall be a salary supplement, for public school teachers, which for the purpose of sections 168.500 to 168.515 shall include classroom teachers, librarians, guidance counselors and certificated teachers who hold positions as school psychological examiners, parents as teachers educators, school psychologists, special education diagnosticians and speech pathologists, and are on the district salary schedule, there is hereby created and established a career advancement program which shall be known as the "Missouri Career Development and Teacher Excellence Plan", hereinafter known as the "career plan or program". Participation by local school districts in the career advancement program established under this section shall be voluntary. The career advancement program is a matching fund program [of variable match rates]. The general assembly [shall] **may** make an annual appropriation to the excellence in education fund established under section 160.268, RSMo, for the purpose of providing the state's portion for the career advancement program. The "Career Ladder Forward Funding Fund" is hereby established in the state treasury. Beginning with fiscal year 1998 and until the career ladder forward funding fund is terminated pursuant to this subsection, the general assembly [shall] **may** appropriate funds to the career ladder forward funding fund. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the fund shall not be transferred to the credit of the general revenue fund at the end of the biennium. All interest or other gain received from investment of moneys in the fund shall be credited to the fund. All funds deposited in the fund shall be maintained in the fund until such time as the balance in the fund at the end of the fiscal year is equal to or greater than the appropriation for the career ladder program for the following year, at which time all such revenues shall be used to fund, in advance, the career ladder program for such following year and the career ladder forwarding funding fund shall thereafter be terminated.

2. The department of elementary and secondary education, at the direction of the commissioner of education, shall study and develop model career plans which shall be made available to the local school districts. These state model career plans shall:

- (1) Contain three steps or stages of career advancement;
- (2) Contain a detailed procedure for the admission of teachers to the career program;
- (3) Contain specific criteria for career step qualifications and attainment. These criteria shall clearly describe the minimum number of professional responsibilities required of the teacher at each stage of the plan and shall include reference to classroom performance evaluations performed pursuant to section 168.128;
- (4) Be consistent with the teacher certification process recommended by the Missouri advisory council of certification for educators and adopted by the department of elementary and secondary education;
- (5) Provide that public school teachers in Missouri shall become eligible to apply for admission to the career plans adopted under sections 168.500 to 168.515 after five years of public school teaching in Missouri. All teachers seeking admission to any career plan shall, as a minimum, meet the requirements necessary to obtain the first renewable professional certificate as provided in section 168.021;
- (6) Provide procedures for appealing decisions made under career plans established under sections 168.500 to 168.515.

3. The commissioner of education shall cause the department of elementary and secondary education to establish guidelines for all career plans established under this section, and criteria that must be met by any school district which seeks funding for its career plan.

4. A participating local school district may have the option of implementing a career plan developed by the department of elementary and secondary education or a local plan which has been developed with advice from teachers employed by the district and which has met with the approval of the department of elementary and secondary education. In approving local career plans, the department of elementary and secondary education may consider provisions in the plan of the local district for recognition of teacher mobility from one district to another within this state.

5. The career plans of local school districts shall not discriminate on the basis of race, sex, religion, national origin, color, creed, or age. Participation in the career plan of a local school district is optional, and any teacher who declines to participate shall not be penalized in any way.

6. In order to receive funds under this section, a school district which is not subject to section 162.920, RSMo, must have a total levy for operating purposes which is in excess of the amount allowed in section 11(b) of article X of

the Missouri Constitution; and a school district which is subject to section 162.920, RSMo, must have a total levy for operating purposes which is equal to or in excess of twenty-five cents on each hundred dollars of assessed valuation.

7. The commissioner of education shall cause the department of elementary and secondary education to regard a speech pathologist who holds both a valid certificate of license to teach and a certificate of clinical competence to have fulfilled the standards required to be placed on stage III of the career program, provided that such speech pathologist has been employed by a public school in Missouri for at least five years and is approved for placement at such stage III by the local school district.

8. Beginning in fiscal year 2012, the state portion of career ladder payments shall only be made available to local school districts if the general assembly makes an appropriation for such program. Payments authorized under sections 168.500 to 168.515 shall only be made available in a year for which a state appropriation is made. Any state appropriation shall be made prospectively in relation to the year in which work under the program is performed.

9. Nothing in this section shall be construed to prohibit a local school district from funding the program for its teachers, for work performed in years for which no state appropriation is made available.

168.515. 1. Each teacher selected to participate in a career plan established under sections 168.500 to 168.515, who meets the requirements of such plan, [shall] **may** receive a salary supplement, the state's share of which shall be distributed under section 163.031, RSMo, equal to the following amounts applied to the career ladder entitlement of section 163.031, RSMo:

- (1) Career stage I teachers may receive up to an additional one thousand five hundred dollars per school year;
- (2) Career stage II teachers may receive up to an additional three thousand dollars per school year;
- (3) Career stage III teachers may receive up to an additional five thousand dollars per school year. All teachers within each stage within the same school district shall receive equal salary supplements.

2. The state [shall] **may** make payments pursuant to section 163.031, RSMo, to the local school district for the purpose of [reimbursing] **providing funding to** the local school district for the payment of any salary supplements provided for in this section, subject to the availability of funds as appropriated each year and distributed on a [variable match formula which shall] **matching basis where the percentage of state funding shall be forty percent and the percentage of local funding shall be sixty percent.** [be based on assessed valuation of the district for the second preceding school year.

3. In distributing these matching funds, school districts shall be ranked by the assessed valuation for the second preceding school year per weighted average daily attendance from the highest to the lowest and divided into three groups. Group one shall contain the highest twenty-five percent of all public school districts, groups two and three combined shall contain the remaining seventy-five percent of all public school districts. The districts in groups two and three shall be rank-ordered from largest to smallest based on enrollment as of the last Wednesday in September during the second preceding school year, group two shall contain twenty-five percent of all public school districts that are larger on the enrollment-based rank-ordered list and group three shall contain the remaining fifty percent of all public school districts. Pursuant to subsection 4 of this section, districts in group one shall receive forty percent state funding and shall contribute sixty percent local funding, group two shall receive fifty percent state funding and shall contribute fifty percent local funding and group three shall receive sixty percent state funding and shall contribute forty percent local funding.

4. The incremental groups are as follows:

Group	Percentage of Districts	Percentage of State Funding	Percentage of Local Funding
1	25%	40%	60%
2	25%	50%	50%
3	50%	60%	40%

5. Beginning in the 1996-97 school year, any school district in any group which participated in the career ladder program in 1995-96 and paid less than the local funding percentage required by subsection 4 of this section shall increase its local share of career ladder costs by five percentage points from the preceding year until the district pays the percentage share of cost required by subsection 4 of this section, and in no case shall the local funding percentage be increased by a greater amount for any year. For any district, the state payment shall not exceed the local payment times the state percentage share divided by the local percentage share. Except as provided in subsection 10 of this section, any district not participating in the 1995-96 school year or any district which interrupts its career ladder program for any subsequent year shall enter the program on the cost-sharing basis required by subsection 4 of this section.]

[6.] **3.** Not less than every fourth year, beginning with calendar year 1988, the general assembly, through the joint committee established under section 160.254, RSMo, shall review the amount of the career pay provided for in this

section to determine if any increases are necessary to reflect the increases in the cost of living which have occurred since the salary supplements were last reviewed or set.

[7.] **4.** To participate in the salary supplement program established under this section, a school district may submit to the voters of the district a proposition to increase taxes for this purpose. If a school district's current tax rate ceiling is at or above the rate from which an increase would require a two-thirds majority, the school board may submit to the voters of the district a proposition to reduce or eliminate the amount of the levy reduction resulting from section 164.013, RSMo. If a majority of the voters voting thereon vote in favor of the proposition, the board may certify that seventy-five percent of the revenue generated from this source shall be used to implement the salary supplement program established under this section.

[8.] **5.** In no case shall a school district use state funds received under this section nor local revenue generated from a tax established under subsection 7 of this section to comply with the minimum salary requirements for teachers established pursuant to section 163.172, RSMo.

[9. Beginning in the 1996-97 school year, for any teacher who participated in the career program in the 1995-96 school year, continues to participate in the program thereafter, and remains qualified to receive career pay pursuant to section 168.510, the state's share of the teacher's salary supplement shall continue to be the percentage paid by the state in the 1995-96 school year, notwithstanding any provisions of subsection 4 of this section to the contrary, and the state shall continue to pay such percentage of the teacher's salary supplement until any of the following occurs:

(1) The teacher ceases his or her participation in the program; or
(2) The teacher suspends his or her participation in the program for any school year after the 1995-96 school year. If the teacher later resumes participation in the program, the state funding shall be subject to the provisions of subsection 4 of this section.

10. Any school district that participated in the career ladder program prior to the 2001-02 school year but ceased its participation at any time from July 1, 2001, to July 1, 2005, may resume participation in the program no later than July 1, 2006, at the same matching level, pursuant to subsections 4 and 5 of this section, for which the district qualified during its last year of participation.]"; and

Further amend said bill, Page 6, Section B, Line 5, by inserting after all of said line the following:

"Section C. The emergency clause contained in Section B of this act shall not apply to sections 168.500 and 168.515 of Section A of this act."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Kingery, House Amendment No. 4 was adopted.

Representative Aull offered House Amendment No. 5.

House Amendment No. 5

AMEND House Bill No. 2245, Section 163.031, Page 6, Line 183, by inserting after all of said line the following:

2. Costs of contractual arrangements shall be the obligation of the school district of residence of each preschool child. Costs of contractual arrangements shall not exceed an amount equal to an amount reimbursable to the school districts under the provisions of sections 178.691 to 178.699. [No program shall be approved or contract entered into which requires any additional payment by participants or their parents or guardians.]

3. Payments for participants for programs outlined in section 178.693 shall be uniform for all districts or public agencies.

4. Families with children under the age of kindergarten entry shall be eligible to receive annual health and development screenings and parents shall be eligible to receive prenatal visits under sections 178.691 to 178.699. Local school districts may establish

cost sharing strategies to supplement funding for Parents as Teachers program services. The provisions of this subsection shall expire on December 31, 2015 unless reauthorized by an act of the general assembly.”; and

House Amendment No. 6

AMEND House Bill No. 2245, Page 6, Section 163.031, Line 183, by inserting immediately after all of said line the following:

“163.044. 1. (1) Beginning with the 2007 fiscal year and each subsequent fiscal year, the general assembly shall appropriate fifteen million dollars to be directed in the following manner to school districts with an average daily attendance **for the regular school year** of three hundred fifty students or less in the school year preceding the payment year:

[(1)] (a) Ten million dollars shall be distributed to the eligible districts in proportion to their average daily attendance **for the regular school year**; and

[(2)] (b) Five million dollars shall be directed to the eligible districts that have an operating levy for school purposes in the current year equal to or greater than the performance levy and any school districts which have an operating levy for school purposes in the current year less than the performance levy solely due to a modification of such district's levy required under subdivision (4) of subsection 5 of section 137.073, RSMo. A tax-rate-weighted average daily attendance shall be calculated for each eligible district in proportion to its operating levy for school purposes for the current year divided by the performance levy with that result multiplied by the district's average daily attendance in the school year preceding the payment year. The total appropriation pursuant to this subdivision shall then be divided by the sum of the tax-rate-weighted average daily attendance of the eligible districts, and the resulting amount per tax-rate-weighted average daily attendance shall be multiplied by each eligible district's tax-rate-weighted average daily attendance to determine the amount to be paid to each eligible district.

(2) **Beginning with the earlier of the completion of the phase-in under subsection 4 of section 163.031 or the fiscal year after the first fiscal year in which the amount appropriated for subsections 1 and 2 of section 163.031 is sufficient to accommodate the full amount of the annualized calculation required under such subsections after fiscal year 2010, as certified by the commissioner of education in a letter to the house budget chair and senate appropriations chair, and each subsequent fiscal year, the general assembly shall appropriate twenty million dollars to be directed in the following manner to school districts with an average daily attendance for the regular school year of three hundred fifty students or less in the school year preceding the payment year:**

(a) **Fifteen million dollars shall be distributed to the eligible districts in proportion to their average daily attendance for the regular school year; and**

(b) Five million dollars shall be directed to the eligible districts that have an operating levy for school purposes in the current year equal to or greater than the performance levy and any school districts which have an operating levy for school purposes in the current year less than the performance levy solely due to a modification of such district's levy required under subdivision (4) of subsection 5 of section 137.073, RSMo. A tax-rate-weighted average daily attendance shall be calculated for each eligible district in proportion to its operating levy for school purposes for the current year divided by the performance levy with that result multiplied by the district's average daily attendance in the school year preceding the payment year. The total appropriation pursuant to this subdivision shall then be divided by the sum of the tax-rate-weighted average daily attendance of the eligible districts, and the resulting amount per tax-rate-weighted average daily attendance shall be multiplied by each eligible district's tax-rate-weighted average daily attendance to determine the amount to be paid to each eligible district.

2. Upon the occurrence of the earlier of the two conditions outlined in subdivision (2) of subsection 1 of this section, and each subsequent fiscal year, the general assembly shall appropriate an amount to be directed in the following manner to school districts with an average daily attendance for the regular school year of three hundred fifty-one to and including four hundred forty-nine students in the school year preceding the payment year, so that a school district with an average daily attendance for the regular school year of three hundred fifty-one shall receive ninety-nine percent of the amount per average daily attendance distributed under subdivision (1) of subsection 1 of this section and the percentage factor shall decrease by one per each additional student in average daily attendance as average daily attendance for the regular school year increases to and including four hundred forty-nine.

3. The payment under this section shall not be transferred to the capital projects fund.

[3.] 4. Except as provided in subsection [2] 3 of this section, districts receiving payments under this section may use the moneys for, including but not limited to, the following:

- (1) Distance learning;
- (2) Extraordinary transportation costs;
- (3) Rural teacher recruitment; and
- (4) Student learning opportunities not available within the district.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE CONCURRENT RESOLUTION NO. 79

WHEREAS, the F/A-18E/F Block II Super Hornet is the Navy's next generation carrier-based strike fighter with advanced air-to-ground and air-to-air operational capabilities, and will be the backbone of the fleet for the next 25 years; and

WHEREAS, the Department of Navy testified to a strike fighter shortfall of over 240 aircraft by 2016, which poses a significant operational risk by diminishing deterrent capabilities and limiting surge capability to respond to a crisis; and

WHEREAS, aging F/A-18A-D aircraft are being used far beyond their original design life limits; and

WHEREAS, any additional delay in F-35C initial operational capability (IOC) will significantly increase the strike fighter shortfall; and

WHEREAS, both FY2010 defense authorization and appropriations bills authorized the Navy to enter into a multi-year procurement (MYP) contract to buy additional F/A-18 E/F Block II Super Hornets to mitigate the TACAIR shortfall; and

WHEREAS, F/A-18A-D Hornets and F/A-18E/F Super Hornets currently fly 30% of all TACAIR sorties and 50% of all CENTCOM Close Air Support missions; and

WHEREAS, 100% of the Super Hornets have been delivered on time and at cost; and

WHEREAS, reliability and low operating costs for the F/A-18E/F have generated 20% in savings versus F/A-18A-D aircraft; and

WHEREAS, current F/A-18E/F Super Hornet Program of Record production line ends in FY2013 without additional aircraft procurement; and

WHEREAS, shutting down the production line results in loss of industrial base and limits the domestic strike fighter market to only a single manufacturer; and

WHEREAS, the F/A-18E/F Super Hornet Program supports 23,426 direct and indirect jobs with 191 companies across the State of Missouri and has an estimated one billion dollars of total economic impact in Missouri:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-fifth General Assembly, Second Regular Session, the Senate concurring therein, hereby support procurement of the F/A-18E/F Block II Super Hornet under a multi-year contract as a highly capable, low risk, and affordable mitigation to the Navy's TACAIR shortfall; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for each member of the Missouri Congressional delegation.

SENATE CONCURRENT RESOLUTION NO. 52

WHEREAS, the Missouri State government is an institution that is empowered by the will and consent of the people of Missouri; and

WHEREAS, the elected and appointed officials of the state of Missouri must recognize that the tax dollars expended by the state belong to the people of the state; and

WHEREAS, during the spring of 2009, for the 2008 tax year, Missouri state taxpayers did not receive their tax refunds in a timely manner; and

WHEREAS, taxpayers were told by the Department of Revenue that there were processing delays and there were not enough staff to handle requests; and

WHEREAS, however, the monies that are rightly owed back to the taxpayers, were held at length without the consent of the taxpayers to cover budget shortfalls; and

WHEREAS, many tax refunds were not completed until the late summer of 2009; and

WHEREAS, while taxpayers are held to their obligations to pay taxes on time, the state did not honor the obligation to return taxpayer money to the taxpayers in a timely fashion; and

WHEREAS, tax refunds are the result of overpayment of taxes and those overpayments do not belong to the state, but to the people:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, recognizes that tax refunds lawfully belong to the people and that the Governor and the Department of Revenue must ensure that income tax refunds

are processed and returned in a timely manner, that the tax dollars owed to the people are not to be used under false pretenses; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the Governor and the Director of the Department of Revenue.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 55**.

SENATE CONCURRENT RESOLUTION NO. 55

WHEREAS, our nation is fortunate to possess a wealth of natural resources and we have a long history of stewardship of these resources; and

WHEREAS, just as a farmer carefully tends the land on which his survival depends, many of our country's best resource stewards are those who use the resource and for whom the resource holds intrinsic value for sustenance, survival, or cultural tradition; and

WHEREAS, recreational fishermen and women are prime examples of responsible resource stewards, as they place an extremely high value on the quality and existence of our nation's coastal waters and freshwater resources. Recreational fishermen and women respect our country's marine and freshwater habitats because they know that in order for these ecosystems to sustain the aquatic life and natural wonder for which they are sought, these resources must be protected and carefully managed; and

WHEREAS, fishing as a pastime in our country boasts strong support, with 93 percent of Americans indicating they support legal recreational fishing, and it is an activity that is enjoyed by Americans across all age, gender, socioeconomic, and ethnic distinctions; and

WHEREAS, recreational fishermen and women contribute significantly to the national and regional economies through equipment and gear purchases, fuel, lodging, and food, with total related sportfishing expenditures exceeding \$125 billion and supporting over 1 million jobs; and

WHEREAS, President Obama created an Interagency Ocean Policy Task Force in June of 2009 charged with recommending a national policy to ensure the protection, maintenance, and restoration of oceans, our coasts, and the Great Lakes; and

WHEREAS, the Task Force has issued two reports since its creation, the Interim Report of the Interagency Ocean Policy Task Force and the Interim Framework for Effective Coastal and Marine Spatial Planning, however the Task Force has failed to expressly recognize responsibly-regulated recreational fishing as a national priority for the oceans and Great Lakes in either of these reports; and

WHEREAS, without its recognition as a national priority, recreational fishing opportunities could become more limited, curtailed, or even potentially eliminated:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby strenuously urge President Obama to include recreational fishing and boating as national priorities and ensure and promote recreational fishing and access to public waters in the Interagency Ocean Policy Task Force's concluding report and any forthcoming Executive Order based upon the report; and

BE IT FURTHER RESOLVED that the members strongly urge the members of Congress to take any measure within their power to mitigate or overturn any Executive Order issued to implement recommendations by the Interagency Ocean Policy Task Force if such recommendations do not include responsibly-regulated recreational fishing and boating

as national priorities for oceans, our coasts, and the Great Lakes and if such recommendations do not ensure and promote recreational fishing and access to public waters; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for President Obama, the Chairperson of the Interagency Ocean Policy Task Force, the Speaker of the United States House of Representatives, the President of the United States Senate, and members of the Missouri congressional delegation.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 56**.

SENATE CONCURRENT RESOLUTION NO. 56

WHEREAS, the United States Environmental Protection Agency (EPA) will shortly begin regulating greenhouse gas emissions under the federal Clean Air Act; and

WHEREAS, as a result of EPA's action, major new sources of electric generation will be mandated to obtain Prevention of Significant Deterioration (PSD) permits setting forth Best Available Control Technology requirements for greenhouse gases; and

WHEREAS, major uncertainty exists because trial technologies, such as carbon capture and sequestration or integrated gasification combined cycle power plants, which hold significant prospect to reduce greenhouse gas emissions, are still years away from being proven to be economically practicable or commercially available; and

WHEREAS, this uncertainty could paralyze the long-term planning and development of new electric generating units in the state at a time when the state faces a critical void in the coming years in the electric power needed to support economic recovery and growth; and

WHEREAS, highly efficient power technologies, such as super-critical and ultra super-critical coal-fired electric generating units, represent a significant advancement over earlier generation coal units in terms of efficient use of coal and in reductions of emissions, and are compatible with carbon capture and sequestration systems when they become commercially viable, which will lead to even further greenhouse gas reductions; and

WHEREAS, these super-critical technologies are already demonstrated to serve the dual purpose of reducing the overall emissions profile of the electricity generation unit while providing efficient, affordable, and available power today and into the future; and

WHEREAS, it is in the state's interest to support the use of these advanced and available technologies that take advantage of existing coal reserves to offer the state significant environmental and economic advantages, rather than delay development of critically needed baseload electricity supply or resort fully to less efficient or more expensive technologies:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the Department of Natural Resources, in issuing PSD permits for new conventional coal-fueled electric generating units, and consistent with otherwise applicable law, to fully consider:

- (1) The need to act expeditiously in accordance with the state's need to develop new electric generation; and
- (2) The use of commercially available technologies that are designed to be as efficient as is economically practicable, including advanced super-critical pulverized coal, ultra super-critical pulverized coal, and that are designed to be carbon capture and sequestration-compatible, as potential Best Available Control Technology; and

BE IT FURTHER RESOLVED that this resolution does not amend any state law to which the Department of Natural Resources is subject in the PSD process, and shall be interpreted to be consistent with any requirements of such state or federal law; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for Governor Jay Nixon and the Director of the Department of Natural Resources.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SS#3 SCS SJR 45**, entitled:

JOINT RESOLUTION

Submitting to the qualified voters of Missouri, an amendment repealing sections 2(a) and 2(b) of article IX of the Constitution of Missouri, and adopting two new sections in lieu thereof relating to the state board of education, with an effective date.

In which the concurrence of the House is respectfully requested.

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

SIXTIETH DAY, WEDNESDAY, APRIL 28, 2010

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

O Lord, our Lord, Your majestic name fills the Earth! Your glory is higher than the Heavens. The Lord is a refuge for the oppressed, a place of safety in times of trouble. Those who know You, Lord, will trust You; You do not abandon anyone who comes to You.

We choose to be accurate in everything we do today. With Your help, we will continue to be people of integrity, honesty and humility. We humbly receive Your wisdom. Help us to do what is right simply because it is right.

May we, the members of the Missouri House of Representatives be encouraged and guided by Your Word as we deliberate and discuss the critical issues before us today.

It is useless to work so hard from early morning until late at night and not accomplish set goals. May our time be well spent and fruitful.

Lord God, at the end of this long, exhausting day, grant us a well deserved rest, for You alone, O Lord, give sleep to the weary.

Now may You, Lord God our Father, Who loved us and by Your grace gave us eternal comfort and a wonderful hope, comfort and strengthen us in every good thing we do and say.

In the name of Your Son, I pray. Amen.

The McDonald County High School Army Junior ROTC Battalion Color Guard presented the Colors.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Michael Skinner, Matt Riva, Taylor Jones, Brandon Thomas, Garrett DeBoor and Delaney Northington.

Failure to respond on behalf of the department shall result in the notice of intent being deemed an approval for the purposes of this section.

4. A qualified manufacturing company may, upon the department's approval of a notice of intent and the execution of an agreement that meets the requirements of subsection 9 of this section, but no earlier than January 1, 2012, retain fifty percent of the withholding tax from full-time jobs at the facility for a period of ten years. Except as otherwise allowed under subsection 7 of this section, the commencement of the withholding period may be delayed by no more than twenty-four months after execution of the agreement at the option of the qualified manufacturing company. Such qualified manufacturing company shall be eligible for participation in the Missouri quality jobs program under sections 620.1875 to 620.1890 for any new jobs for which it does not retain withholding tax pursuant to this section, provided all qualifications for such program are met.

5. A qualified supplier may, upon approval of a notice of intent by the department, retain all withholding tax from new jobs for a period of three years from the date of approval of the notice of intent or for a period of five years if the supplier pays wages for the new jobs equal to or greater than one hundred twenty percent of county average wage. Notwithstanding any provision of law to the contrary, a qualified supplier that is awarded benefits under this section shall not receive any tax credit or exemption or be entitled to retain withholding under sections 100.700 to 100.850, sections 135.100 to 135.150, sections 135.200 to 135.286, section 135.535, sections 135.900 to 135.906, sections 135.950 to 135.970, or section 620.1881 for the same jobs.

6. Notwithstanding any other provision of this section, the maximum amount of withholding tax that may be retained by any one qualified manufacturing company pursuant to this section shall not exceed ten million dollars per calendar year. The aggregate amount of withholding tax that may be retained by all qualified manufacturing companies pursuant to this section shall not exceed fifteen million dollars per calendar year.

7. Notwithstanding any provision of law to the contrary, any qualified manufacturing company that is awarded benefits under this section shall not simultaneously receive tax credits or exemptions under sections 100.700 to 100.850, sections 135.100 to 135.150, sections 135.200 to 135.286, section 135.535, or sections 135.900 to 135.906 for the jobs created or retained or capital improvement which qualified for benefits under this section. The benefits available to the qualified manufacturing company under any other state programs for which the qualified manufacturing company is eligible and which utilize withholding tax from the jobs at the facility shall first be credited to the other state program before the applicable withholding period for benefits provided under this section shall begin. These other state programs shall include, but are not limited to, the new jobs training program under sections 178.892 to 178.896, the job retention program under sections 178.760 to 178.764, the real property tax increment allocation redevelopment act, sections 99.800 to 99.865, or the Missouri downtown and rural economic stimulus act under sections 99.915 to 99.980. If any qualified manufacturing company also participates in the new jobs training program in sections 178.892 to 178.896, such qualified manufacturing company shall not retain any withholding tax that has already been allocated for use in the new jobs training program. Any taxpayer who is awarded benefits under this section who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state an amount equal to any withholding taxes already retained. Subsection 5 of section 285.530 shall not apply to taxpayers awarded benefits under this program.

8. The department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule

are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2010, shall be invalid and void.

9. Within six months of completion of a notice of intent required under this section, the qualified manufacturing company shall enter into an agreement with the department that memorializes the contents of the notice of intent, the requirements of this section, and the consequences for failing to meet such requirements, which shall include the following:

(1) If the number of full-time jobs of the qualified manufacturing company at the facility falls below the number of full-time jobs specified within the notice of intent at any time during the withholding period, or if the amount of capital investment made by the qualified manufacturing company is not made within the two-year period provided for such investment, the qualified manufacturing company shall immediately cease retaining any withholding tax with respect to jobs at the facility and it shall forfeit all rights to retain withholding tax for the remainder of the withholding period. In addition, the qualified manufacturing company shall repay any amounts of withholding tax retained plus interest of five percent per annum. However, in the event that such employment shortfall is due to economic conditions beyond the control of the qualified manufacturing company, the director may, at the qualified manufacturing company's request, suspend rather than terminate its privilege to retain withholding tax pursuant to this section for up to three years. Any such suspension shall extend the withholding period by the same amount of time. No more than one such suspension shall be granted to a qualified manufacturing company;

(2) If the qualified manufacturing company discontinues the manufacturing of the new product and does not replace it with a subsequent or additional new product manufactured at the facility at any time during the withholding period, the qualified manufacturing company shall immediately cease retaining any withholding tax with respect to jobs at that facility and it shall forfeit all rights to retain withholding tax for the remainder of the withholding period.

10. Prior to March first each year, the department shall provide a report to the general assembly including the names of participating qualified manufacturing companies or qualified suppliers, location of facilities or suppliers, the annual amount of benefits provided, the estimated net state fiscal impact including direct and indirect new state taxes derived, and the number of new jobs created or jobs retained.

11. Under section 23.253, of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Second Regular Session, 95th GENERAL ASSEMBLY

SIXTY-FIRST DAY, THURSDAY, APRIL 29, 2010

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Msgr. Donald W. Lammers.

O Lord our God, we thank You for the strengthening grace which has accompanied us in the work of the last four months. We have reached the hard work of the last weeks of the 2010 Session of this body. We pray for ourselves.

Lord, may everything we do
begin with Your inspiration and continue with Your help,
so that all our prayers and works
may begin in You and by You be happily ended.
Glory and praise to You, forever and ever. Amen.
(Book of Blessings)

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Katelyn Beilsmith, Jamie Berger, Robbie Magruder, Alexa Gust, Alex Basi, Nicholas Basi, Julianna Basi, Matthew Bunch, Devin Asher, Levi Earnest, Kayla Guinn and Ashton Moise.

HOUSE CONCURRENT RESOLUTION NO. 67

WHEREAS, bicycling and walking are essential to millions of Missourians as basic transportation and enjoyed by millions of Missourians as healthful recreation; and

WHEREAS, encouraging and promoting a complete network of safe bicycle and pedestrian ways and routes is essential for those Missourians who rely on bicycling and walking for transportation; and

WHEREAS, a safe and complete bicycle and pedestrian system is important for Missouri's economy and economic development; and

WHEREAS, incorporating bicycle and pedestrian accommodations as a routine part of Missouri's road and street network is the most cost-effective way to make opportunities for safe walking and bicycling available to all Missourians and to enable those who bicycle and walk to reach all needed destinations; and

WHEREAS, walking and bicycling improve the public health and reduce treatment costs for conditions associated with reduced physical activity, including obesity, heart disease, lung disease, and diabetes; and

WHEREAS, the United Health Foundation estimates direct medical costs associated with physical inactivity in Missouri at \$1.9 billion in 2008, and projects an annual cost for Missouri of over \$8 billion per year by 2018 if current trends continue; and

WHEREAS, the annual per capita cost of obesity is \$450 per Missourian, the highest per capita cost of any state in the United States; and

WHEREAS, designing our communities, our neighborhoods, our commercial centers, and our employment centers to be safe and inviting for bicycling and walking is a proven and recommended solution for increasing citizens' physical activity levels, improving physical fitness, reducing obesity, improving overall health, and so reducing health care and economic costs related to obesity and poor physical fitness; and

WHEREAS, promoting bicycling and walking for transportation improves Missouri's environment, reduces congestion, reduces the need for expensive expansion of our road and highway systems, and reduces our dependence on foreign energy supplies; and

WHEREAS, creating communities that invite and encourage bicycling and walking builds strong neighborhoods and encourages healthy, stable, safe, and livable communities; and

WHEREAS, creating healthy, walkable, bicyclable, and livable communities helps keep Missouri competitive in the global competition for high quality businesses and motivated, creative workers who consider transportation and recreation options an essential part of a healthy community; and

WHEREAS, Missourians who reach retirement age choose more often to bicycle and walk for fitness, recreation, enjoyment, and transportation; and

WHEREAS, citizens with disabilities often rely on bicycling, walking, and transit to meet basic transportation needs and to make connections with the transit system, face great obstacles within our current transportation system, and benefit greatly from complete and well-designed accommodations for bicycling and walking; and

WHEREAS, all transit users depend on bicycling and walking for essential transportation, and young people who develop stamina and fitness through regular active transportation reap important benefits in their physical, social, emotional, and intellectual development; and

WHEREAS, the number of Missouri students who bicycle and walk to school has dropped dramatically over the past forty years, with 50% of students bicycling or walking in 1975 but only 15% in 2005. In the same period, the percentage of children clinically defined as overweight has increased from 8% to 25%; and

WHEREAS, not only the health and physical fitness but also the mental health and overall independence and maturity of school-age children has suffered as a result of fewer children bicycling and walking regularly, and the conditions of our roads, streets, sidewalks, and intersections in failing to provide safe accommodations for bicycling and walking is in large part responsible for this change; and

WHEREAS, a lack of physical activity plays a leading role in rising rates of obesity, diabetes, and other health problems among children, and being able to bicycle or walk to school offers an opportunity to build healthy activity into the daily routine; and

WHEREAS, the Institute of Medicine reports that increasing opportunities for regular physical activity and supporting the efforts of families to incorporate physical activity into their lives are important strategies for reversing the childhood obesity epidemic; and

WHEREAS, 20-25% of morning rush hour traffic is attributable to parents driving their children to school; and

WHEREAS, over fifty Missouri organizations, agencies, schools, officials, and individuals have joined together to form the Missouri Safe Routes to School Network to encourage more children to safely bicycle and walk to school and to make streets, sidewalks, and communities safer and more inviting to children and families to bicycle and walk; and

WHEREAS, the usual and customary users of Missouri's roads, highways, and bridges include pedestrians, bicyclists, and transit passengers of all ages and abilities, as well as drivers and passengers of trucks, buses, and automobiles; and

WHEREAS, the term "Complete Streets" means creating roads, streets, and communities where all road users can feel safe, secure, and welcome on our roads and streets and throughout our communities; and

WHEREAS, the principles of Complete Streets are designed to create a transportation network that meets the needs of all users of the state's transportation system: pedestrians of all ages and abilities, bicyclists, disabled persons, public transportation vehicles and patrons, and those who travel in trucks, buses, and automobiles; and

WHEREAS, the terms "livable streets" and "comprehensive street design" are also used to identify these same concepts; and

WHEREAS, coordination and cooperation among many different agencies and municipalities is required to fully implement Complete Streets and create a complete, connected, and safe transportation network for bicycling and walking; and

WHEREAS, Complete Streets' policies require transportation planners and engineers to engage with a wide range of communities and stakeholders, build projects that meet the needs of all users of our transportation system, and design roads and bridges that complement and complete our communities and the human environment; and

WHEREAS, Complete Streets' policies enhance the unique characteristics of all communities by investing in healthy, safe, and walkable neighborhoods in rural, urban, and suburban areas; and

WHEREAS, Complete Streets' policies develop safe, reliable, and economic transportation choices to decrease household transportation costs, improve air quality, and promote public health; and

WHEREAS, Complete Streets policies are those that:

(1) Ensure that transportation projects provide for the needs of drivers, public transportation vehicles and patrons, bicyclists, and pedestrians of all ages and abilities in all planning, programming, design, construction, reconstruction, retrofit, operations, and maintenance activities and products;

(2) Provide for safety and contiguous routes for all road users;

(3) Ensure that bicycle ways and pedestrian ways, including sidewalks, crosswalks, paths, bicycle lanes, shoulders, shared use lanes, and all other facilities necessary for safe accommodation of bicycling and walking, shall be given full consideration in the planning, development, construction, and maintenance of transportation facilities;

(4) Reaffirm that pedestrians, disabled persons, bicyclists, users of public transit, and other nonmotorized users of public roadways are among the customary users of public roads and highways, except where specifically prohibited by law or regulation;

(5) Encourage the cooperation and coordination among agencies and municipalities to create safe, complete, integrated, and seamless system of routes for these users across borders and jurisdictions;

(6) Support routine and appropriate accommodation for bicyclists, pedestrians, disabled persons, and transit users on all transportation projects, as appropriate to the context, community, and project use, except:

(a) Where bicycling and walking are not allowed;

(b) Where sparsity of population or other factors indicate an absence of any need for such accommodations now or in the future;

(c) Where the cost of establishing such accommodations would be excessively disproportionate to the need or probable use:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-fifth General Assembly, Second Regular Session, the Senate concurring therein, hereby declare our support for Complete Streets policies and urge their adoption at the local, metropolitan, regional, state, and national levels; and

BE IT FURTHER RESOLVED that the General Assembly encourages and urges the United States Department of Transportation, the Missouri Department of Transportation, the governing bodies of metropolitan planning organizations and regional planning commissions, municipalities, and other organizations and agencies that build, control, maintain, or fund roads, highways, and bridges in Missouri to adopt Complete Streets' policies and to plan, design, build, and maintain their road and street system to provide complete, safe access to all road users; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for Governor Jay Nixon; Ray LaHood, Secretary of the United States Department of Transportation; members of the Missouri Highways and Transportation Commission; Pete Rahn, Director of the Missouri Department of Transportation; the directors of each metropolitan planning agency and regional planning commission in the State of Missouri; and to the Missouri Municipal League.

Mr. Speaker: Your Committee on Transportation, to which was referred **SCR 51**, begs leave to report it has examined the same and recommends that it **Do Pass**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

Mr. Speaker: Your Committee on Transportation, to which was referred **SB 716**, begs leave to report it has examined the same and recommends that it **Do Pass with House Committee Substitute**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

Mr. Speaker: Your Committee on Transportation, to which was referred **SCS SBs 812, 752 & 909**, begs leave to report it has examined the same and recommends that it **Do Pass with House Committee Substitute**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

The governing body of any county of the third classification without a township form of government and with more than five thousand nine hundred but fewer than six thousand inhabitants may impose a tax on the charges for all sleeping rooms paid by the transient guests of hotels or motels situated in the county or a portion thereof, which shall not be more than five percent per occupied room per night, except that such tax shall not become effective unless the governing body of the county submits to the voters of the county at a state general or primary election a proposal to authorize the governing body of the county to impose a tax under this section. The tax authorized in this section shall be in addition to the charge for the sleeping room and all other taxes imposed by law, and fifty percent of the proceeds of such tax shall be used by the county to fund law enforcement with the remaining fifty percent of such proceeds to be used to fund the promotion of tourism. 2. The ballot of submission for the tax authorized in this section shall be in substantially the following form:

Further amend said bill, Page 39, Section 94.832, Line 8 of said page, by inserting immediately after said line the following:

"94.840. 1. The governing body of any city of the fourth classification with more than thirty thousand three hundred but fewer than thirty thousand seven hundred inhabitants may impose a tax on the charges for all sleeping rooms paid by the transient guests of hotels or motels situated in the city or a portion thereof, which shall not be more than five percent per occupied room per night, except that such tax shall not become effective unless the governing body of the city submits to the voters of the city at a state general, primary, or special election a proposal to authorize the governing body of the city to impose a tax under this section. The tax authorized in this section shall be in addition to the charge for the sleeping room and all other taxes imposed by law, and the proceeds of such tax shall be used by the city for the promotion, operation, and development of tourism and convention facilities. Such tax shall be stated separately from all other charges and taxes.

2. The ballot of submission for the tax authorized in this section shall be in substantially the following form:

Shall (insert the name of the city) impose a tax on the charges for all sleeping rooms paid by the transient guests of hotels and motels situated in (name of city) at a rate of (insert rate of percent) percent for the purpose of the promotion, operation, and development of tourism and convention facilities?

☐ YES

☐ NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter following the calendar quarter in which the election was held. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax authorized by this section shall not become effective unless and until the question is resubmitted under this section to the qualified voters of the city and such question is approved by a majority of the qualified voters of the city voting on the question.

3. As used in this section, "transient guests" means a person or persons who occupy a room or rooms in a hotel or motel for thirty-one days or less during any calendar quarter.

94.900. 1. The governing body of any city of the third classification with more than ten thousand eight hundred but less than ten thousand nine hundred inhabitants located at least partly within a county of the first classification with more than one hundred eighty-four thousand but less than one hundred eighty-eight thousand inhabitants, or any city of the fourth classification with more than eight thousand nine hundred but fewer than nine thousand inhabitants, **or any city of the fourth classification with more than two thousand six hundred but fewer than two thousand seven hundred inhabitants and located in any county of the first classification with more than eighty-two thousand but fewer than eighty-two thousand one hundred inhabitants, or any home rule city with more than forty-eight thousand but fewer than forty-nine thousand inhabitants** is hereby authorized to impose, by ordinance or order, a sales tax in the amount of up to one-half of one percent on all retail sales made in such city which are subject to taxation under the provisions of sections 144.010 to 144.525, RSMo, for the purpose of improving the public safety for such city, including but not limited to expenditures on equipment, city employee salaries and benefits, and facilities for police, fire and emergency medical providers. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax pursuant to the provisions of this section shall be effective unless the governing body of the city submits to the voters of the city, at a county or state general, primary or special election, a proposal to authorize the governing body of the city to impose a tax.

2. If the proposal submitted involves only authorization to impose the tax authorized by this section, the ballot of submission shall contain, but need not be limited to, the following language:

Shall the city of (city's name) impose a citywide sales tax of (insert amount) for the purpose of improving the public safety of the city?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal submitted pursuant to this subsection, then the ordinance or order and any amendments thereto shall be in effect on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the local sales tax. If a proposal receives less than the required majority, then the governing body of the city shall have no power to impose the sales tax herein authorized unless and until the governing body of the city shall again have submitted another proposal to authorize the governing body of the city to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters voting thereon. However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

3. All revenue received by a city from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely for improving the public safety for such city for so long as the tax shall remain in effect.

4. Once the tax authorized by this section is abolished or is terminated by any means, all funds remaining in the special trust fund shall be used solely for improving the public safety for the city. Any funds in such special trust fund which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other city funds.

5. All sales taxes collected by the director of the department of revenue under this section on behalf of any city, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, RSMo, shall be deposited in a special trust fund, which is hereby created, to be known as the "City Public Safety Sales Tax Trust Fund". The moneys in the trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The provisions of section 33.080, RSMo, to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of the general revenue fund. The director of the department of revenue shall keep accurate records of the amount of money in the trust and which was collected in each city imposing a sales tax pursuant to this section, and the records shall be open to the inspection of officers of the city and the public. Not later than the tenth day of each month the director of the department of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the city which levied the tax; such funds shall be deposited with the city treasurer of each such city, and all expenditures of funds arising from the trust fund shall be by an appropriation act to be enacted by the governing body of each such city. Expenditures may be made from the fund for any functions authorized in the ordinance or order adopted by the governing body submitting the tax to the voters.

6. The director of the department of revenue may make refunds from the amounts in the trust fund and credited to any city for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such cities. If any city abolishes the tax, the city shall notify the director of the department of revenue of the action at least ninety days prior to the effective date of the repeal and the director of the department of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city, the director of the department of revenue shall remit the balance in the account to the city and close the account of that city. The director of the department of revenue shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

7. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed pursuant to this section.

94.902. 1. The governing body of any city of the third classification with more than twenty-six thousand three hundred but less than twenty-six thousand seven hundred inhabitants, or any city of the fourth classification with more than thirty thousand three hundred but fewer than thirty thousand seven hundred inhabitants, **or any city of the fourth classification with more than twenty-four thousand eight hundred but fewer than twenty-five thousand inhabitants**, may impose, by order or ordinance, a sales tax on all retail sales made in the city which are subject to taxation under chapter 144, RSMo. The tax authorized in this section may be imposed in an amount of up to one-half of one percent, and shall be imposed solely for the purpose of improving the public safety for such city, including but not limited to expenditures on equipment, city employee salaries and benefits, and facilities for police, fire and emergency medical providers. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes. The order or ordinance imposing a sales tax under this section shall not become effective unless the governing body of the city submits to the voters residing within the city, at a county or state general, primary, or special election, a proposal to authorize the governing body of the city to impose a tax under this section.

2. The ballot of submission for the tax authorized in this section shall be in substantially the following form:
Shall the city of (city's name) impose a citywide sales tax at a rate of (insert rate of percent) percent for the purpose of improving the public safety of the city?

☐ YES

☐ NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments to the order or ordinance shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of the adoption of the sales tax. If a majority of the votes cast on the proposal by the qualified voters voting thereon are opposed to the proposal, then the tax shall not become effective unless the proposal is resubmitted under this section to the qualified voters and such proposal is approved by a majority of the qualified voters voting on the proposal. However, in no event shall a proposal under this section be submitted to the voters sooner than twelve months from the date of the last proposal under this section.

3. Any sales tax imposed under this section shall be administered, collected, enforced, and operated as required in section 32.087, RSMo. All sales taxes collected by the director of the department of revenue under this section on behalf of any city, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, RSMo, shall be deposited in a special trust fund, which is hereby created in the state treasury, to be known as the "City Public Safety Sales Tax Trust Fund". The moneys in the trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The provisions of section 33.080, RSMo, to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of the general revenue fund. The director shall keep accurate records of the amount of money in the trust fund and which was collected in each city imposing a sales tax under this section, and the records shall be open to the inspection of officers of the city and the public. Not later than the tenth day of each month the director shall distribute all moneys deposited in the trust fund during the preceding month to the city which levied the tax. Such funds shall be deposited with the city treasurer of each such city, and all expenditures of funds arising from the trust fund shall be by an appropriation act to be enacted by the governing body of each such city. Expenditures may be made from the fund for any functions authorized in the ordinance or order adopted by the governing body submitting the tax to the voters. If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes. Any funds in the special trust fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The director of the department of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any city for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such cities. If any city abolishes the tax, the city shall notify the director of the action at least ninety days before the effective date of the repeal, and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city, the director shall remit the balance in the account to the city and close the account of that city. The director shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

5. The governing body of any city that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city. The ballot of submission shall be in substantially the following form:

Shall (insert the name of the city) repeal the sales tax imposed at a rate of (insert rate of percent) percent for the purpose of improving the public safety of the city?

☐ YES

☐ NO

If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters, and the repeal is approved by a majority of the qualified voters voting on the question.

6. Whenever the governing body of any city that has adopted the sales tax authorized in this section receives a petition, signed by ten percent of the registered voters of the city voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the governing body shall submit to the voters of the city

a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

7. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed under this section.

94.1011. 1. The governing body of any city of the third classification with more than three thousand five hundred but fewer than three thousand six hundred inhabitants may impose, by order or ordinance, a tax on the charges for all sleeping rooms paid by the transient guests of hotels or motels situated in the city or a portion thereof. The tax shall be not more than three percent per occupied room per night, and shall be imposed solely for the purpose of funding the construction, maintenance, and repair of a multipurpose conference and convention center. The tax authorized in this section shall be in addition to the charge for the sleeping room and all other taxes imposed by law, and shall be stated separately from all other charges and taxes.

2. No such order or ordinance shall become effective unless the governing body of the city submits to the voters of the city at a state general, primary, or special election a proposal to authorize the governing body of the city to impose a tax under this section. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter following the calendar quarter in which the election was held. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters of the city and such question is approved by a majority of the qualified voters voting on the question.

3. All revenue generated by the tax shall be collected by the city collector of revenue, shall be deposited in a special trust fund, and shall be used solely for the designated purposes. If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes. Any funds in the special trust fund that are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other city funds. Any interest and moneys earned on such investments shall be credited to the fund.

4. The governing body of any city that has adopted the tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city. If a majority of the votes cast on the proposal are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters of the city, and the repeal is approved by a majority of the qualified voters voting on the question.

5. Whenever the governing body of any city that has adopted the tax authorized in this section receives a petition, signed by a number of registered voters of the city equal to at least two percent of the number of registered voters of the city voting in the last gubernatorial election, calling for an election to repeal the tax imposed under this section, the governing body shall submit to the voters of the city a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax shall remain effective until the question is resubmitted under this section to the qualified voters of the city and the repeal is approved by a majority of the qualified voters voting on the question.

6. As used in this section, "transient guests" means a person or persons who occupy a room or rooms in a hotel or motel for thirty-one days or less during any calendar quarter.

137.1040. 1. In addition to other levies authorized by law, the county commission in counties not adopting an alternative form of government and the proper administrative body in counties adopting an alternative form of government, or the governing body of any city, town, or village, in their discretion may levy an additional tax, not to exceed one quarter of one cent on each one hundred dollars assessed valuation, on all taxable real property located within such city, town, village, or county, all of such tax to be collected and allocated to the city, town, village, or county treasury, where it shall be known and designated as the "Cemetery Maintenance Trust Fund" to be used for the upkeep and maintenance of cemeteries located within such city, town, village, or county.

2. To the extent necessary to comply with article X, section 22(a) of the Missouri Constitution, for any city, town, village, or county with a tax levy at or above the limitations provided under article X, section 11(b), no ordinance adopted under this section shall become effective unless the county commission or proper administrative body of the county, or governing body of the city, town, or village submits to the voters of the city, town, village, or county at a state general, primary, or special election a proposal to authorize the imposition of a tax under this section. The tax authorized under this section shall be levied and collected in the same manner as other real property taxes are levied and collected within the city, town, village, or county. Such tax shall be in addition to all other taxes imposed on real property, and shall be stated separately from all other charges and taxes. Such tax shall not become effective unless the county commission or proper administrative body of the county or governing body of the city, town, or village, by order or ordinance, submits to the voters of the county a proposal to authorize the city, town, village, or county to impose a tax under this section on any day available for such city, town, village, or county to hold elections or at a special election called for that purpose.

3. The ballot of submission for the tax authorized in this section shall be in substantially the following form:

Shall (insert the name of the city, town, village, or county) impose a tax on all real property situated in (name of the city, town, village, or county) at a rate of (insert rate not to exceed one quarter of one cent per one hundred dollars assessed valuation) for the sole purpose of providing funds for the maintenance, upkeep, and preservation of city, town, village, or county cemeteries?

☐ YES

☐ NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter immediately following notification to the city, town, village, or county collector. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

4. The tax imposed under this section shall be known as the "Cemetery Maintenance Tax". Each city, town, village, or county imposing a tax under this section shall establish separate trust funds to be known as the "Cemetery Maintenance Trust Fund". The city, town, village, or county treasurer shall deposit the revenue derived from the tax imposed under this section for cemetery purposes in the city, town, village, or county cemetery maintenance trust fund. The proceeds of such tax shall be appropriated by the county commission or appropriate administrative body, or the governing body of the city, town, or village exclusively for the maintenance, upkeep, and preservation of cemeteries located within the jurisdiction of such commission or body.

5. All applicable provisions in this chapter relating to property tax shall apply to the collection of any tax imposed under this section."; and

Senate Amendment No. 2

AMEND Senate Substitute for Senate Committee Substitute for House Bill No. 1442, Page 39, Section 94.832, Line 8 of said page, by inserting after all of said line the following:

"138.431. 1. To hear and decide appeals pursuant to section 138.430, the commission shall appoint one or more hearing officers. The hearing officers shall be subject to supervision by the commission. No person shall participate on behalf of the commission in any case in which such person is an interested party.

2. The commission may assign such appeals as it deems fit to a hearing officer for disposition.

(1) The assignment shall be deemed made when the scheduling order is first issued by the commission and signed by the hearing officer assigned, unless another hearing officer is assigned to the case for disposition by other language in said order.

(2) A change of hearing officer, or a reservation of the appeal for disposition as described in subsection 3 of this section, shall be ordered by the commission in any appeal upon the timely filing of a written application by a party to disqualify the hearing officer assigned. The application shall be filed within thirty days from the assignment of any appeal to a hearing officer and need not allege or prove any cause for such change and need not be verified. No more than one change of hearing officer shall be allowed for each party in any appeal.

3. The commission may, in its discretion, reserve such appeals as it deems fit to be heard and decided by the full commission, a quorum thereof, or any commissioner, subject to the provisions of section 138.240, and, in such case, the decision shall be final, subject to judicial review in the manner provided in subsection 4 of section 138.470.

[3.]4. The manner in which appeals shall be presented and the conduct of hearings shall be made in accordance with rules prescribed by the commission for determining the rights of the parties; provided that, the commission, with the consent of all the parties, may refer an appeal to mediation. The commission shall promulgate regulations for mediation pursuant to this section. No regulation or portion of a regulation promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536, RSMo. There shall be no presumption that the assessor's valuation is correct. A full and complete record shall be kept of all proceedings. All testimony at any hearing shall be recorded but need not be transcribed unless the matter is further appealed.

[4.] 5. Unless an appeal is voluntarily dismissed, a hearing officer, after affording the parties reasonable opportunity for fair hearing, shall issue a decision and order affirming, modifying, or reversing the determination of the board of equalization, and correcting any assessment which is unlawful, unfair, improper, arbitrary, or capricious. The commission may, prior to the decision being rendered, transfer to another hearing officer the proceedings on an appeal determination before a hearing officer. The complainant, respondent-assessor, or other party shall be duly notified of a hearing officer's decision and order, together with findings of fact and conclusions of law. Appeals from decisions of hearing officers shall be made pursuant to section 138.432.

[5.] 6. All decisions issued pursuant to this section or section 138.432 by the commission or any of its duly assigned hearing officers shall be issued no later than sixty days after the hearing on the matter to be decided is held or the date on which the last party involved in such matter files his or her brief, whichever event later occurs."; and

Further amend the title and enacting clause accordingly.

RE: Possible Personal Interest in Legislation

Dear Chief Clerk Crumbliss,

Pursuant to Section 105.461, RSMo, I am hereby filing a written letter of a possible interest in legislation that may be voted on during this legislative session.

In compliance with Section 105.461, RSMo, please publish this letter in the Missouri House of Representatives Journal. If you have any questions, please call my office and I will be more than happy to answer them for you. Thank you for your time and help in this matter.

Respectfully yours,

/s/ Joe Smith

Representative Deeken in the Chair.

Prayer by Kenny Ross, Legislative Coordinator, Office of the Speaker.

Our Father Who art in Heaven, hallowed be Thy name. Thy kingdom come. Thy will be done on earth as it is in Heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us, and lead us not into temptation, but deliver us from evil.

For Thine is the kingdom, the power, and the glory, forever and ever, Amen.

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

SIXTY-THIRD DAY, MONDAY, MAY 3, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Reverend James Earl Jackson.

You, LORD, are our strength, our rock, our fortress and our deliverer; our God, our strength, in Whom we trust; our shield and our salvation. We call upon You, not only in times of crisis, but in tranquility, for You, alone are worthy to be praised.

Lord God, fill our minds with right and honest thoughts today. Fill our mouths with words of Your wisdom. Help us to say and do what is right in Your sight. Keep us from illogical ways that only encourage dissension and confusion.

Help us to deal truthfully and accurately in everything we do today. No matter what the circumstances, help us keep our promises and our word. Lead us in the way of righteousness and truth. Guide us in paths of knowledge and discernment.

Now to Him Who is able to keep us from stumbling, and to present us faultless before the presence of His glory with exceeding joy, to God our Savior, Who alone is wise, be glory and majesty, dominion and power, both now and forever.

In the name of Your Son, I pray. Amen.

(Partially excepted Proverb Prayers - by John Mason)

On or before March fifteenth, the clerk shall make out an abstract of the assessment book showing the aggregate amounts of different kinds of real, personal, and other tangible property and the valuations of each for each political subdivision in the county, or in the city for any city not within a county, entitled to levy ad valorem taxes on property except for municipalities maintaining their own tax or assessment books. The governing body of each political subdivision or a person designated by the governing body shall use such information to informally project a nonbinding tax levy for that year and return such projected tax levy to the clerk no later than April eighth. The clerk shall forward such information to the collector who shall then calculate and, no later than April thirtieth, provide to the assessor the projected tax liability for each real estate parcel for which the assessor intends to mail a notice of increase pursuant to sections 137.180, 137.355, and 137.490.

If a political subdivision fails to provide the projected tax rate as provided in this section, the clerk shall notify the state auditor who shall, within seven days of receiving such notice, estimate a nonbinding tax levy for such political subdivision and return such to the clerk. The clerk shall notify the state auditor of any applicable reduction to a political subdivision's tax rate.

5. Any taxing district wholly within a county with a township form of government may, through a request submitted by the county clerk, request that the state auditor's office estimate a nonbinding projected tax rate based on the information provided by the county clerk. 5. All the powers, duties and functions of the administrative services section, section 33.580, RSMo, and others, are transferred by a type I transfer to the office of administration and the administrative services section is abolished.

6. Such a plan shall place priority on improved availability of services throughout the state, consolidation of space occupancy and economy in operations.

7. Any other law to the contrary notwithstanding, upon a

determination by the commissioner that all or part of any property is in excess of the needs of any state agency, the commissioner may lease such property to a private or government entity. Any revenue received from the lease of such property shall be deposited into the fund or funds from which moneys for rent, operations or purchase have been appropriated. The easement shall be for such consideration as may be agreed upon by the parties and approved by the board of public buildings. The attorney general shall approve the form of the instrument of conveyance. The commissioner of administration shall prepare management plans for such properties in the manner set out in subsection 7 of this section.

11. The state treasurer shall be the custodian of the fund, and shall approve disbursements from the fund for the purchase of goods or services at the request of the commissioner of administration or the commissioner's designee. The provisions of section 33.080, RSMo, notwithstanding, moneys in the fund shall not lapse, unless and then only to the extent to which the unencumbered balance at the close of any fiscal year exceeds one-eighth of the total amount appropriated, paid, or transferred to the fund during such fiscal year, and upon approval of the oversight division of the joint committee on legislative research. The commissioner shall prepare an annual report of all receipts and expenditures from the fund.

12. All the powers, duties and functions of the department of community affairs relating to statewide planning are transferred by type I transfer to the office of administration.

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast in the portion of any county that is part of the proposed district favor the proposal, then the sales tax shall become effective in that portion of the county that is part of the proposed district on the first day of the first calendar quarter immediately following the election. If a majority of the votes cast in the portion of a county that is a part of the proposed district oppose the proposal, then that portion of such county shall not impose the sales tax authorized in this section until after the county governing body has submitted another such sales tax proposal and the proposal is approved by a majority of the qualified voters voting thereon. However, if a sales tax proposal is not approved, the governing body of the county shall not resubmit a proposal to the voters pursuant to this section sooner than twelve months from the date of the last proposal submitted pursuant to this section. If the qualified voters in two or more counties that have contiguous districts approve the sales tax proposal, the districts shall combine to become one district.

[7.] 8. There is hereby created a board of trustees to administer any district created and the expenditure of revenue generated pursuant to this section consisting of four individuals to represent each county approving the district, as provided in this subsection. The governing body of each county located within the district, upon approval of that county's sales tax proposal, shall appoint four members to the board of trustees; at least one shall be an owner of a nonlodging business located within the taxing district, or their designee, at least one shall be an owner of a lodging facility located within the district, or their designee, and all members shall reside in the district except that one nonlodging business owner, or their designee, and one lodging facility owner, or their designee, may reside outside the district. Each trustee shall be at least twenty-five years of age and a resident of this state. Of the initial trustees appointed from each county, two shall hold office for two years, and two shall hold office for four years. Trustees appointed after expiration of the initial terms shall be appointed to a four-year term by the governing body of the county the trustee represents, with the initially appointed trustee to remain in office until a successor is appointed, and shall take office upon being appointed. Each trustee may be reappointed. Vacancies shall be filled in the same manner in which the trustee vacating the office was originally appointed. The trustees shall not receive compensation for their services, but may be reimbursed for their actual and necessary expenses. The board shall elect a chair and other officers necessary for its membership. Trustees may be removed if:

(1) By a two-thirds vote, the board moves for the member's removal and submits such motion to the governing body of the county from which the trustee was appointed; and

(2) The governing body of the county from which the trustee was appointed, by a majority vote, adopts the motion for removal.

[8.] 9. The board of trustees shall have the following powers, authority, and privileges:

(4) To borrow money and incur indebtedness and evidence the same by certificates, notes, or debentures, to issue bonds and use any one or more lawful funding methods the district may obtain for its purposes at such rates of interest as the district may determine. Any bonds, notes, and other obligations issued or delivered by the district may be secured by mortgage, pledge, or deed of trust of any or all of the property and income of the district. Every issue of such bonds, notes, or other obligations shall be payable out of property and revenues of the district and may be further secured by other property of the district, which may be pledged, assigned, mortgaged, or a security interest granted for such payment, without preference or priority of the first bonds issued, subject to any agreement with the holders of any other bonds pledging any specified property or revenues. Such bonds, notes, or other obligations shall be authorized by resolution of the district board, and shall bear such date or dates, and shall mature at such time or times, but not in excess of thirty years, as the resolution shall specify. Such bonds, notes, or other obligations shall be in such denomination, bear interest at such rate or rates, be in such form, either coupon or registered, be issued as current interest bonds, compound interest bonds, variable rate bonds, convertible bonds, or zero coupon bonds, be issued in such manner, be payable in such place or places, and be subject to redemption as such resolution may provide, notwithstanding section 108.170, RSMo. The bonds, notes, or other obligations may be sold at either public or private sale, at such interest rates, and at such price or prices as the district shall determine;

(5) To acquire, transfer, donate, lease, exchange, mortgage, and encumber real and personal property in furtherance of district purposes;

(6) To refund any bonds, notes, or other obligations of the district without an election. The terms and conditions of refunding obligations shall be substantially the same as those of the original issue, and the board shall provide for the payment of interest at not to exceed the legal rate, and the principal of such refunding obligations in the same manner as is provided for the payment of interest and principal of obligations refunded;

(7) To have the management, control, and supervision of all the business and affairs of the district, and the construction, installation, operation, and maintenance of district improvements therein; to collect rentals, fees, and other charges in connection with its services or for the use of any of its facilities;

(8) To hire and retain agents, employees, engineers, and attorneys;

(9) To receive and accept by bequest, gift, or donation any kind of property;

(10) To adopt and amend bylaws and any other rules and regulations not in conflict with the constitution and laws of this state, necessary for the carrying on of the business, objects, and affairs of the board and of the district; and

(11) To have and exercise all rights and powers necessary or incidental to or implied from the specific powers granted by this section.

[9.] **10.** There is hereby created the "Exhibition Center and Recreational Facility District Sales Tax Trust Fund", which shall consist of all sales tax revenue collected pursuant to this section. The director of revenue shall be custodian of the trust fund, and moneys in the trust fund shall be used solely for the purposes authorized in this section. Moneys in the trust fund shall be considered nonstate funds pursuant to section 15, article IV, Constitution of Missouri. The director of revenue shall invest moneys in the trust fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the trust fund. All sales taxes collected by the director of revenue pursuant to this section on behalf of the district, less one percent for the cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, RSMo, shall be deposited in the trust fund. The director of revenue shall keep accurate records of the amount of moneys in the trust fund which was collected in the district imposing a sales tax pursuant to this section, and the records shall be open to the inspection of the officers of each district and the general public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the district. The director of revenue may authorize refunds from the amounts in the trust fund and credited to the district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of the district.

[10.] **11.** The sales tax authorized by this section is in addition to all other sales taxes allowed by law. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, apply to the sales tax imposed pursuant to this section.

[11.] **12.** Any sales tax imposed pursuant to this section shall not extend past the initial term approved by the voters unless an extension of the sales tax is submitted to and approved by the qualified voters in each county in the manner provided in this section. Each extension of the sales tax shall be for a period not to exceed twenty years. The ballot of submission for the extension shall be in substantially the following form:

Shall the (name of district) extend the sales tax of one-fourth of one percent for a period of (insert number of years) years to fund the acquisition, construction, maintenance, operation, improvement, and promotion of an exhibition center and recreational facilities?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast favor the extension, then the sales tax shall remain in effect at the rate and for the time period approved by the voters. If a sales tax extension is not approved, the district may submit another sales tax proposal as authorized in this section, but the district shall not submit such a proposal to the voters sooner than twelve months from the date of the last extension submitted.

[12.] **13.** Once the sales tax authorized by this section is abolished or terminated by any means, all funds remaining in the trust fund shall be used solely for the purposes approved in the ballot question authorizing the sales tax. The sales tax shall not be abolished or terminated while the district has any financing or other obligations outstanding; provided that any new financing, debt, or other obligation or any restructuring or refinancing of an existing debt or obligation incurred more than ten years after voter approval of the sales tax provided in this section or more than ten years after any voter-approved extension thereof shall not cause the extension of the sales tax provided in this section or cause the final maturity of any financing or other obligations outstanding to be extended. Any funds in the trust fund which are not needed for current expenditures may be invested by the district in the securities described in subdivisions (1) to (12) of subsection 1 of section 30.270, RSMo, or repurchase agreements secured by such securities. If the district

abolishes the sales tax, the district shall notify the director of revenue of the action at least ninety days before the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the sales tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the sales tax in the district, the director of revenue shall remit the balance in the account to the district and close the account of the district. The director of revenue shall notify the district of each instance of any amount refunded or any check redeemed from receipts due the district.

[13.] **14.** In the event that the district is dissolved or terminated by any means, the governing bodies of the counties in the district shall appoint a person to act as trustee for the district so dissolved or terminated. Before beginning the discharge of duties, the trustee shall take and subscribe an oath to faithfully discharge the duties of the office, and shall give bond with sufficient security, approved by the governing bodies of the counties, to the use of the dissolved or terminated district, for the faithful discharge of duties. The trustee shall have and exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining obligations of the district, shall pay over to the county treasurer of each county in the district and take receipt for all remaining moneys in amounts based on the ratio the levy of each county bears to the total levy for the district in the previous three years or since the establishment of the district, whichever time period is shorter. Upon payment to the county treasurers, the trustee shall deliver to the clerk of the governing body of any county in the district all books, papers, records, and deeds belonging to the dissolved district."; and

Further amend said title, enacting clause and intersectional references accordingly.

On motion of Representative Guest, **House Amendment No. 1** was adopted.

7. Owners of motor vehicles who are residents of the state of Missouri, and who are physically disabled, owners of motor vehicles operated at least fifty percent of the time by a physically disabled person, or owners of motor vehicles used to primarily transport physically disabled members of the owner's household may obtain disabled person license plates. Such owners, upon application, accompanied by the documents and fees provided for in this section, a current physician's statement which has been issued within ninety days preceding the date the application is made and proof of compliance with the state motor vehicle laws relating to registration and licensing of motor vehicles, shall be issued motor vehicle license plates for vehicles, other than commercial vehicles with a gross weight in excess of twenty-four thousand pounds, upon which shall be inscribed the international wheelchair accessibility symbol and the word "DISABLED" in addition to a combination of letters and numbers. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.

8. The director shall further issue, upon request, to such applicant one, and for good cause shown, as the director may define by rule and regulations, not more than two, removable disabled windshield hanging placards for use when the disabled person is occupying a vehicle or when a vehicle not bearing the permanent handicap plate is being used to pick up, deliver, or collect the physically disabled person issued the disabled motor vehicle license plate or disabled windshield hanging placard.

9. No additional fee shall be paid to the director for the issuance of the special license plates provided in this section, except for special personalized license plates and other license plates described in this subsection. Priority for any specific set of special license plates shall be given to the applicant who received the number in the immediately preceding license period subject to the applicant's compliance with the provisions of this section and any applicable rules or regulations issued by the director. If determined feasible by the advisory committee established in section 301.129, any special license plate issued pursuant to this section may be adapted to also include the international wheelchair accessibility symbol and the word "DISABLED" as prescribed in this section and such plate may be issued to any

applicant who meets the requirements of this section and the other appropriate provision of this chapter, subject to the requirements and fees of the appropriate provision of this chapter.

10. Any physically disabled person, or the parent or guardian of any such person, or any not-for-profit group, organization, or other entity which transports more than one physically disabled person, may apply to the director of revenue for a removable windshield placard. The placard may be used in motor vehicles which do not bear the permanent handicap symbol on the license plate. Such placards must be hung from the front, middle rearview mirror of a parked motor vehicle and may not be hung from the mirror during operation. These placards may only be used during the period of time when the vehicle is being used by a disabled person, or when the vehicle is being used to pick up, deliver, or collect a disabled person. When there is no rearview mirror, the placard shall be displayed on the dashboard on the driver's side.

11. The removable windshield placard shall conform to the specifications, in respect to size, color, and content, as set forth in federal regulations published by the Department of Transportation. The removable windshield placard shall be renewed every four years. The director may stagger the expiration dates to equalize workload. Only one removable placard may be issued to an applicant who has been issued disabled person license plates. Upon request, one additional windshield placard may be issued to an applicant who has not been issued disabled person license plates.

12. A temporary windshield placard shall be issued to any physically disabled person, or the parent or guardian of any such person who otherwise qualifies except that the physical disability, in the opinion of the physician, is not expected to exceed a period of one hundred eighty days. The temporary windshield placard shall conform to the specifications, in respect to size, color, and content, as set forth in federal regulations published by the Department of Transportation. The fee for the temporary windshield placard shall be two dollars. Upon request, and for good cause shown, one additional temporary windshield placard may be issued to an applicant. Temporary windshield placards shall be issued upon presentation of the physician's statement provided by this section and shall be displayed in the same manner as removable windshield placards. A person or entity shall be qualified to possess and display a temporary removable windshield placard for six months and the placard may be renewed once for an additional six months if a physician's statement pursuant to this section is supplied to the director of revenue at the time of renewal.

13. Application for license plates or windshield placards issued pursuant to this section shall be made to the director of revenue and shall be accompanied by a statement signed by a licensed physician or other authorized health care practitioner which certifies that the applicant, user, or member of the applicant's household is a physically disabled person as defined by this section.

14. The placard shall be renewable only by the person or entity to which the placard was originally issued. Any placard issued pursuant to this section shall only be used when the physically disabled occupant for whom the disabled plate or placard was issued is in the motor vehicle at the time of parking or when a physically disabled person is being delivered or collected. A disabled license plate and/or a removable windshield hanging placard are not transferable and may not be used by any other person whether disabled or not.

15. At the time the disabled plates or windshield hanging placards are issued, the director shall issue a registration certificate which shall include the applicant's name, address, and other identifying information as prescribed by the director, or if issued to an agency, such agency's name and address. This certificate shall further contain the disabled license plate number or, for windshield hanging placards, the registration or identifying number stamped on the placard. The validated registration receipt given to the applicant shall serve as the registration certificate.

16. The director shall, upon issuing any disabled registration certificate for license plates and/or windshield hanging placards, provide information which explains that such plates or windshield hanging placards are nontransferable, and the restrictions explaining who and when a person or vehicle which bears or has the disabled plates or windshield hanging placards may be used or be parked in a disabled reserved parking space, and the penalties prescribed for violations of the provisions of this act.

17. Every new applicant for a disabled license plate or placard shall be required to present a new physician's statement dated no more than ninety days prior to such application. Renewal applicants will be required to submit a physician's statement dated no more than ninety days prior to such application upon their first renewal occurring on or after August 1, 2005. Upon completing subsequent renewal applications, a physician's statement dated no more than ninety days prior to such application shall be required every fourth year. Such physician's statement shall state the expiration date for the temporary windshield placard. If the physician fails to record an expiration date on the physician's statement, the director shall issue the temporary windshield placard for a period of thirty days. The director may stagger the requirement of a physician's statement on all renewals for the initial implementation of a four-year period.

18. The director of revenue upon receiving a physician's statement pursuant to this subsection shall check with the state board of registration for the healing arts created in section 334.120, RSMo, or the Missouri state board of nursing established in section 335.021, RSMo, with respect to physician's statements signed by advanced practice registered nurses, or the Missouri state board of chiropractic examiners established in section 331.090, RSMo, with

respect to physician's statements signed by licensed chiropractors, or with the board of optometry established in section 336.130, RSMo, with respect to physician's statements signed by licensed optometrists, or the state board of podiatric medicine created in section 330.100, RSMo, with respect to physician's statements signed by physicians of the foot or podiatrists to determine whether the physician is duly licensed and registered pursuant to law. If such applicant obtaining a disabled license plate or placard presents proof of disability in the form of a statement from the United States Veterans' Administration verifying that the person is permanently disabled, the applicant shall be exempt from the four-year certification requirement of this subsection for renewal of the plate or placard. Initial applications shall be accompanied by the physician's statement required by this section. Notwithstanding the provisions of paragraph (f) of subdivision (4) of subsection 1 of this section, any person seventy-five years of age or older who provided the physician's statement with the original application shall not be required to provide a physician's statement for the purpose of renewal of disabled persons license plates or windshield placards.

19. The boards shall cooperate with the director and shall supply information requested pursuant to this subsection. The director shall, in cooperation with the boards which shall assist the director, establish a list of all Missouri physicians and other authorized health care practitioners and of any other information necessary to administer this section.

20. Where the owner's application is based on the fact that the vehicle is used at least fifty percent of the time by a physically disabled person, the applicant shall submit a statement stating this fact, in addition to the physician's statement. The statement shall be signed by both the owner of the vehicle and the physically disabled person. The applicant shall be required to submit this statement with each application for license plates. No person shall willingly or knowingly submit a false statement and any such false statement shall be considered perjury and may be punishable pursuant to section 301.420.

21. The director of revenue shall retain all physicians' statements and all other documents received in connection with a person's application for disabled license plates and/or disabled windshield placards.

22. The director of revenue shall enter into reciprocity agreements with other states or the federal government for the purpose of recognizing disabled person license plates or windshield placards issued to physically disabled persons.

23. When a person to whom disabled person license plates or a removable or temporary windshield placard or both have been issued dies, the personal representative of the decedent or such other person who may come into or otherwise take possession of the disabled license plates or disabled windshield placard shall return the same to the director of revenue under penalty of law. Failure to return such plates or placards shall constitute a class B misdemeanor.

24. The director of revenue may order any person issued disabled person license plates or windshield placards to submit to an examination by a chiropractor, osteopath, or physician, or to such other investigation as will determine whether such person qualifies for the special plates or placards.

25. If such person refuses to submit or is found to no longer qualify for special plates or placards provided for in this section, the director of revenue shall collect the special plates or placards, and shall furnish license plates to replace the ones collected as provided by this chapter.

26. In the event a removable or temporary windshield placard is lost, stolen, or mutilated, the lawful holder thereof shall, within five days, file with the director of revenue an application and an affidavit stating such fact, in order to purchase a new placard. The fee for the replacement windshield placard shall be four dollars.

27. Fraudulent application, renewal, issuance, procurement or use of disabled person license plates or windshield placards shall be a class A misdemeanor. It is a class B misdemeanor for a physician, chiropractor, podiatrist or optometrist to certify that an individual or family member is qualified for a license plate or windshield placard based on a disability, the diagnosis of which is outside their scope of practice or if there is no basis for the diagnosis.”; and

- (1) "Commission", the public service commission;
- (2) "Department", the department of natural resources;
- (3) "Electric utility", any electrical corporation as defined by section 386.020;
- (4) "Renewable energy credit" or "REC", a tradeable certificate of proof that one megawatt-hour of electricity has been generated from renewable energy sources; and
- (5) "Renewable energy resources", electric energy produced from wind, solar thermal sources, photovoltaic cells and panels, dedicated crops grown for energy production, cellulosic agricultural residues, plant residues, methane from landfills, **from agricultural operations**, or from wastewater treatment, **thermal depolymerization or pyrolysis for converting waste material to energy**, clean and untreated wood such as pallets, hydropower (not including pumped storage) that does not require a new diversion or impoundment of water and that has a nameplate rating of ten megawatts or less, fuel cells using hydrogen produced by one of the above-named renewable energy sources, and other sources of

energy not including nuclear that become available after November 4, 2008, and are certified as renewable by rule by the department.

393.1030. 1. The commission shall, in consultation with the department, prescribe by rule a portfolio requirement for all electric utilities to generate or purchase electricity generated from renewable energy resources. Such portfolio requirement shall provide that electricity from renewable energy resources shall constitute the following portions of each electric utility's sales:

2. The commission, in consultation with the department and within one year of November 4, 2008, shall select a program for tracking and verifying the trading of renewable energy credits. An unused credit may exist for up to three years from the date of its creation. A credit may be used only once to comply with sections 393.1020 to 393.1030 and may not also be used to satisfy any similar nonfederal requirement. An electric utility may not use a credit derived from a green pricing program. Certificates from net-metered sources shall initially be owned by the customer-generator. The commission, except where the department is specified, shall make whatever rules are necessary to enforce the renewable energy standard. Such rules shall include:

(1) A maximum average retail rate increase of one percent determined by estimating and comparing the electric utility's cost of compliance with least-cost renewable generation and the cost of continuing to generate or purchase electricity from entirely nonrenewable sources, taking into proper account future environmental regulatory risk including the risk of greenhouse gas regulation;

(2) Penalties of at least twice the average market value of renewable energy credits for the compliance period for failure to meet the targets of subsection 1. An electric utility will be excused if it proves to the commission that failure was due to events beyond its reasonable control that could not have been reasonably mitigated, or that the maximum average retail rate increase has been reached. Penalties shall not be recovered from customers. Amounts forfeited under this section shall be remitted to the department to purchase renewable energy credits needed for compliance. Any excess forfeited revenues shall be used by the department's energy center solely for renewable energy and energy efficiency projects;

(3) Provisions for an annual report to be filed by each electric utility in a format sufficient to document its progress in meeting the targets;

(4) Provision for recovery outside the context of a regular rate case of prudently incurred costs and the pass-through of benefits to customers of any savings achieved by an electrical corporation in meeting the requirements of this section.

3. Each electric utility shall make available to its retail customers a standard rebate offer of at least two dollars per installed watt for new or expanded solar electric systems sited on customers' premises, up to a maximum of twenty-five kilowatts per system, that become operational after 2009.

4. The department shall, in consultation with the commission, establish by rule a certification process for electricity generated from renewable resources and used to fulfill the requirements of subsection 1 of this section. Certification criteria for renewable energy generation shall be determined by factors that include fuel type, technology, and the environmental impacts of the generating facility. Renewable energy facilities shall not cause undue adverse air, water, or land use impacts, including impacts associated with the gathering of generation feedstocks. If any amount of fossil fuel is used with renewable energy resources, only the portion of electrical output attributable to renewable energy resources shall be used to fulfill the portfolio requirements.

5. In carrying out the provisions of this section, the commission and the department shall include methane generated from the anaerobic digestion of farm animal waste and thermal depolymerization or pyrolysis for converting waste material to energy as renewable energy resources for purposes of this section.”; and

COMMITTEE REPORTS

Committee on Agri-Business, Chairman Munzlinger reporting:

Mr. Speaker: Your Committee on Agri-Business, to which was referred **SCR 55**, begs leave to report it has examined the same and recommends that it **Do Pass with House Committee Substitute**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

HOUSE COMMITTEE SUBSTITUTE FOR SENATE CONCURRENT RESOLUTION NO. 55

WHEREAS, our nation is fortunate to possess a wealth of natural resources and we have a long history of stewardship of these resources; and

WHEREAS, just as a farmer carefully tends the land on which his survival depends, many of our country's best resource stewards are those who use the resource and for whom the resource holds intrinsic value for sustenance, survival, or cultural tradition; and

WHEREAS, recreational fishermen and women are prime examples of responsible resource stewards, as they place an extremely high value on the quality and existence of our nation's coastal waters. Recreational fishermen and women respect our country's marine habitats because they know that in order for these ecosystems to sustain the aquatic life and natural wonder for which they are sought, these resources must be protected and carefully managed; and

WHEREAS, fishing as a pastime in our country boasts strong support, with 93 percent of Americans indicating they support legal recreational fishing, and it is an activity that is enjoyed by Americans across all age, gender, socioeconomic, and ethnic distinctions; and

WHEREAS, recreational fishermen and women contribute significantly to the national and regional economies through equipment and gear purchases, fuel, lodging, and food, with total related sportfishing expenditures exceeding \$125 billion and supporting over 1 million jobs; and

WHEREAS, President Obama created an Interagency Ocean Policy Task Force in June of 2009 charged with recommending a national policy to ensure the protection, maintenance, and restoration of oceans, our coasts, and the Great Lakes; and

WHEREAS, the Task Force has issued two reports since its creation, the Interim Report of the Interagency Ocean Policy Task Force and the Interim Framework for Effective Coastal and Marine Spatial Planning, however the Task Force has failed to expressly recognize responsibly-regulated recreational fishing as a national priority for the oceans and Great Lakes in either of these reports; and

WHEREAS, without its recognition as a national priority, recreational fishing opportunities in the oceans and Great Lakes could become more limited, curtailed, or even potentially eliminated:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby strenuously urge President Obama to include recreational fishing and boating in the oceans and Great Lakes as national priorities and ensure and promote recreational fishing and access to public waters in the Interagency Ocean Policy Task Force's concluding report and any forthcoming Executive Order based upon the report; and

BE IT FURTHER RESOLVED that the members strongly urge the members of Congress to take any measure within their power to mitigate or overturn any Executive Order issued to implement recommendations by the Interagency Ocean Policy Task Force if such recommendations do not include responsibly-regulated recreational fishing and boating as national priorities for oceans, our coasts, and the Great Lakes and if such recommendations do not ensure and promote recreational fishing and access to public waters; and

BE IT FURTHER RESOLVED that this action should in no way be construed to represent support for modifying the congressionally authorized project purposes of the Flood Control Act of 1944; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for President Obama, the Chairperson of the Interagency Ocean Policy Task Force, the Speaker of the United States House of Representatives, the President of the United States Senate, and members of the Missouri congressional delegation.

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

SIXTY-FIFTH DAY, WEDNESDAY, MAY 5, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Msgr. Sal E. Polizzi, St. Roch Catholic Church, St. Louis, Missouri.

BLESSED IS THE NATION WHOSE GOD IS THE LORD!

LET US BOW OUR HEAD IN PRAYER.

Heavenly Father, giver of all good gifts, You have given us this wonderful country in which we live. We seek Your grace and wisdom for our leaders that they may serve Your people with truth and justice. At this time of our lives there is such a desperate need for the elected men and women of this state to provide the leadership that is so necessary, but often times, lacking.

Businesses big and small are closing their doors; unemployment is at an all-time high; many people have lost their homes and continue to lose them; education at all levels has been affected. Heavenly Father, bless America, this country of goodness and greatness. Renew the values of our American heritage so that America will remain the country of Truth, Freedom, Justice and Peace. We stand before You and ask this in Your Name, FOR IN GOD WE TRUST!

Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Emily Fox, Logan Salva, Ian Hopper, Olivia Hopper, Megan Fox, Keylon Patterson and Rebecca Holmes.

Speaker Richard declared the bill passed.

HCS SCS SBs 842, 799 & 809, relating to the MO HealthNet Program, was taken up by Representative Stream.

Representative Icet offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 842, 799 & 809, Section 208.215, Page 8, Line 258, by inserting after all of said section, page, and line the following:

“660.425. 1. In addition to all other fees and taxes required or paid, a tax is hereby imposed upon in-home services providers for the privilege of providing in-home services [under chapter 208, RSMo]. The tax is imposed upon payments received by an in-home services provider for the provision of in-home services [under chapter 208, RSMo].

2. For purposes of sections 660.425 to 660.465, the following terms shall mean:

(1) "Engaging in the business of providing in-home services", all payments received by an in-home services provider for the provision of in-home services [under chapter 208, RSMo];

(2) "In-home services", homemaker services, personal care services, chore services, respite services, consumer-directed services, and services, when provided in the individual's home and under a plan of care created by a physician, necessary to keep children out of hospitals. "In-home services" shall not include home health services as defined by federal and state law;

(3) "In-home services provider", any provider or vendor, as defined in section 208.900, RSMo, of compensated in-home services [under chapter 208, RSMo], and under a provider agreement or contracted with the department of social services or the department of health and senior services.

660.430. 1. Each in-home services provider in this state providing in-home services [under chapter 208, RSMo,] shall, in addition to all other fees and taxes now required or paid, pay an in-home services gross receipts tax, not to exceed six and one-half percent of gross receipts, for the privilege of engaging in the business of providing in-home services in this state.

2. Each in-home services provider's tax shall be based on a formula set forth in rules promulgated by the department of social services. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo.

This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

3. The director of the department of social services or the director's designee may prescribe the form and contents of any forms or other documents required by sections 660.425 to 660.465.

4. Notwithstanding any other provision of law to the contrary, appeals regarding the promulgation of rules under this section shall be made to the circuit court of Cole County. The circuit court of Cole County shall hear the matter as the court of original jurisdiction.

660.435. 1. For purposes of assessing the tax under sections 660.425 to 660.465, the department of health and senior services shall make available to the department of social services a list of all providers and vendors under this section.

2. Each in-home services provider subject to sections 660.425 to 660.465 shall keep such records as may be necessary to determine the total payments received for the provision of in-home services [under chapter 208, RSMo,] by the in-home services provider. Every in-home services provider shall submit to the department of social services a statement that accurately reflects such information as is necessary to determine such in-home services provider's tax due.

3. The director of the department of social services may prescribe the form and contents of any forms or other documents required by this section.

4. Each in-home services provider shall report the total payments received for the provision of in-home services [under chapter 208, RSMo,] to the department of social services.

660.445. 1. The determination of the amount of tax due shall be the total amount of payments reported to the department multiplied by the tax rate established by rule by the department of social services.

2. The department of social services shall notify each in-home services provider of the amount of tax due. Such amount may be paid in increments over the balance of the assessment period.

3. The department of social services may adjust the tax due quarterly on a prospective basis. The department of social services may adjust the tax due more frequently for individual providers if there is a substantial and statistically significant change in the in-home services provided or in the payments received for such services provided [under chapter 208, RSMo]. The department of social services may define such adjustment criteria by rule.

660.455. 1. The in-home services tax owed or, if an offset has been made, the balance after such offset, if any, shall be remitted by the in-home services provider to the department of social services. The remittance shall be made payable to the director of the department of social services and shall be deposited in the state treasury to the credit of the "In-home Services Gross Receipts Tax Fund" which is hereby created to provide payments for in-home services provided [under chapter 208, RSMo]. All investment earnings of the fund shall be credited to the fund.

2. An offset authorized by section 660.450 or a payment to the in-home services gross receipts tax fund shall be accepted as payment of the obligation set forth in section 660.425.

3. The state treasurer shall maintain records showing the amount of money in the in-home services gross receipts tax fund at any time and the amount of investment earnings on such amount.

4. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, any unexpended balance in the in-home services gross receipts tax fund at the end of the biennium shall not revert to the credit of the general revenue fund.

660.460. 1. The department of social services shall notify each in-home services provider with a tax due of more than ninety days of the amount of such balance. If any in-home services provider fails to pay its in-home services tax within thirty days of such notice, the in-home services tax shall be delinquent.

2. If any tax imposed under sections 660.425 to 660.465 is unpaid and delinquent, the department of social services may proceed to enforce the state's lien against the property of the in-home services provider and compel the payment of such assessment in the circuit court having jurisdiction in the county where the in-home services provider is located. In addition, the department of social services may cancel or refuse to issue, extend, or reinstate a Medicaid provider agreement to any in-home services provider that fails to pay the tax imposed by section 660.425.

3. Failure to pay the tax imposed under section 660.425 shall be grounds for failure to renew a provider agreement for services [under chapter 208, RSMo,] or failure to renew a provider contract. The department of social services may revoke the provider agreement of any in-home services provider that fails to pay such tax, or notify the department of health and senior services to revoke the provider contract.

660.465. 1. The in-home services tax required by sections 660.425 to 660.465 shall expire:

(1) Ninety days after any one or more of the following conditions are met:

(a) The aggregate in-home services fee as appropriated by the general assembly paid to in-home services providers for in-home services provided [under chapter 208, RSMo,] is less than the fiscal year 2010 in-home services fees reimbursement amount; or

(b) The formula used to calculate the reimbursement as appropriated by the general assembly for in-home services provided is changed resulting in lower reimbursement to in-home services providers in the aggregate than provided in fiscal year 2010; or

(2) September 1, [2011] **2012**.

The director of the department of social services shall notify the revisor of statutes of the expiration date as provided in this subsection.

2. Sections 660.425 to 660.465 shall expire on September 1, [2011] **2012**.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Icet, **House Amendment No. 1** was adopted.

Representative Sater offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 842, 799 & 809, Section A, Page 1, Line 2, by inserting after all of said section and line the following:

“148.340. **1.** Every insurance company or association not organized under the laws of this state, shall, as provided in section 148.350, quarterly pay tax upon the direct premiums received, whether in cash or in notes, in this state or on account of business done in this state, for insurance of life, property or interest in this state at the rate of two percent per annum in lieu of all other taxes, except as in sections 148.310 to 148.461 otherwise provided, which amount of taxes shall be assessed and collected as herein provided; provided, that fire and casualty insurance companies or associations shall be credited with canceled or return premiums actually paid during the year in this state, and that life insurance companies shall be credited with dividends actually declared to policyholders in this state, but held by the company and applied to the reduction of premiums payable by the policyholder.

2. Every health maintenance organization under contract with the State of Missouri to provide services to recipients of medical assistance, not organized under the laws of this state, shall quarterly pay tax upon the direct premiums received, with such payment to be on the same terms as the insurance companies and associations described in subsection 1. Such tax shall be in addition to any other tax levied by the State. This subsection shall apply only as long as the revenues generated under this subsection are eligible for federal financial participation and payments. For the purposes of this subsection, "federal financial participation" is the federal government's share of Missouri's expenditures under the Medicaid program. This subsection shall expire June 30, 2012.

148.350. **1.** Every such company or association shall, on or before the first day of March in each year, make a return, verified by the affidavit of its president and secretary or other authorized officers, to the director of the department of insurance, financial institutions and professional registration stating the amount of all premiums received on account of policies issued in this state by such company, whether in cash or in notes, during the year ending on the thirty-first day of December, next preceding. Upon receipt of such returns, the director of the department of insurance, financial institutions and professional registration shall verify the same and certify the amount of tax due from the various companies on the basis and at the rate provided in section 148.340, and shall certify the same to the director of revenue together with the amount of the quarterly installments to be made as provided in subsection 2 of this section, on or before the thirtieth day of April of each year.

2. Beginning January 1, 1983, the amount of the tax due for that calendar year and each succeeding calendar year thereafter shall be paid in four approximately equal estimated quarterly installments and a fifth reconciling installment. The first four installments shall be based upon the tax assessed for the immediately preceding taxable year ending on the thirty-first day of December, next preceding. The quarterly installment shall be made on the first day of March, the first day of June, the first day of September, and the first day of December. Immediately after receiving from the director of the department of insurance, financial institutions and professional registration, certification of the amount of tax due from the various companies, the director of revenue shall notify and assess each company the amount of taxes on its premiums for the calendar year ending on the thirty-first day of December, next preceding. The director of revenue shall also notify and assess each company the amount of the estimated quarterly installments to be made for the calendar year. If the amount of the actual tax due for any year exceeds the total of the installments made for such year, the balance of the tax due shall be paid on the first day of June of the following year, together with the regular quarterly installment due at that time. If the total amount of the tax actually due is less than the total amount of the installments actually paid, the amount by which the amount paid exceeds the amount due shall be credited against the tax for the following year and deducted from the quarterly installment otherwise due on the first day of June. If the March first quarterly installment made by a company is less than the amount assessed by the director of revenue, the difference will be due on June first, but no interest will accrue to the state on the difference unless the amount paid by the company is less than eighty percent of one-fourth of the total amount of tax assessed by the director of revenue for the immediately preceding taxable year. If the estimated quarterly tax installments are not so paid, the director of revenue shall certify such fact to the director

of the department of insurance, financial institutions and professional registration who shall thereafter suspend such delinquent company or companies from the further transaction of business in this state until such taxes shall be paid, and such companies shall be subject to the provisions of sections 148.410 to 148.461.

3. **Except as provided in subsection 4**, upon receiving such money from the director of revenue, the state treasurer shall receipt one-half thereof into the general revenue fund of the state, and he shall place the remainder of such tax to the credit of a fund to be known as "The County Foreign Insurance Tax Fund", which is hereby created and established. All premium tax credits described in sections 135.500 to 135.529, RSMo, shall only reduce the amount of moneys received by the general revenue fund of this state and shall not reduce any moneys received by the county foreign insurance tax fund.

4. **Taxes collected from health maintenance organizations pursuant to 148.340.2 shall be deposited to the credit of the Managed Care Fund, which is hereby created and established in the state treasury.**

5. **The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. The unexpended balance in the Managed Care Fund at the end of the biennium is exempt from the provisions of section 33.080, RSMo. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.**

148.370. 1. Every insurance company or association organized under the laws of the state of Missouri and doing business under the provisions of sections 376.010 to 376.670, 379.205 to 379.310, 379.650 to 379.790 and chapter 381, RSMo, and every mutual fire insurance company organized under the provisions of sections 379.010 to 379.190, RSMo, shall, as hereinafter provided, quarterly pay, beginning with the year 1983, a tax upon the direct premiums received by it from policyholders in this state, whether in cash or in notes, or on account of business done in this state, in lieu of the taxes imposed under the provisions of chapters 143 and 147, RSMo, for insurance of life, property or interest in this state, at the rate of two percent per annum, which amount of taxes shall be assessed and collected as hereinafter provided; provided, that fire and casualty insurance companies or associations shall be credited with canceled or returned premiums actually paid during the year in this state, and that life insurance companies shall be credited with dividends actually declared to policyholders in this state but held by the company and applied to the reduction of premiums payable by the policyholder.

2. **Every health maintenance organization organized under the laws of this State, that is under contract with the State of Missouri to provide services to recipients of medical assistance shall quarterly pay tax upon the direct premiums received, with such payment to be on the same terms as the insurance companies and associations described in subsection 1. Such tax shall be in addition to any other tax levied by the State. This subsection shall apply only as long as the revenues generated under this subsection are eligible for federal financial participation and payments. For the purposes of this subsection, "federal financial participation" is the federal government's share of Missouri's expenditures under the Medicaid program. This subsection shall expire June 30, 2012.**

148.380. 1. Every such company, on or before the first day of March in each year, shall make a return verified by the affidavit of its president and secretary, or other chief officers, to the director of the department of insurance, financial institutions and professional registration, stating the amount of all direct premiums received by it from policyholders in this state, whether in cash or in notes, during the year ending on the thirty-first day of December, next preceding. Upon receipt of such returns the director of the department of insurance, financial institutions and professional registration shall verify the same and certify the amount of the tax due from the various companies on the basis and* at the rate provided in section 148.370, taking into consideration deductions and credits allowed by law, and shall certify the same to the director of revenue together with the amount of the quarterly installments to be made as provided in subsection 2 of this section, on or before the thirtieth day of April of each year.

2. Beginning January 1, 1983, the amount of the tax due for that calendar year and each succeeding calendar year thereafter shall be paid in four approximately equal estimated quarterly installments, and a fifth reconciling installment. The first four installments shall be based upon the tax for the immediately** preceding taxable year ending on the thirty-first day of December, next preceding. The quarterly installments shall be made on the first day of March, the first day of June, the first day of September and the first day of December. Immediately after receiving certification from the director of the department of insurance, financial institutions and professional registration of the amount of tax due from the various companies, the director of revenue shall notify and assess each company the amount of taxes on its premiums for the calendar year ending on the thirty-first day of December, next preceding. The director of revenue shall also notify and assess each company the amount of the estimated quarterly installments to be made for the calendar year. If the amount of the actual tax due for any year exceeds the total of the installments made for such year, the balance

of the tax due shall be paid on the first day of June of the year following, together with the regular quarterly payment due at that time. If the total amount of the tax actually due is less than the total amount of the installments actually paid, the amount by which the amount paid exceeds the amount due shall be credited against the tax for the following year and deducted from the quarterly installment otherwise due on the first day of June. If the March first quarterly installment made by a company is less than the amount assessed by the director of revenue, the difference will be due on June first, but no interest will accrue to the state on the difference unless the amount paid by the company is less than eighty percent of one-fourth of the total amount of tax assessed by the director of revenue for the immediately preceding taxable year.

3. If the estimated quarterly tax installments are not so paid, the director of revenue shall notify the director of the department of insurance, financial institutions and professional registration who shall thereupon suspend such delinquent company from the further transaction of business in this state until such taxes shall be paid, and such companies shall be subject to the provisions of sections 148.410 to 148.461.

4. **Except as provided in subsection 5**, upon receipt of the money the state treasurer shall receipt one-half thereof into the general revenue fund of the state, and one-half thereof to the credit of the county foreign insurance fund for the purposes set forth in section 148.360.

5. Taxes collected from health maintenance organizations pursuant to 148.370.2 shall be to the credit of the Managed Care Fund, established under 148.350 RSMo.

208.010. 1. "Living together" for the purpose of this chapter is defined as including a husband and wife separated for the purpose of obtaining medical care or nursing home care, except that the income of a husband or wife separated for such purpose shall be considered in determining the eligibility of his or her spouse, only to the extent that such income exceeds the amount necessary to meet the needs (as defined by rule or regulation of the division) of such husband or wife living separately. In determining the need of a claimant in federally aided programs there shall be disregarded such amounts per month of earned income in making such determination as shall be required for federal participation by the provisions of the federal Social Security Act (42 U.S.C.A. 301 et seq.), or any amendments thereto. a. When the uncompensated value is twelve thousand dollars or less, the resource shall not be used in determining eligibility for more than twenty-four months; or

b. When the uncompensated value exceeds twelve thousand dollars, the resource shall not be used in determining eligibility for more than sixty months;

(2) The provisions of subdivision (1) of this subsection shall not apply to a transfer, other than a transfer to claimant's spouse, made prior to March 26, 1981, when the claimant furnishes convincing evidence that the uncompensated value of the disposed of resource or any part thereof is no longer possessed or owned by the person to whom the resource was transferred;

For purposes of this section only, "knowingly" and "recklessly" shall have the meanings that are ascribed to them in this section. A person acts "knowingly" with respect to the person's conduct when a reasonable person should be aware of the result caused by his or her conduct. A person acts "recklessly" when the person consciously disregards a substantial and unjustifiable risk that the person's conduct will result in serious physical injury and such disregard constitutes a gross deviation from the standard of care that a reasonable person would exercise in the situation.

15. At the time a client has been assessed to determine the level of care as required by rule and is eligible for in-home services, the department shall conduct a "Safe at Home Evaluation" to determine the client's physical, mental, and environmental capacity. The department shall develop the safe at home evaluation tool by rule in accordance with chapter 536, RSMo. The purpose of the safe at home evaluation is to assure that each client has the appropriate level of services and professionals involved in the client's care. The plan of service or care for each in-home services client shall be authorized by a nurse. The department may authorize the licensed in-home services nurse, in lieu of the department nurse, to conduct the assessment of the client's condition and to establish a plan of services or care. The department may use the expertise, services, or programs of other departments and agencies on a case-by-case basis to establish the plan of service or care.

The department may, as indicated by the safe at home evaluation, refer any client to a mental health professional, as defined in 9 CSR 30-4.030, for evaluation and treatment as necessary.

16. Authorized nurse visits shall occur at least twice annually to assess the client and the client's plan of services. The provider nurse shall report the results of his or her visits to the client's case manager. If the provider nurse believes that the plan of service requires alteration, the department shall be notified and the department shall make a client evaluation. All authorized nurse visits shall be reimbursed to the in-home services provider. All authorized nurse visits shall be reimbursed outside of the nursing home cap for in-home services clients whose services have reached one

hundred percent of the average statewide charge for care and treatment in an intermediate care facility, provided that the services have been preauthorized by the department.

17. All in-home services clients shall be advised of their rights by the department **or the department's designee** at the initial evaluation. The rights shall include, but not be limited to, the right to call the department for any reason, including dissatisfaction with the provider or services. **The department may contract for services relating to receiving such complaints.** The department shall establish a process to receive such nonabuse and neglect calls other than the elder abuse and neglect hotline.

18. Subject to appropriations, all nurse visits authorized in sections 660.250 to 660.300 shall be reimbursed to the in-home services provider agency.

Section B. Because immediate action is necessary to preserve state services, the repeal and reenactment of sections 148.340, 148.350, 148.370, 148.380, 208.010, and 208.453 of this act are deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the repeal and reenactment of sections 148.340, 148.350, 148.370, and 148.380 of this act shall be in full force and effect upon its passage and approval.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

to

House Amendment No. 2

AMEND House Amendment No. 2 to House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 842, 799 & 809, Page 8, Line 14, by inserting after all of said line the following:

“208.152. 1. MO HealthNet payments shall be made on behalf of those eligible needy persons as defined in section 208.151 who are unable to provide for it in whole or in part, with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

(1) Inpatient hospital services, except to persons in an institution for mental diseases who are under the age of sixty-five years and over the age of twenty-one years; provided that the MO HealthNet division shall provide through rule and regulation an exception process for coverage of inpatient costs in those cases requiring treatment beyond the seventy-fifth percentile professional activities study (PAS) or the MO HealthNet children's diagnosis length-of-stay schedule; and provided further that the MO HealthNet division shall take into account through its payment system for hospital services the situation of hospitals which serve a disproportionate number of low-income patients;

(2) All outpatient hospital services, payments therefor to be in amounts which represent no more than eighty percent of the lesser of reasonable costs or customary charges for such services, determined in accordance with the principles set forth in Title XVIII A and B, Public Law 89-97, 1965 amendments to the federal Social Security Act (42 U.S.C. 301, et seq.), but the MO HealthNet division may evaluate outpatient hospital services rendered under this section and deny payment for services which are determined by the MO HealthNet division not to be medically necessary, in accordance with federal law and regulations;

(3) Laboratory and X-ray services;

(4) Nursing home services for participants, except to persons with more than five hundred thousand dollars equity in their home or except for persons in an institution for mental diseases who are under the age of sixty-five years, when residing in a hospital licensed by the department of health and senior services or a nursing home licensed by the department of health and senior services or appropriate licensing authority of other states or government-owned and -operated institutions which are determined to conform to standards equivalent to licensing requirements in Title XIX of the federal Social Security Act (42 U.S.C. 301, et seq.), as amended, for nursing facilities. The MO HealthNet division may recognize through its payment methodology for nursing facilities those nursing facilities which serve a high volume of MO HealthNet patients. The MO HealthNet division when determining the amount of the benefit payments to be made on behalf of persons under the age of twenty-one in a nursing facility may consider nursing facilities furnishing care to persons under the age of twenty-one as a classification separate from other nursing facilities;

(5) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection for those days, which shall not exceed twelve per any period of six consecutive months, during which the participant

is on a temporary leave of absence from the hospital or nursing home, provided that no such participant shall be allowed a temporary leave of absence unless it is specifically provided for in his plan of care. As used in this subdivision, the term "temporary leave of absence" shall include all periods of time during which a participant is away from the hospital or nursing home overnight because he is visiting a friend or relative;

(6) Physicians' services, whether furnished in the office, home, hospital, nursing home, or elsewhere;

(7) Diabetic education and initial diabetic management training services. Such services shall be limited to two visits for diabetic training that shall include an initial consultation and one follow-up visit;

(8) Drugs and medicines when prescribed by a licensed physician, dentist, or podiatrist; except that no payment for drugs and medicines prescribed on and after January 1, 2006, by a licensed physician, dentist, or podiatrist may be made on behalf of any person who qualifies for prescription drug coverage under the provisions of P.L. 108-173;

[(8)] (9) Emergency ambulance services and, effective January 1, 1990, medically necessary transportation to scheduled, physician-prescribed nonelective treatments;

[(9)] (10) Early and periodic screening and diagnosis of individuals who are under the age of twenty-one to ascertain their physical or mental defects, and health care, treatment, and other measures to correct or ameliorate defects and chronic conditions discovered thereby. Such services shall be provided in accordance with the provisions of Section 6403 of P.L. 101-239 and federal regulations promulgated thereunder;

[(10)] (11) Home health care services;

[(11)] (12) Family planning as defined by federal rules and regulations; provided, however, that such family planning services shall not include abortions unless such abortions are certified in writing by a physician to the MO HealthNet agency that, in his professional judgment, the life of the mother would be endangered if the fetus were carried to term;

[(12)] (13) Inpatient psychiatric hospital services for individuals under age twenty-one as defined in Title XIX of the federal Social Security Act (42 U.S.C. 1396d, et seq.);

[(13)] (14) Outpatient surgical procedures, including presurgical diagnostic services performed in ambulatory surgical facilities which are licensed by the department of health and senior services of the state of Missouri; except, that such outpatient surgical services shall not include persons who are eligible for coverage under Part B of Title XVIII, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended, if exclusion of such persons is permitted under Title XIX, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended;

[(14)] (15) Personal care services which are medically oriented tasks having to do with a person's physical requirements, as opposed to housekeeping requirements, which enable a person to be treated by his physician on an outpatient rather than on an inpatient or residential basis in a hospital, intermediate care facility, or skilled nursing facility. Personal care services shall be rendered by an individual not a member of the participant's family who is qualified to provide such services where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a licensed nurse. Persons eligible to receive personal care services shall be those persons who would otherwise require placement in a hospital, intermediate care facility, or skilled nursing facility. Benefits payable for personal care services shall not exceed for any one participant one hundred percent of the average statewide charge for care and treatment in an intermediate care facility for a comparable period of time. Such services, when delivered in a residential care facility or assisted living facility licensed under chapter 198, RSMo, shall be authorized on a tier level based on the services the resident requires and the frequency of the services. A resident of such facility who qualifies for assistance under section 208.030 shall, at a minimum, if prescribed by a physician, qualify for the tier level with the fewest services. The rate paid to providers for each tier of service shall be set subject to appropriations. Subject to appropriations, each resident of such facility who qualifies for assistance under section 208.030 and meets the level of care required in this section shall, at a minimum, if prescribed by a physician, be authorized up to one hour of personal care services per day. Authorized units of personal care services shall not be reduced or tier level lowered unless an order approving such reduction or lowering is obtained from the resident's personal physician. Such authorized units of personal care services or tier level shall be transferred with such resident if her or she transfers to another such facility. Such provision shall terminate upon receipt of relevant waivers from the federal Department of Health and Human Services. If the Centers for Medicare and Medicaid Services determines that such provision does not comply with the state plan, this provision shall be null and void. The MO HealthNet division shall notify the revisor of statutes as to whether the relevant waivers are approved or a determination of noncompliance is made;

[(15)] (16) Mental health services. The state plan for providing medical assistance under Title XIX of the Social Security Act, 42 U.S.C. 301, as amended, shall include the following mental health services when such services are provided by community mental health facilities operated by the department of mental health or designated by the department of mental health as a community mental health facility or as an alcohol and drug abuse facility or as a child-serving agency within the comprehensive children's mental health service system established in section 630.097, RSMo. The department of mental health shall establish by administrative rule the definition and criteria for designation

as a community mental health facility and for designation as an alcohol and drug abuse facility. Such mental health services shall include:

(a) Outpatient mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(b) Clinic mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(c) Rehabilitative mental health and alcohol and drug abuse services including home and community-based preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health or alcohol and drug abuse professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management. As used in this section, mental health professional and alcohol and drug abuse professional shall be defined by the department of mental health pursuant to duly promulgated rules. With respect to services established by this subdivision, the department of social services, MO HealthNet division, shall enter into an agreement with the department of mental health. Matching funds for outpatient mental health services, clinic mental health services, and rehabilitation services for mental health and alcohol and drug abuse shall be certified by the department of mental health to the MO HealthNet division. The agreement shall establish a mechanism for the joint implementation of the provisions of this subdivision. In addition, the agreement shall establish a mechanism by which rates for services may be jointly developed;

[(16)] (17) Such additional services as defined by the MO HealthNet division to be furnished under waivers of federal statutory requirements as provided for and authorized by the federal Social Security Act (42 U.S.C. 301, et seq.) subject to appropriation by the general assembly;

[(17)] (18) Beginning July 1, 1990, the services of a certified pediatric or family nursing practitioner with a collaborative practice agreement to the extent that such services are provided in accordance with chapters 334 and 335, RSMo, and regulations promulgated thereunder;

[(18)] (19) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection to reserve a bed for the participant in the nursing home during the time that the participant is absent due to admission to a hospital for services which cannot be performed on an outpatient basis, subject to the provisions of this subdivision:

(a) The provisions of this subdivision shall apply only if:

a. The occupancy rate of the nursing home is at or above ninety-seven percent of MO HealthNet certified licensed beds, according to the most recent quarterly census provided to the department of health and senior services which was taken prior to when the participant is admitted to the hospital; and

b. The patient is admitted to a hospital for a medical condition with an anticipated stay of three days or less;

(b) The payment to be made under this subdivision shall be provided for a maximum of three days per hospital stay;

(c) For each day that nursing home costs are paid on behalf of a participant under this subdivision during any period of six consecutive months such participant shall, during the same period of six consecutive months, be ineligible for payment of nursing home costs of two otherwise available temporary leave of absence days provided under subdivision (5) of this subsection; and

(d) The provisions of this subdivision shall not apply unless the nursing home receives notice from the participant or the participant's responsible party that the participant intends to return to the nursing home following the hospital stay. If the nursing home receives such notification and all other provisions of this subsection have been satisfied, the nursing home shall provide notice to the participant or the participant's responsible party prior to release of the reserved bed;

[(19)] (20) Prescribed medically necessary durable medical equipment. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

[(20)] (21) Hospice care. As used in this [subsection] **subdivision**, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness,

and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

[(21)] (22) Prescribed medically necessary dental services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

[(22)] (23) Prescribed medically necessary optometric services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

[(23)] (24) The MO HealthNet division shall, by January 1, 2008, and annually thereafter, report the status of MO HealthNet provider reimbursement rates as compared to one hundred percent of the Medicare reimbursement rates and compared to the average dental reimbursement rates paid by third-party payors licensed by the state. The MO HealthNet division shall, by July 1, 2008, provide to the general assembly a four-year plan to achieve parity with Medicare reimbursement rates and for third-party payor average dental reimbursement rates. Such plan shall be subject to appropriation and the division shall include in its annual budget request to the governor the necessary funding needed to complete the four-year plan developed under this subdivision.

2. Additional benefit payments for medical assistance shall be made on behalf of those eligible needy children, pregnant women and blind persons with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the division of medical services, unless otherwise hereinafter provided, for the following:

- (1) Dental services;
- (2) Services of podiatrists as defined in section 330.010, RSMo;
- (3) Optometric services as defined in section 336.010, RSMo;
- (4) Orthopedic devices or other prosthetics, including eye glasses, dentures, hearing aids, and wheelchairs;
- (5) Hospice care. As used in this subsection, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(6) Comprehensive day rehabilitation services beginning early posttrauma as part of a coordinated system of care for individuals with disabling impairments. Rehabilitation services must be based on an individualized, goal-oriented, comprehensive and coordinated treatment plan developed, implemented, and monitored through an interdisciplinary assessment designed to restore an individual to optimal level of physical, cognitive, and behavioral function. The MO HealthNet division shall establish by administrative rule the definition and criteria for designation of a comprehensive day rehabilitation service facility, benefit limitations and payment mechanism. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

3. The MO HealthNet division may require any participant receiving MO HealthNet benefits to pay part of the charge or cost until July 1, 2008, and an additional payment after July 1, 2008, as defined by rule duly promulgated by the MO HealthNet division, for all covered services except for those services covered under subdivisions (14) and (15) of subsection 1 of this section and sections 208.631 to 208.657 to the extent and in the manner authorized by Title XIX of the federal Social Security Act (42 U.S.C. 1396, et seq.) and regulations thereunder. When substitution of a generic drug is permitted by the prescriber according to section 338.056, RSMo, and a generic drug is substituted for a name-brand drug, the MO HealthNet division may not lower or delete the requirement to make a co-payment pursuant to regulations of Title XIX of the federal Social Security Act. A provider of goods or services described under this

section must collect from all participants the additional payment that may be required by the MO HealthNet division under authority granted herein, if the division exercises that authority, to remain eligible as a provider. Any payments made by participants under this section shall be in addition to and not in lieu of payments made by the state for goods or services described herein except the participant portion of the pharmacy professional dispensing fee shall be in addition to and not in lieu of payments to pharmacists. A provider may collect the co-payment at the time a service is provided or at a later date. A provider shall not refuse to provide a service if a participant is unable to pay a required payment. If it is the routine business practice of a provider to terminate future services to an individual with an unclaimed debt, the provider may include uncollected co-payments under this practice. Providers who elect not to undertake the provision of services based on a history of bad debt shall give participants advance notice and a reasonable opportunity for payment. A provider, representative, employee, independent contractor, or agent of a pharmaceutical manufacturer shall not make co-payment for a participant. This subsection shall not apply to other qualified children, pregnant women, or blind persons. If the Centers for Medicare and Medicaid Services does not approve the Missouri MO HealthNet state plan amendment submitted by the department of social services that would allow a provider to deny future services to an individual with uncollected co-payments, the denial of services shall not be allowed. The department of social services shall inform providers regarding the acceptability of denying services as the result of unpaid co-payments.

4. The MO HealthNet division shall have the right to collect medication samples from participants in order to maintain program integrity.

5. Reimbursement for obstetrical and pediatric services under subdivision (6) of subsection 1 of this section shall be timely and sufficient to enlist enough health care providers so that care and services are available under the state plan for MO HealthNet benefits at least to the extent that such care and services are available to the general population in the geographic area, as required under subparagraph (a)(30)(A) of 42 U.S.C. 1396a and federal regulations promulgated thereunder.

6. Beginning July 1, 1990, reimbursement for services rendered in federally funded health centers shall be in accordance with the provisions of subsection 6402(c) and Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989) and federal regulations promulgated thereunder.

7. Beginning July 1, 1990, the department of social services shall provide notification and referral of children below age five, and pregnant, breast-feeding, or postpartum women who are determined to be eligible for MO HealthNet benefits under section 208.151 to the special supplemental food programs for women, infants and children administered by the department of health and senior services. Such notification and referral shall conform to the requirements of Section 6406 of P.L. 101-239 and regulations promulgated thereunder.

8. Providers of long-term care services shall be reimbursed for their costs in accordance with the provisions of Section 1902 (a)(13)(A) of the Social Security Act, 42 U.S.C. 1396a, as amended, and regulations promulgated thereunder.

9. Reimbursement rates to long-term care providers with respect to a total change in ownership, at arm's length, for any facility previously licensed and certified for participation in the MO HealthNet program shall not increase payments in excess of the increase that would result from the application of Section 1902 (a)(13)(c) of the Social Security Act, 42 U.S.C. 1396a (a)(13)(c).

10. The MO HealthNet division, may enroll qualified residential care facilities and assisted living facilities, as defined in chapter 198, RSMo, as MO HealthNet personal care providers.

11. Any income earned by individuals eligible for certified extended employment at a sheltered workshop under chapter 178, RSMo, shall not be considered as income for purposes of determining eligibility under this section.”; and

JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

SIXTY-SIXTH DAY, THURSDAY, MAY 6, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Msgr. Donald W. Lammers.

Today is the fifty-ninth annual National Day of Prayer

In union with all in our Nation who would call upon God, let us pray.

"The Lord is good, a refuge on the day of distress;
He takes care of those who have recourse to him."
(Nahum 1:7)

Holy Lord, You are all-good! We thank You for Your personal care for us and for all the blessings in our lives.

We pray for all the people of our Nation for whom this is a day of distress: for those suffering from the oil well disaster near the Gulf Coast, for those suffering from flood waters in Tennessee, for those who live in fear of violence or of poverty.

Raise up neighbors to help them. Show us how, through the work of our elected office, to be that neighbor of those in need of justice or in special need of our assistance. God bless all members of this Assembly with strength and wisdom for the work of this day.

To You, our Lord and God, be glory and honor forever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Will Gorski, Madison Ward, Charlie Pitcher, Alex Kempainer, Taylor Anderson, Nate Techkman and Michael Tucciarone.

The Journal of the sixty-fifth day was approved as printed by the following vote:

2. The personnel advisory board shall consist of seven members. Four members of the board shall be public members, citizens of the state who are not state employees or officials, of good character and reputation, who are known to be in sympathy with the application of merit principles to public employment. Two members shall be employees of state agencies covered by section 36.030 or section 36.031, one a member of executive management, and one a nonmanagement employee. [Members who are employees shall not participate in disciplinary appeal decisions from their agencies.] The state equal employment opportunity officer shall be a member of the board. No member of the board, during the member's term of office, or for at least one year prior thereto, shall be a member of any local, state or national committee of a political party or an officer or member of a committee in any partisan political club or organization, or hold, or be a candidate for, a partisan public office. An employee member who leaves state employment or otherwise fails to further qualify for the appointment shall vacate the position.

3. The members of the board shall be appointed by the governor by and with the advice and consent of the senate. The three current members of the board serving terms which expire July 31, 1998, July 31, 2000, and July 31, 2002, shall continue to serve for the terms for which they were previously appointed. One new public member shall be appointed for a term ending July 31, 1998, one employee member shall be appointed for a term ending July 31, 2000,

and one employee member shall be appointed for a term ending July 31, 2002. Thereafter, appointments of all members shall be for terms of six years. Any vacancy shall be filled by an appointment for the unexpired term. Each member of the board shall hold office until such member's successor is appointed and qualified.

4. A member of the board is removable by the governor only for just cause, after being given a written notice setting forth in substantial detail the charges against the member and an opportunity to be heard publicly on the charges before the governor. A copy of the charges and a transcript of the record of the hearing shall be filed with the secretary of state.

5. Each public member of the board shall be paid an amount for each day devoted to the work of the board which shall be determined by the commissioner of administration and filed with the reorganization plan of the office of administration; provided, however, that such amount shall not exceed that paid to members of boards and commissions with comparable responsibilities. All board members are entitled to reimbursement for necessary travel and other expenses pertaining to the duties of the board. Duties performed for the board by any employee member of the board shall be considered duties in connection with the appointment of the individual, and such employee member shall suffer no loss of regular compensation by reason of performance of such duties.

6. The board shall elect from among its membership a chairman and vice chairman, who shall act as chairman in the chairman's absence. It shall meet at the times and places specified by call of the chairman, the governor, or the director. At least one meeting shall be held every three months. All regular meetings are open to the public. Notice of each meeting shall be given in writing to each member by the director. Two members shall constitute a quorum until January 1, 1997, thereafter, four members shall constitute a quorum for the transaction of official business.

7. To assist in the performance of its duties the board may employ staff from funds appropriated for this purpose; provided, however, that this provision shall not be interpreted to limit the ability of the personnel director to provide assistance to the board.

36.060. 1. In addition to the duties imposed upon it elsewhere in this chapter, it shall be the duty of the board:

(1) [To conduct hearings and render decisions on appeals as provided in this act;

(2)] To make any investigation which it may consider desirable concerning the administration of personnel subject to this law;

[(3)] (2) To hold regular meetings with appointing authorities to propose methods of resolving general personnel problems;

[(4)] (3) To make annual reports, and such special reports as it considers desirable, to the governor and the general assembly regarding personnel administration in the state service and recommendations there. These special reports shall evaluate the effectiveness of the personnel division and the appointing authority in their operations under this law;

[(5)] (4) To make such suggestions and recommendations to the governor and the director relating to the state's employment policies as will promote morale, efficiency and uniformity in compensation of the various employees in the state service;

[(6)] (5) To promulgate rules and regulations to ensure that no applicant or employee is discriminated against on the basis of race, creed, color, religion, national origin, sex, ancestry or handicap.

2. No rule or portion of a rule promulgated under the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of section 536.024, RSMo.

36.150. 1. Every appointment or promotion to a position covered by this chapter shall be made on the basis of merit as provided in this chapter. Demotions in and dismissals from employment shall be made for cause under rules and regulations of the board uniformly applicable to all positions of employment. No appointment, promotion, demotion or dismissal shall be made because of favoritism, prejudice or discrimination. The regulations shall prohibit discrimination in other phases of employment and personnel administration and shall provide such remedy as is required by federal merit system standards for grant-in-aid programs [and is not provided in chapter 296, RSMo].

2. Political endorsements shall not be considered in connection with any such appointment.

3. No person shall use or promise to use, directly or indirectly, for any consideration whatsoever, any official authority or influence to secure or attempt to secure for any person an appointment or advantage in appointment to any such position or an increase in pay, promotion or other advantage in employment.

4. No person shall in any manner levy or solicit any financial assistance or subscription for any political party, candidate, political fund, or publication, or for any other political purpose, from any employee in a position subject to this chapter, and no such employee shall act as agent in receiving or accepting any such financial contribution, subscription, or assignment of pay. No person shall use, or threaten to use, coercive means to compel an employee to give such assistance, subscription, or support, nor in retaliation for the employee's failure to do so.

5. No such employee shall be a candidate for nomination or election to any partisan public office or nonpartisan office in conflict with that employee's duties unless such person resigns, or obtains a regularly granted leave of absence, from such person's position.

6. No person elected to partisan public office shall, while holding such office, be appointed to any position covered by this chapter.

7. Any officer or employee in a position subject to this chapter who purposefully violates any of the provisions of this section shall forfeit such office or position. If an appointing authority finds that such a violation has occurred, or is so notified by the director, this shall constitute cause for dismissal pursuant to section 36.390 and a final determination by the [board] **administrative hearing commission** as to the occurrence of a violation.

36.280. 1. An appointing authority may at any time assign an employee from one position to another position in the same class in the appointing authority's division; except that, transfers of employees made because of a layoff, or shortage of work or funds which might require a layoff, shall be governed by the regulations. Upon making such an assignment the appointing authority shall forthwith give written notice of the appointing authority's action to the director. A transfer of an employee from a position in one division to a position in the same class in another division may be made with the approval of the director and of the appointing authorities of both divisions. No employee shall be transferred from a position in one class to a position in another class of a higher rank or for which there are substantially dissimilar requirements for appointment unless the employee is appointed to such latter position after certification of the employee's name from a register in accordance with the provisions of this chapter. Any change of an employee from a position in one class to a position in a class of lower rank shall be considered a demotion and shall be made only in accordance with the procedure prescribed by section 36.380 for cases of dismissal. An employee thus involuntarily demoted shall have the right to appeal to the [board] **administrative hearing commission** pursuant to section 36.390.

2. An employee who has successfully served at least one year in a position not subject to subsection 1 of section 36.030, but which is subject to section 36.031, may be transferred to a position subject to subsection 1 of section 36.030 in the same class with the approval of the director and of the appointing authorities of both divisions, provided he or she possesses the qualifications and has successfully completed a noncompetitive examination for the position involved.

36.370. 1. An appointing authority may, for disciplinary purposes, suspend without pay any employee in his division for such length of time as he considers appropriate, not exceeding twenty working days in any twelve-month period except that this limitation shall not apply in the event of a terminal suspension given in conjunction with a dismissal. In case of a suspension, the director shall be furnished with a statement in writing specifically setting forth the reasons for such suspension. Upon request, a copy of such statement shall be furnished to such employee. With the approval of the director, any employee may be suspended for a longer period pending the investigation or trial of any charges against him. Any regular employee who is suspended for more than five working days shall have the right to appeal to the [board] **administrative hearing commission** as provided under section 36.390.

2. An appointing authority may not suspend without pay any employee in his division who is a member of the national guard and is engaged in the performance of duty or training in the service of this state at the call of the governor and as ordered by the adjutant general, but shall grant a leave of absence from duty without loss of time, pay, regular leave, impairment of efficiency rating, or of any other rights or benefits, to which otherwise entitled, and shall pay that employee his salary or compensation for the entire period of absence for that purpose.

36.380. An appointing authority may dismiss for cause any employee in his division occupying a position subject hereto when he considers that such action is required in the interests of efficient administration and that the good of the service will be served thereby. No dismissal of a regular employee shall take effect unless, prior to the effective date thereof, the appointing authority gives to such employee a written statement setting forth in substance the reason therefor and files a copy of such statement with the director. When it is not practicable to give the notice of dismissal to an employee in person, it may be sent to the employee by certified or registered mail, return receipt requested, at his last mailing address as shown in the personnel records of the appointing authority. Proof of refusal of the employee to accept delivery or the inability of postal authorities to deliver such mail shall be accepted as evidence that the required notice of dismissal has been given. If the director determines that the statement of reasons for the dismissal given by the appointing authority shows that such dismissal does not reflect discredit on the character or conduct of the employee, he may, upon request of the employee, approve reemployment under section 36.240, in any class in which the employee has held regular status. Any regular employee who is dismissed shall have the right to appeal to the [board] **administrative hearing commission** as provided under section 36.390.

36.390. 1. An applicant whose request for admission to any examination has been rejected by the director may appeal to the [board] **administrative hearing commission** in writing within fifteen days of the mailing of the notice of rejection by the director, and in any event before the holding of the examination. The [board's] **commission's** decision on all matters of fact shall be final.

2. Applicants may be admitted to an examination pending a consideration of the appeal, but such admission shall not constitute the assurance of a passing grade in education and experience.

3. Any applicant who has taken an examination and who feels that he or she has not been dealt with fairly in any phase of the examination process may request that the director review his or her case. Such request for review of any examination shall be filed in writing with the director within [thirty] **fifteen** days after the date on which notification of the results of the examination was mailed to the applicant. A candidate may appeal the decision of the director in writing to the [board] **administrative hearing commission**. This appeal shall be filed with the [board] **administrative hearing commission** within [thirty] **fifteen** days after date on which notification of the decision of the director was mailed to the applicant. The [board's] **commission's** decision with respect to any changes shall be final, and shall be entered in the minutes. A correction in the rating shall not affect a certification or appointment which may have already been made from the register.

4. An eligible whose name has been removed from a register for any of the reasons specified in section 36.180 or in section 36.240 may appeal to the [board] **administrative hearing commission** for reconsideration. Such appeal shall be filed in writing [at] **with** the [office of the director] **administrative hearing commission** within [thirty] **fifteen** days after the date on which notification was mailed to the [board] **eligible**. The [board] **commission**, after investigation, shall make its decision which shall be recorded in the minutes and the eligible shall be notified accordingly by the director.

5. Any regular employee who is dismissed or involuntarily demoted for cause or suspended for more than five working days may appeal in writing to the [board] **administrative hearing commission** within thirty days after the effective date thereof, setting forth in substance the employee's reasons for claiming that the dismissal, suspension or demotion was for political, religious, or racial reasons, or not for the good of the service. [Upon such appeal, both the appealing employee and the appointing authority whose action is reviewed shall have the right to be heard and to present evidence at a hearing which, at the request of the appealing employee, shall be public. At the hearing of such appeals, technical rules of evidence shall not apply. After the hearing and consideration of the evidence for and against a suspension, demotion, or dismissal, the board shall approve or disapprove such action and may make any one of the following appropriate orders:

(1) Order the reinstatement of the employee to the employee's former position;

(2) Sustain the dismissal of such employee;

(3) Except as provided in subdivisions (1) and (2) of this subsection, the board may sustain the dismissal, but may order the director to recognize reemployment rights for the dismissed employee pursuant to section 36.240, in an appropriate class or classes, or may take steps to effect the transfer of such employee to an appropriate position in the same or another division of service.

6. Any order by the board under subsection 5 of this section shall be a final decision on the merits and may be appealed as provided in chapter 536, RSMo.

7. After an order of reinstatement has been issued and all parties have let the time for appeal lapse or have filed an appeal and that appeal process has become final and the order of reinstatement has been affirmed, the board shall commence a separate action to determine the date of reinstatement and the amount of back pay owed to the employee. This action may be done by hearing, or by affidavit, depositions, or stipulations, or by agreement on the amount of back pay owed. If the parties cannot reach an agreement as to how the parties shall be heard on this separate action, then the board shall decide on the method through its hearing officer. No hearing will be public unless requested to be public by the employee.

8. The board shall establish such rules as may be necessary to give effect to the provisions of this section. The rules may provide that the board or the chairman of the board may delegate responsibility for the conduct of investigations and the hearing of appeals provided pursuant to any section of this chapter to a member of the board or to a hearing officer designated by the board. Such hearing officer shall have the power to administer oaths, subpoena witnesses, compel the production of records pertinent to any hearing, and take any action in connection with such hearing which the board itself is authorized to take by law other than making the final decision and appropriate order. When the hearing has been completed, the individual board member or the hearing officer who conducted the hearing shall prepare a summary thereof and recommend a findings of fact, conclusions of law, decision and appropriate order for approval of the board. The board may adopt such recommendations in whole or in part, require the production of additional testimony, reassign the case for rehearing, or may itself conduct such new or additional hearing as is deemed necessary.

prior to rendering a final decision. The board may also establish rules which provide for alternative means of resolving one or more of the types of appeals outlined in this section.]

[9.] **6.** The provisions for appeals provided in subsection 5 of this section for dismissals of regular merit employees may be adopted by nonmerit agencies of the state for any or all employees of such agencies.

[10.] **7.** Agencies not adopting the provisions for appeals provided in subsection 5 of this section shall adopt dismissal procedures substantially similar to those provided for merit employees. However, these procedures need not apply to employees in policy-making positions, or to members of military or law enforcement agencies.

[11.] **8.** Hearings under this section shall be deemed to be a contested case and the procedures applicable to the processing of such hearings and determinations shall be those established by chapter 536, RSMo. Decisions of the [personnel advisory board] **administrative hearing commission** shall be final and binding subject to appeal by either party. Final decisions of the [personnel advisory board] **administrative hearing commission** pursuant to this subsection shall be subject to review on the record by the circuit court pursuant to chapter 536, RSMo.

36.400. The [board] **administrative hearing commission**, each [member of the board,] **commissioner** and the director shall have power to administer oaths, subpoena witnesses, and compel the production of books and papers pertinent to any investigation or hearing authorized by this law. Any person who shall fail to appear in response to a subpoena or to answer any question or produce any books or papers pertinent to any such investigation or hearing, or who shall knowingly give false testimony therein, shall be guilty of a misdemeanor.”; and

2. No supervisor or appointing authority of any state agency shall:

(b) Mismanagement, a gross waste of funds or abuse of authority, or a substantial and specific danger to public health or safety, if the disclosure is not specifically prohibited by law; or

(2) Require any such employee to give notice to the supervisor or appointing authority prior to making any such report.

3. This section shall not be construed as:

(1) Prohibiting a supervisor or appointing authority from requiring that an employee inform the supervisor or appointing authority as to legislative requests for information to the agency or the substance of testimony made, or to be made, by the employee to legislators on behalf of the employee to legislators on behalf of the agency;

(2) Permitting an employee to leave the employee's assigned work areas during normal work hours without following applicable rules and regulations and policies pertaining to leaves, unless the employee is requested by a legislator or legislative committee to appear before a legislative committee;

(3) Authorizing an employee to represent the employee's personal opinions as the opinions of a state agency; or

(4) Restricting or precluding disciplinary action taken against a state employee if: the employee knew that the information was false; the information is closed or is confidential under the provisions of the open meetings law or any other law; or the disclosure relates to the employee's own violations, mismanagement, gross waste of funds, abuse of authority or endangerment of the public health or safety.

4. As used in this section, “disciplinary action” means any dismissal, demotion, transfer, reassignment, suspension, reprimand, warning of possible dismissal or withholding of work, whether or not the withholding of work has affected or will affect the employee's compensation.

5. Any employee may file an administrative appeal whenever the employee alleges that disciplinary action was taken against the employee in violation of this section. The appeal shall be filed with the [state personnel advisory board] **administrative hearing commission**; provided that the appeal shall be filed with the appropriate agency review board or body of nonmerit agency employers which have established appeal procedures substantially similar to those provided for merit employees in subsection 5 of section 36.390, RSMo. The appeal shall be filed within thirty days of the alleged disciplinary action. Procedures governing the appeal shall be in accordance with chapter [36] **536**, RSMo. If the [board] **commission** or appropriate review body finds that disciplinary action taken was unreasonable, the [board] **commission**

or appropriate review body shall modify or reverse the agency's action and order such relief for the employee as the [board] **commission** considers appropriate. If the [board] **commission** finds a violation of this section, it may review and recommend to the appointing authority that the violator be suspended on leave without pay for not more than thirty days or, in cases of willful or repeated violations, may review and recommend to the appointing authority that the violator forfeit the violator's position as a state officer or employee and disqualify the violator for appointment to or employment as a state officer or employee for a period of not more than two years. The decision of the [board] **commission** or appropriate review body in such cases may be appealed by any party pursuant to law.

6. Each state agency shall prominently post a copy of this section in locations where it can reasonably be expected to come to the attention of all employees of the agency.

7. (1) In addition to the remedies in subsection 6 of this section, a person who alleges a violation of this section may bring a civil action for damages within ninety days after the occurrence of the alleged violation.

(2) A civil action commenced pursuant to this subsection may be brought in the circuit court for the county where the alleged violation occurred, the county where the complainant resides, or the county where the person against whom the civil complaint is filed resides.

(3) An employee must show by clear and convincing evidence that he or she or a person acting on his or her behalf has reported or was about to report, verbally or in writing, a prohibited activity or a suspected prohibited activity.

(4) A court, in rendering a judgment in an action brought pursuant to this section, shall order, as the court considers appropriate, actual damages, and may also award the complainant all or a portion of the costs of litigation, including reasonable attorney fees.”; and

4. Every applicant or participant by application assigns his right to the department of social services or MO HealthNet division of any funds recovered or expected to be recovered to the extent provided for in this section. All applicants and participants, including a person authorized by the probate code, shall cooperate with the department of social services, MO HealthNet division in identifying and providing information to assist the state in pursuing any third party who may be liable to pay for care and services available under the state's plan for MO HealthNet benefits as provided in sections 208.151 to 208.159 and sections 208.162 and 208.204. All applicants and participants shall cooperate with the agency in obtaining third-party resources due to the applicant, participant, or child for whom assistance is claimed. Failure to cooperate without good cause as determined by the department of social services, MO HealthNet division in accordance with federally prescribed standards shall render the applicant or participant ineligible for MO HealthNet benefits under sections 208.151 to 208.159 and sections 208.162 and 208.204. A [recipient] **participant** who has notice or who has actual knowledge of the department's rights to third-party benefits who receives any third-party benefit or proceeds for a covered illness or injury is either required to pay the division within sixty days after receipt of settlement proceeds the full amount of the third-party benefits up to the total MO HealthNet benefits provided or to place the full amount of the third-party benefits in a trust account for the benefit of the division pending judicial or administrative determination of the division's right to third-party benefits.

5. Every person, corporation or partnership who acts for or on behalf of a person who is or was eligible for MO HealthNet benefits under sections 208.151 to 208.159 and sections 208.162 and 208.204 for purposes of pursuing the applicant's or participant's claim which accrued as a result of a nonoccupational or nonwork-related incident or occurrence resulting in the payment of MO HealthNet benefits shall notify the MO HealthNet division upon agreeing to assist such person and further shall notify the MO HealthNet division of any institution of a proceeding, settlement or the results of the pursuit of the claim and give thirty days' notice before any judgment, award, or settlement may be satisfied in any action or any claim by the applicant or participant to recover damages for such injuries, disease, or disability, or benefits arising from a health insurance program to which the participant may be entitled.

6. Every participant, minor, guardian, conservator, personal representative, estate, including persons entitled under section 537.080, RSMo, to bring an action for wrongful death, or his attorney or legal representative shall promptly notify the MO HealthNet division of any recovery from a third party and shall immediately reimburse the department of social services, MO HealthNet division, or its contractor from the proceeds of any settlement, judgment, or other recovery in any action or claim initiated against any such third party. A judgment, award, or settlement in an action by a [recipient] **participant** to recover damages for injuries or other third-party benefits in which the division has an interest may not be satisfied without first giving the division notice and a reasonable opportunity to file and satisfy the claim or proceed with any action as otherwise permitted by law.

7. The department of social services, MO HealthNet division or its contractor shall have a right to recover the amount of payments made to a provider under this chapter because of an injury, disease, or disability, or benefits arising from a health insurance plan to which the participant may be entitled for which a third party is or may be liable in contract, tort or otherwise under law or equity. Upon request by the MO HealthNet division, all third-party payers shall provide the MO HealthNet division with information contained in a 270/271 Health Care Eligibility Benefits Inquiry and Response standard transaction mandated under the federal Health Insurance Portability and Accountability Act, except that third-party payers shall not include accident-only, specified disease, disability income, hospital indemnity, or other fixed indemnity insurance policies.

8. The department of social services or MO HealthNet division shall have a lien upon any moneys to be paid by any insurance company or similar business enterprise, person, corporation, institution, public agency or private agency in settlement or satisfaction of a judgment on any claim for injuries or disability or disease benefits arising from a health insurance program to which the participant may be entitled which resulted in medical expenses for which the department or MO HealthNet division made payment. This lien shall also be applicable to any moneys which may come into the possession of any attorney who is handling the claim for injuries, or disability or disease or benefits arising from a health insurance plan to which the participant may be entitled which resulted in payments made by the department or MO HealthNet division. In each case, a lien notice shall be served by certified mail or registered mail, upon the party

or parties against whom the applicant or participant has a claim, demand or cause of action. The lien shall claim the charge and describe the interest the department or MO HealthNet division has in the claim, demand or cause of action. The lien shall attach to any verdict or judgment entered and to any money or property which may be recovered on account of such claim, demand, cause of action or suit from and after the time of the service of the notice.

9. On petition filed by the department, or by the participant, or by the defendant, the court, on written notice of all interested parties, may adjudicate the rights of the parties and enforce the charge. The court may approve the settlement of any claim, demand or cause of action either before or after a verdict, and nothing in this section shall be construed as requiring the actual trial or final adjudication of any claim, demand or cause of action upon which the department has charge. The court may determine what portion of the recovery shall be paid to the department against the recovery. In making this determination the court shall conduct an evidentiary hearing and shall consider competent evidence pertaining to the following matters:

(1) The amount of the charge sought to be enforced against the recovery when expressed as a percentage of the gross amount of the recovery; the amount of the charge sought to be enforced against the recovery when expressed as a percentage of the amount obtained by subtracting from the gross amount of the recovery the total attorney's fees and other costs incurred by the participant incident to the recovery; and whether the department should, as a matter of fairness and equity, bear its proportionate share of the fees and costs incurred to generate the recovery from which the charge is sought to be satisfied;

(2) The amount, if any, of the attorney's fees and other costs incurred by the participant incident to the recovery and paid by the participant up to the time of recovery, and the amount of such fees and costs remaining unpaid at the time of recovery;

(3) The total hospital, doctor and other medical expenses incurred for care and treatment of the injury to the date of recovery therefor, the portion of such expenses theretofore paid by the participant, by insurance provided by the participant, and by the department, and the amount of such previously incurred expenses which remain unpaid at the time of recovery and by whom such incurred, unpaid expenses are to be paid;

(4) Whether the recovery represents less than substantially full recompense for the injury and the hospital, doctor and other medical expenses incurred to the date of recovery for the care and treatment of the injury, so that reduction of the charge sought to be enforced against the recovery would not likely result in a double recovery or unjust enrichment to the participant;

(5) The age of the participant and of persons dependent for support upon the participant, the nature and permanency of the participant's injuries as they affect not only the future employability and education of the participant but also the reasonably necessary and foreseeable future material, maintenance, medical rehabilitative and training needs of the participant, the cost of such reasonably necessary and foreseeable future needs, and the resources available to meet such needs and pay such costs;

(6) The realistic ability of the participant to repay in whole or in part the charge sought to be enforced against the recovery when judged in light of the factors enumerated above.

10. The burden of producing evidence sufficient to support the exercise by the court of its discretion to reduce the amount of a proven charge sought to be enforced against the recovery shall rest with the party seeking such reduction. **The computerized records of the MO HealthNet division, certified by the director or his designee, shall be prima facie evidence of proof of moneys expended and the amount of the debt due the state.**

11. The court may reduce and apportion the department's or MO HealthNet division's lien proportionate to the recovery of the claimant. The court may consider the nature and extent of the injury, economic and noneconomic loss, settlement offers, comparative negligence as it applies to the case at hand, hospital costs, physician costs, and all other appropriate costs. The department or MO HealthNet division shall pay its pro rata share of the attorney's fees based on the department's or MO HealthNet division's lien as it compares to the total settlement agreed upon. This section shall not affect the priority of an attorney's lien under section 484.140, RSMo. The charges of the department or MO HealthNet division or contractor described in this section, however, shall take priority over all other liens and charges existing under the laws of the state of Missouri with the exception of the attorney's lien under such statute.

12. Whenever the department of social services or MO HealthNet division has a statutory charge under this section against a recovery for damages incurred by a participant because of its advancement of any assistance, such charge shall not be satisfied out of any recovery until the attorney's claim for fees is satisfied, [irrespective] **regardless** of whether [or not] an action based on participant's claim has been filed in court. Nothing herein shall prohibit the director from entering into a compromise agreement with any participant, after consideration of the factors in subsections 9 to 13 of this section.

13. This section shall be inapplicable to any claim, demand or cause of action arising under the workers' compensation act, chapter 287, RSMo. From funds recovered pursuant to this section the federal government shall be paid a portion thereof equal to the proportionate part originally provided by the federal government to pay for MO

HealthNet benefits to the participant or minor involved. The department or MO HealthNet division shall enforce TEFRA liens, 42 U.S.C. 1396p, as authorized by federal law and regulation on permanently institutionalized individuals. The department or MO HealthNet division shall have the right to enforce TEFRA liens, 42 U.S.C. 1396p, as authorized by federal law and regulation on all other institutionalized individuals. For the purposes of this subsection, "permanently institutionalized individuals" includes those people who the department or MO HealthNet division determines cannot reasonably be expected to be discharged and return home, and "property" includes the homestead and all other personal and real property in which the participant has sole legal interest or a legal interest based upon co-ownership of the property which is the result of a transfer of property for less than the fair market value within thirty months prior to the participant's entering the nursing facility. The following provisions shall apply to such liens:

(1) The lien shall be for the debt due the state for MO HealthNet benefits paid or to be paid on behalf of a participant. The amount of the lien shall be for the full amount due the state at the time the lien is enforced;

(2) The MO HealthNet division shall file for record, with the recorder of deeds of the county in which any real property of the participant is situated, a written notice of the lien. The notice of lien shall contain the name of the participant and a description of the real estate. The recorder shall note the time of receiving such notice, and shall record and index the notice of lien in the same manner as deeds of real estate are required to be recorded and indexed. The director or the director's designee may release or discharge all or part of the lien and notice of the release shall also be filed with the recorder. The department of social services, MO HealthNet division, shall provide payment to the recorder of deeds the fees set for similar filings in connection with the filing of a lien and any other necessary documents;

(3) No such lien may be imposed against the property of any individual prior to the individual's death on account of MO HealthNet benefits paid except:

(a) In the case of the real property of an individual:

a. Who is an inpatient in a nursing facility, intermediate care facility for the mentally retarded, or other medical institution, if such individual is required, as a condition of receiving services in such institution, to spend for costs of medical care all but a minimal amount of his or her income required for personal needs; and

b. With respect to whom the director of the MO HealthNet division or the director's designee determines, after notice and opportunity for hearing, that he cannot reasonably be expected to be discharged from the medical institution and to return home. The hearing, if requested, shall proceed under the provisions of chapter 536, RSMo, before a hearing officer designated by the director of the MO HealthNet division; or

(b) Pursuant to the judgment of a court on account of benefits incorrectly paid on behalf of such individual;

(4) No lien may be imposed under paragraph (b) of subdivision (3) of this subsection on such individual's home if one or more of the following persons is lawfully residing in such home:

(a) The spouse of such individual;

(b) Such individual's child who is under twenty-one years of age, or is blind or permanently and totally disabled;

or

(c) A sibling of such individual who has an equity interest in such home and who was residing in such individual's home for a period of at least one year immediately before the date of the individual's admission to the medical institution;

(5) Any lien imposed with respect to an individual pursuant to subparagraph b of paragraph (a) of subdivision (3) of this subsection shall dissolve upon that individual's discharge from the medical institution and return home.

14. The debt due the state provided by this section is subordinate to the lien provided by section 484.130, RSMo, or section 484.140, RSMo, relating to an attorney's lien and to the participant's expenses of the claim against the third party.

15. Application for and acceptance of MO HealthNet benefits under this chapter shall constitute an assignment to the department of social services or MO HealthNet division of any rights to support for the purpose of medical care as determined by a court or administrative order and of any other rights to payment for medical care.

16. All participants receiving benefits as defined in this chapter shall cooperate with the state by reporting to the family support division or the MO HealthNet division, within thirty days, any occurrences where an injury to their persons or to a member of a household who receives MO HealthNet benefits is sustained, on such form or forms as provided by the family support division or MO HealthNet division.

17. If a person fails to comply with the provision of any judicial or administrative decree or temporary order requiring that person to maintain medical insurance on or be responsible for medical expenses for a dependent child, spouse, or ex-spouse, in addition to other remedies available, that person shall be liable to the state for the entire cost of the medical care provided pursuant to eligibility under any public assistance program on behalf of that dependent child, spouse, or ex-spouse during the period for which the required medical care was provided. Where a duty of support exists and no judicial or administrative decree or temporary order for support has been entered, the person owing the duty

of support shall be liable to the state for the entire cost of the medical care provided on behalf of the dependent child or spouse to whom the duty of support is owed.

18. The department director or the director's designee may compromise, settle or waive any such claim in whole or in part in the interest of the MO HealthNet program. Notwithstanding any provision in this section to the contrary, the department of social services, MO HealthNet division is not required to seek reimbursement from a liable third party on claims for which the amount it reasonably expects to recover will be less than the cost of recovery or for which recovery efforts will not be cost-effective. Cost-effectiveness is determined based on the following:

- (1) Actual and legal issues of liability as may exist between the [recipient] **participant** and the liable party;
- (2) Total funds available for settlement; and
- (3) An estimate of the cost to the division of pursuing its claim.”; and

Further amend the title and enacting clause accordingly.
